星闘士伝
NETER AARU
INVASION

In the immensity of the galaxy there shines a small blue planet, object of all the greeds, the Earth. The goddess Athena and her brave servants must protect it against the forces of evil. These indomitable warriors have sworn to sacrifice their lives, if it needs, to defend the freedom. The world is once again threatened by the forces of darkness and the faithful warriors of the goddess must wear again their cloths to face the invaders.

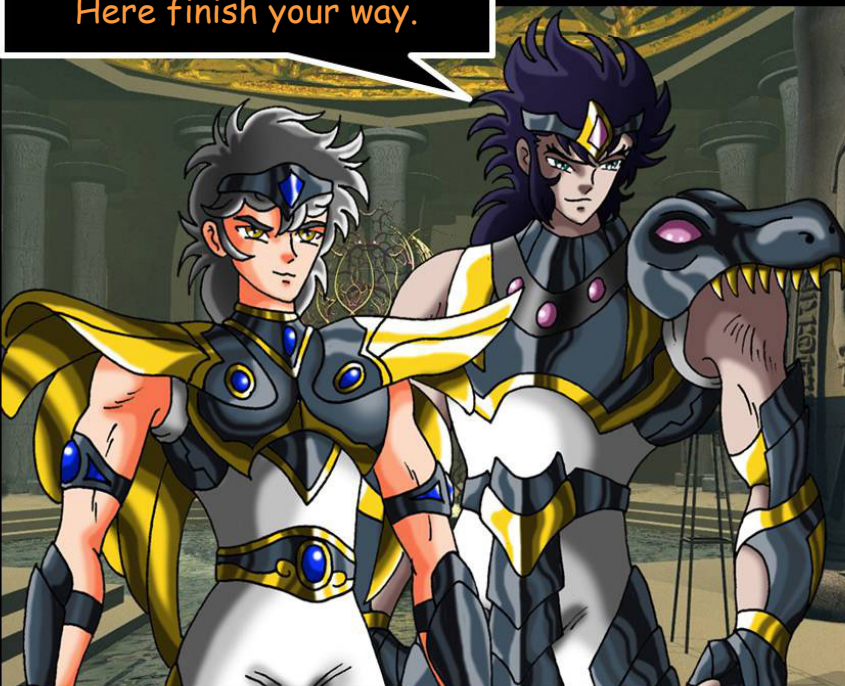

At the end of this corridor there is Osiris's mortuary chamber.

Here finish your way.

I will take charge of these two. You, look for Oliver.

SOLAR DESTROYER !!

GOD'S TOUCH !!

If this is all the power you have Micerino, you have already lost !

COSMIC DESTROYER !!

I don't understand why only two deans were guarding this place.

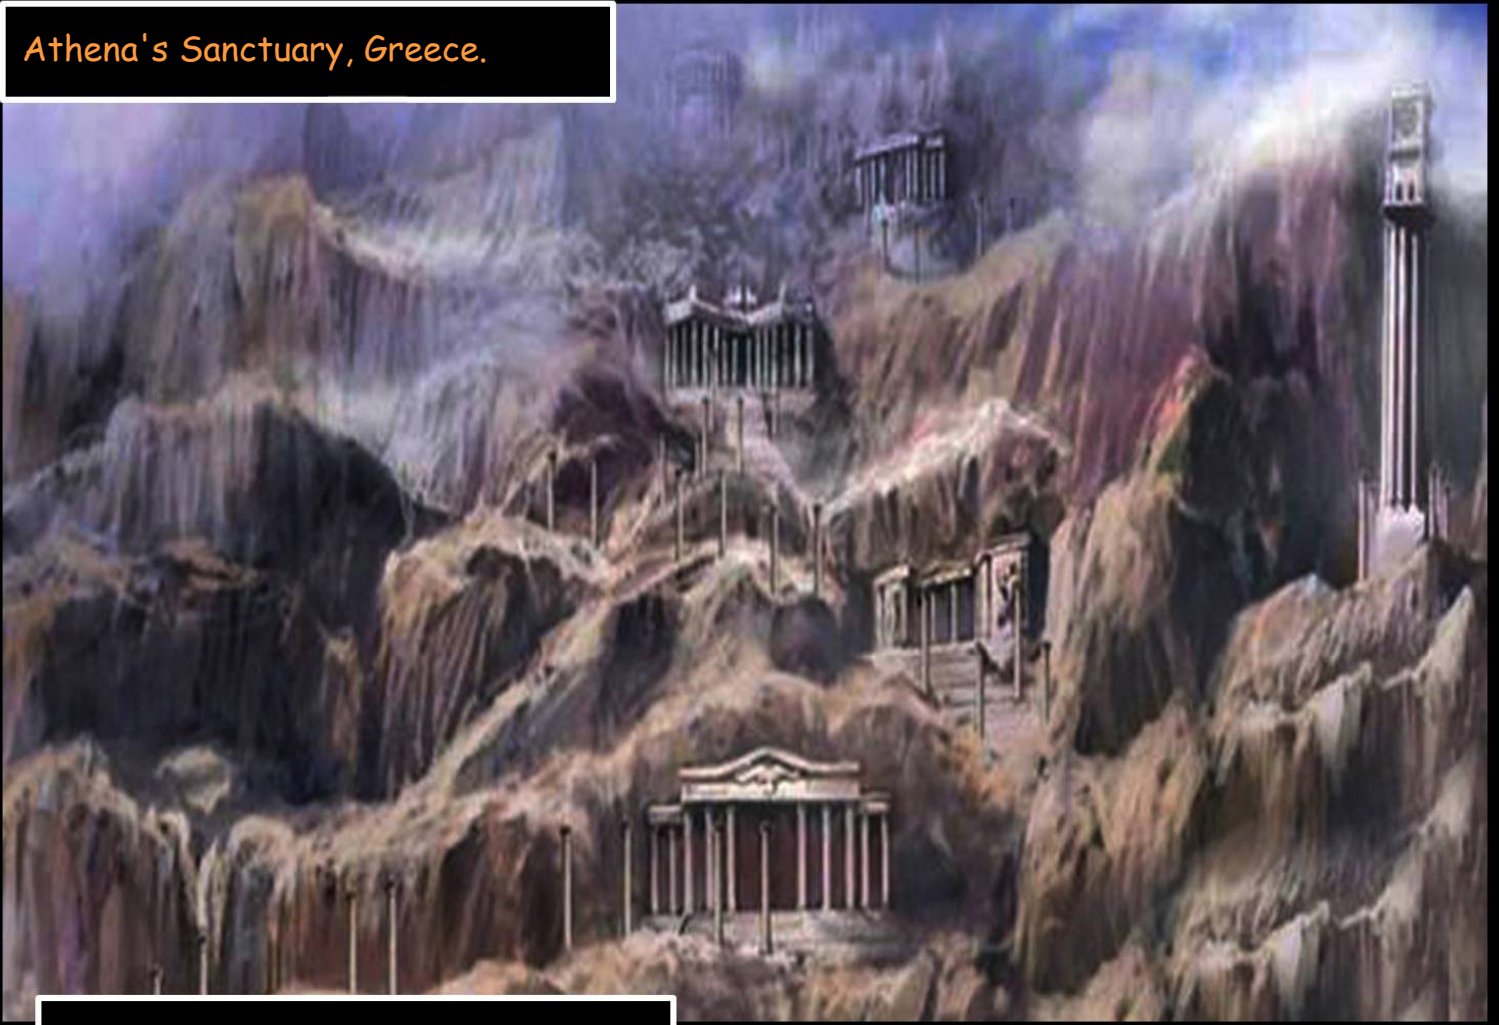

It is because at this precise moment, the other deans are eliminating any threat before Osiris's return.

Athena's Sanctuary, Greece.

So this is the majestic Athena's Sanctuary.

Don't do one step more or you will be treated as having hostile purposes and we will have no other choice than to stop you using force.

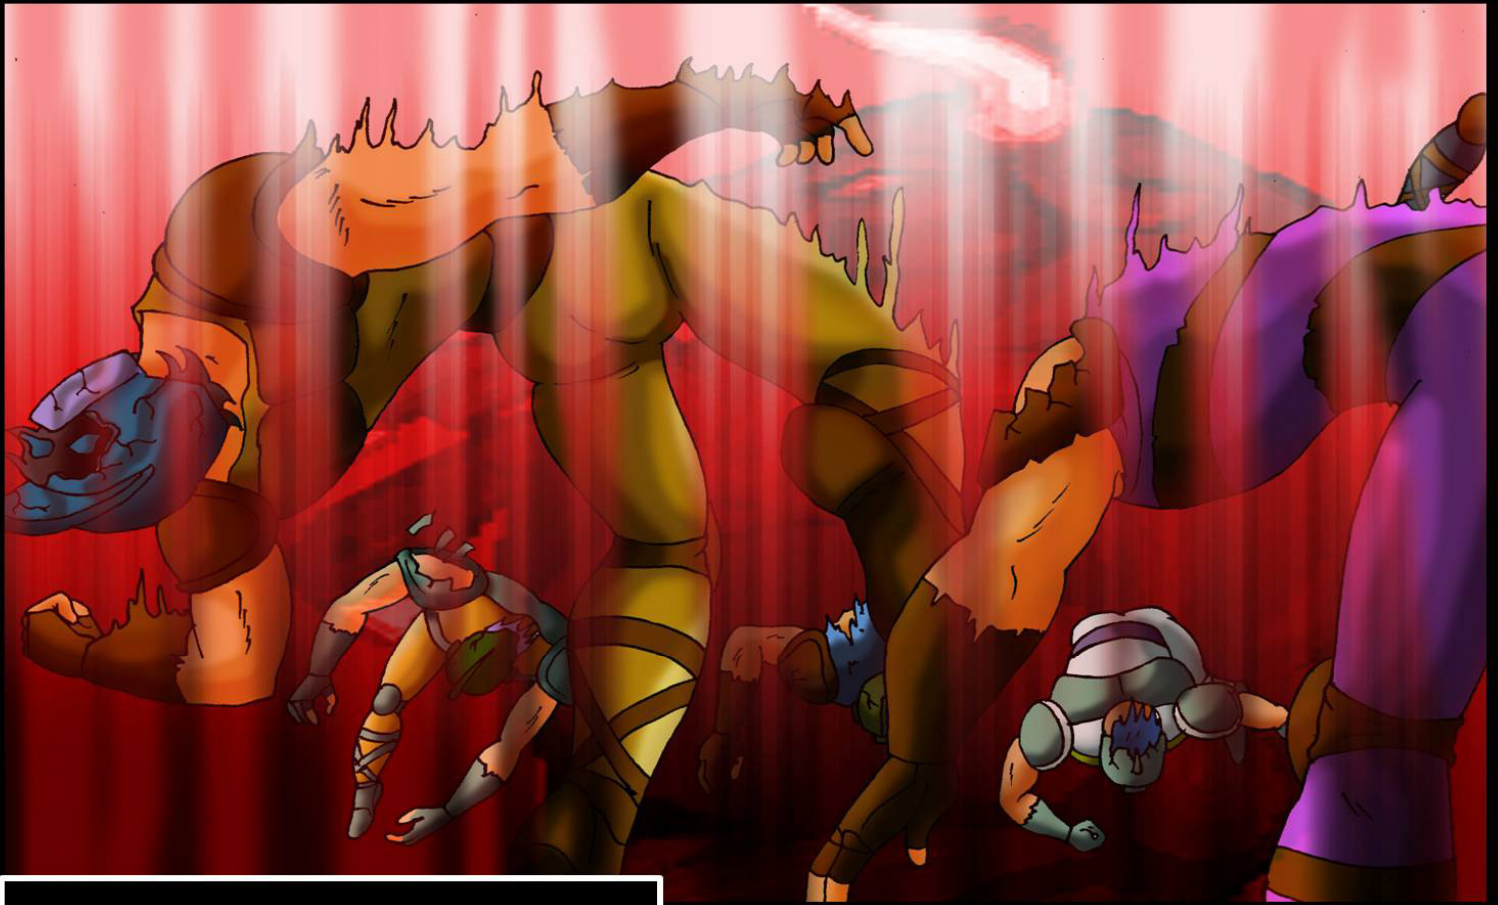

Tagas, would you be so nice of clean up our way ?

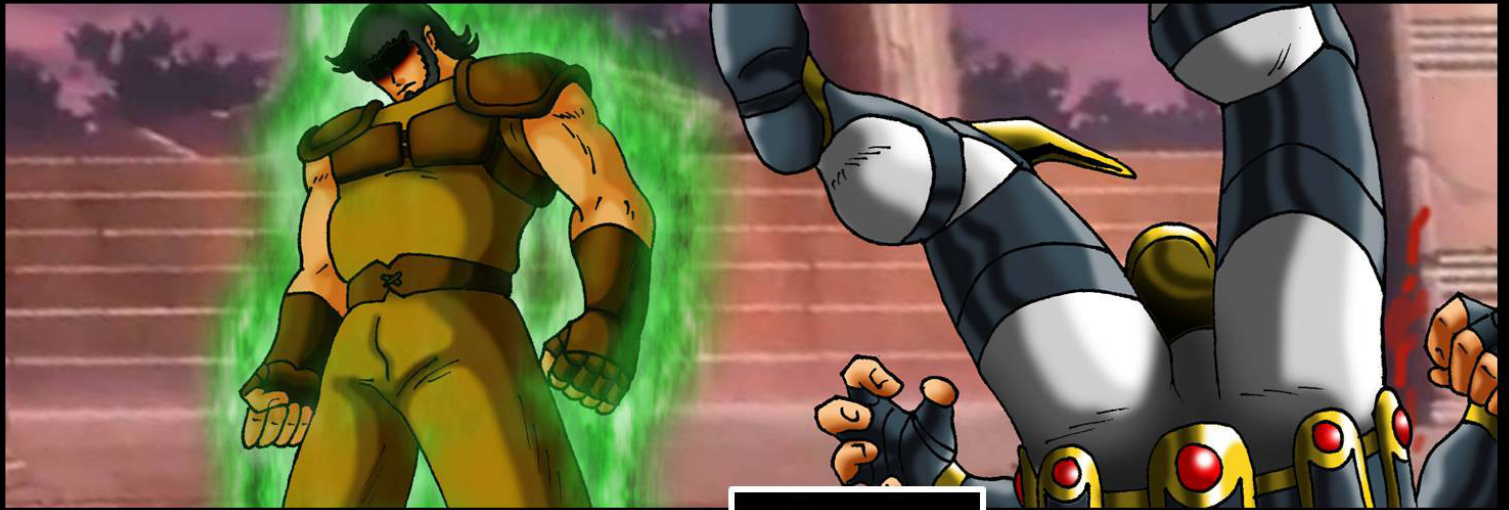

APIS'S ONSLAUGHT !!

Saile's cosmo is burning !

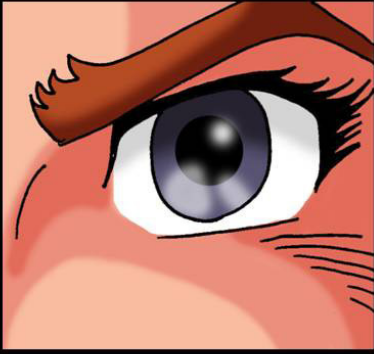

The cosmo of this common soldier is prodigious. Get rid of him!

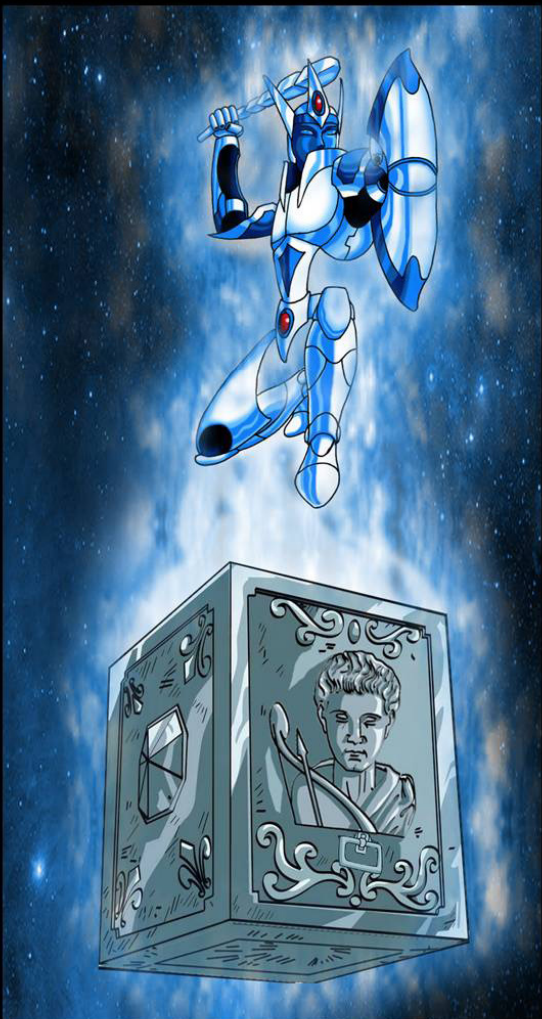

I'm prepared to die.

I'll take charge of him.

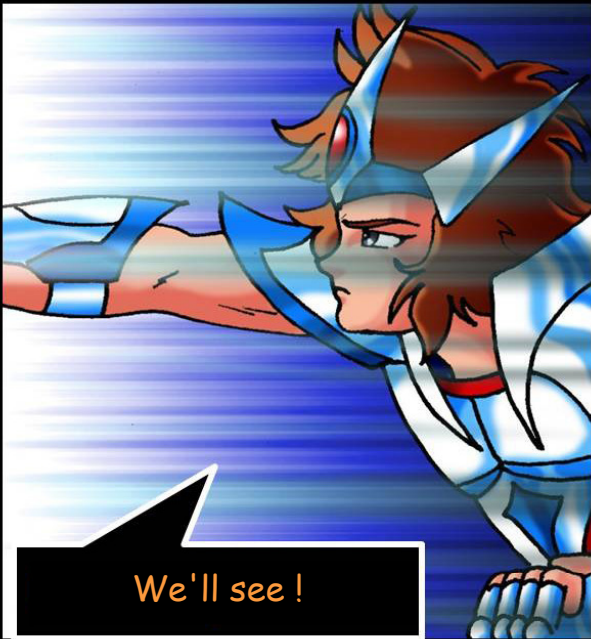

It seems I did well to back to the Sanctuary.

Me, Orion Eichi, I'll be your new opponent.

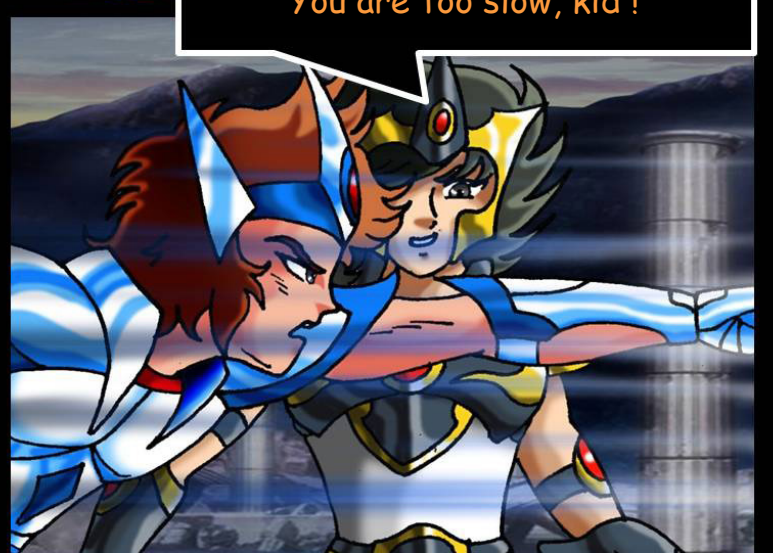

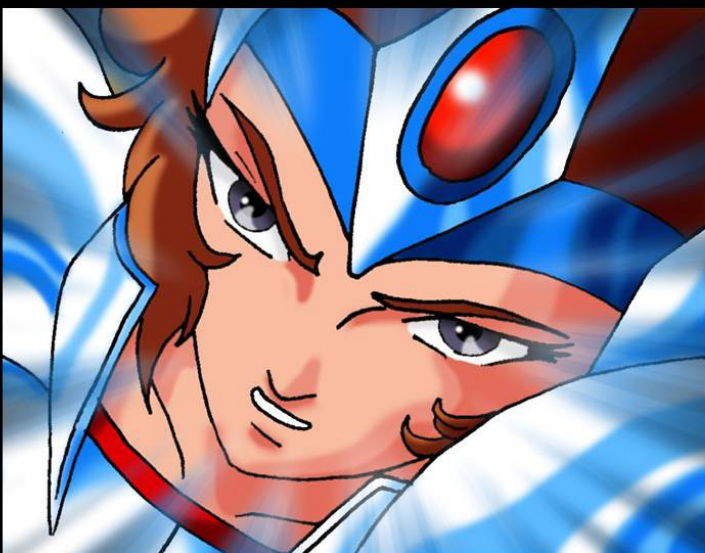

Ha ha ha, doesn't make me laugh, your end will be the same as the one of these soldiers!

We'll see!

You are too slow, kid!

You are really naive to believe you can fight alone against all of us.

What makes you think he is alone ?

Rightly when I was starting getting bored.

We are losing control...

CUTTING DANCE !!

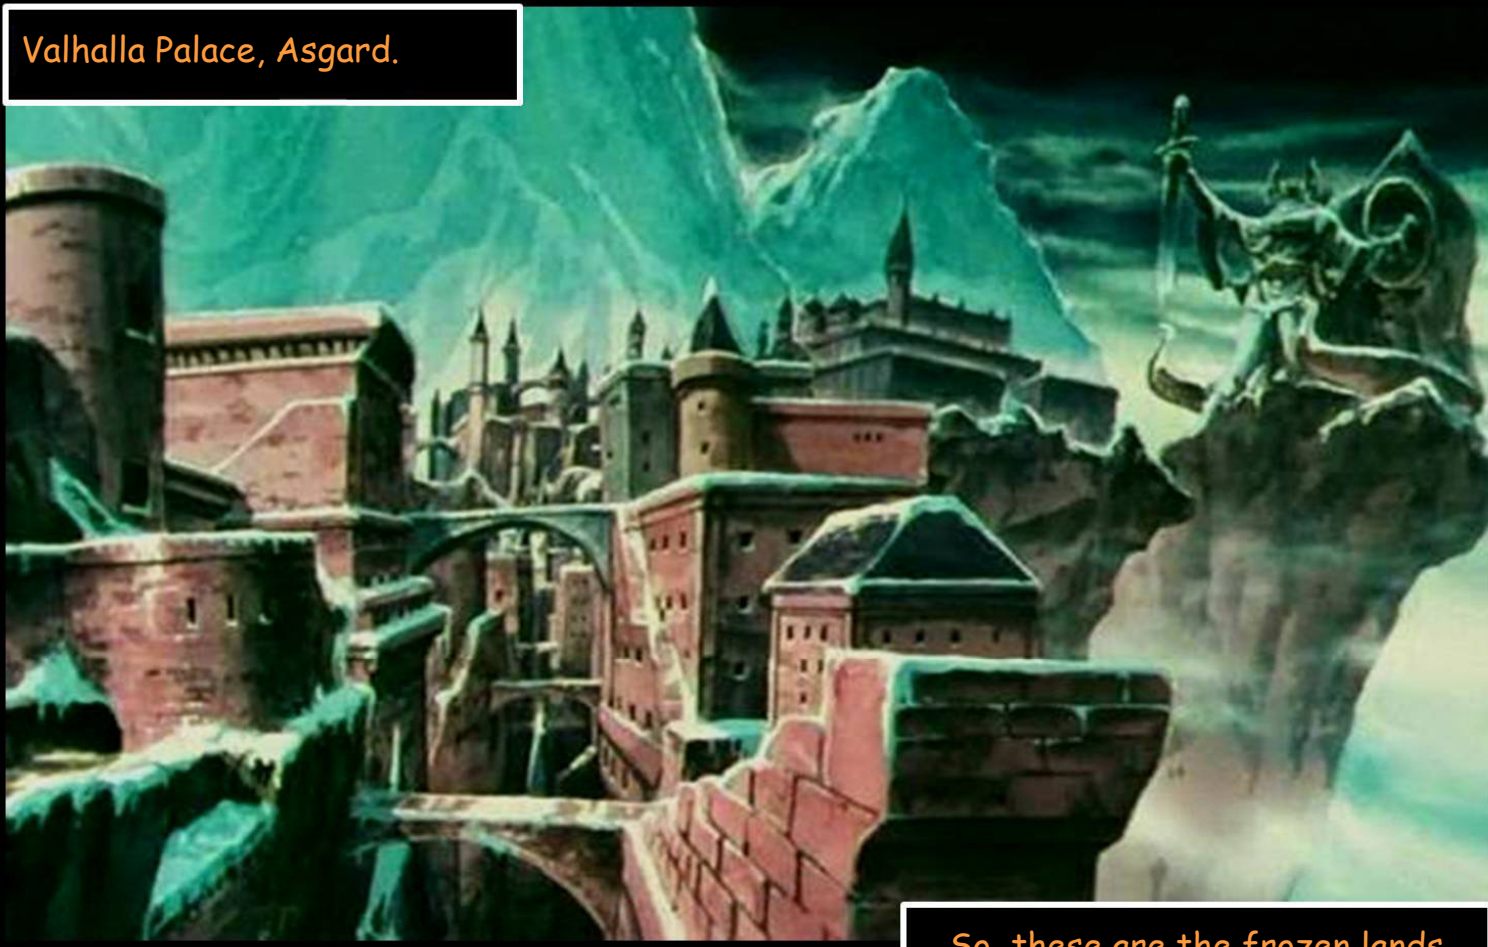

I see you've improved your technics, Isaura.

Thanks Alnair.

Valhalla Palace, Asgard.

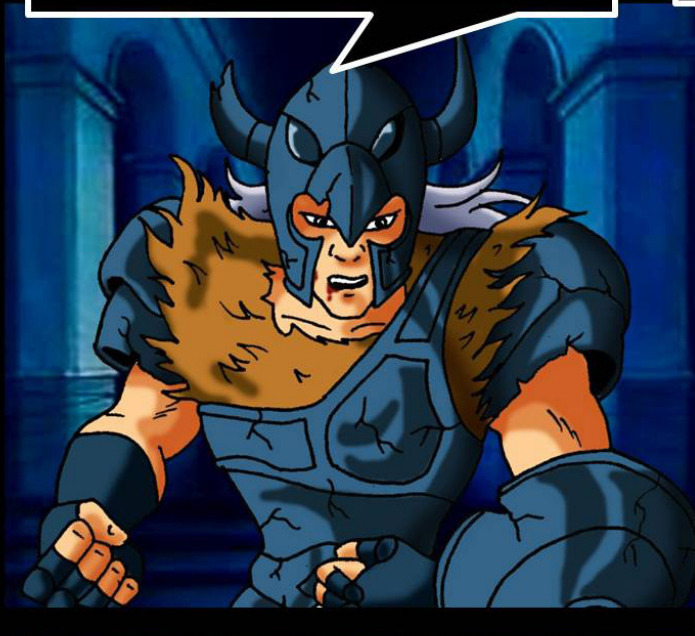

So, these are the frozen lands of Asgard kingdom.

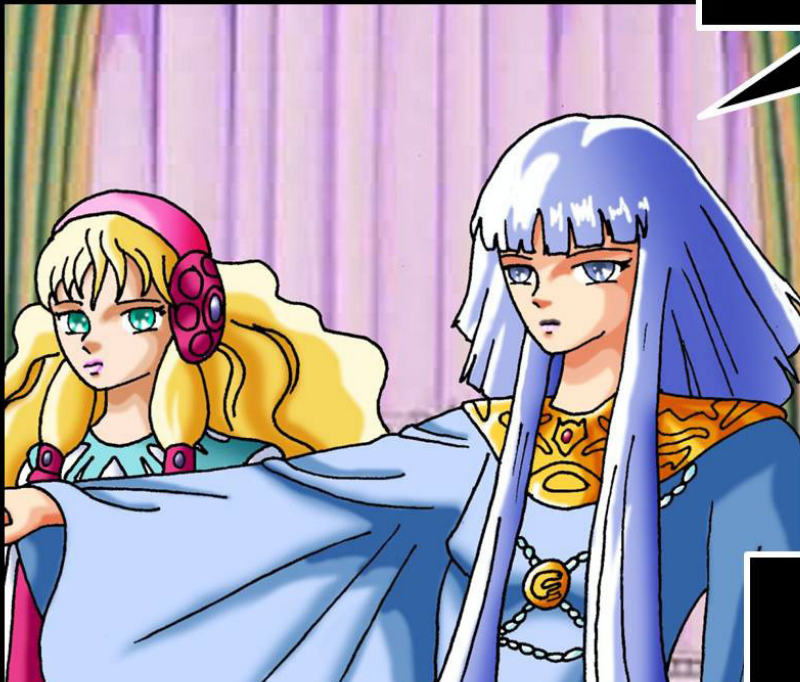

I'm sorry miss Hilda,
we can't stop them.

What...?

Who are you to dare to disturb
these holy lands ?

I suppose you are Hilda of Polaris,
Odin's priestess.

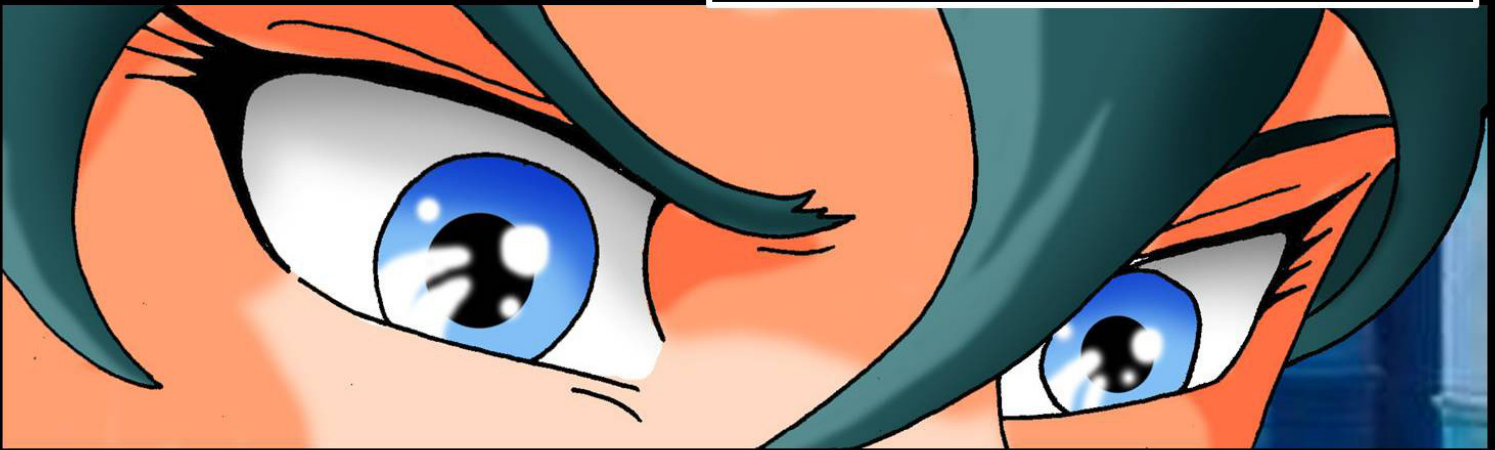

We have crossed a great distance only for your head !

BLACK SAND'S RAIN !!

Whaaa... ! Mmmmyyy... mmmmy arm...
my arm is frozen...

Not only my arm, all my body is being frozen !

Miss Hilda, miss Flame, excuse me for being late.

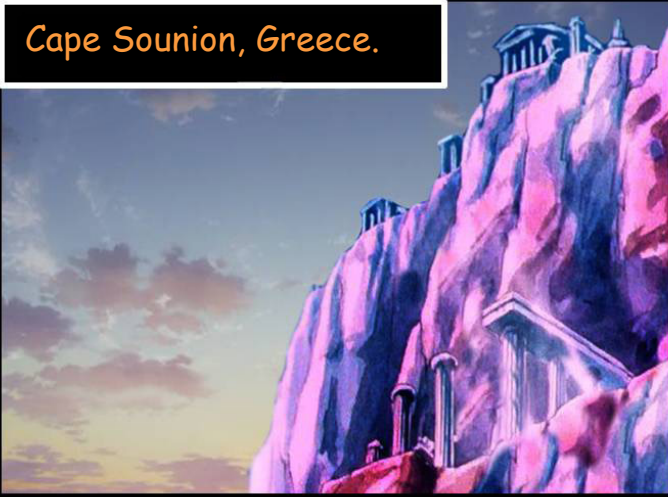

You'll be the next to die!

SHADOW VIKING TIGER CLAW !!

Cape Sounion, Greece.

My lord, I believe that we should move back from this place as soon as possible.

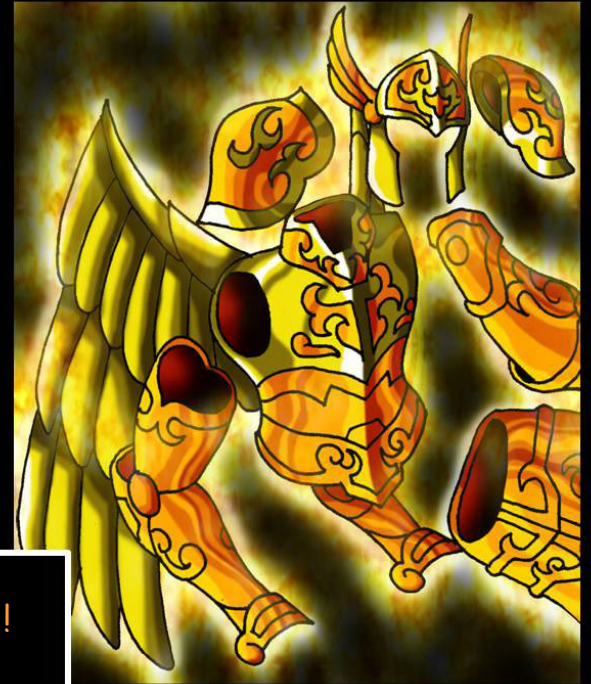

It's already too late.

Here is the reincarnation of Poseidon at that epoch.

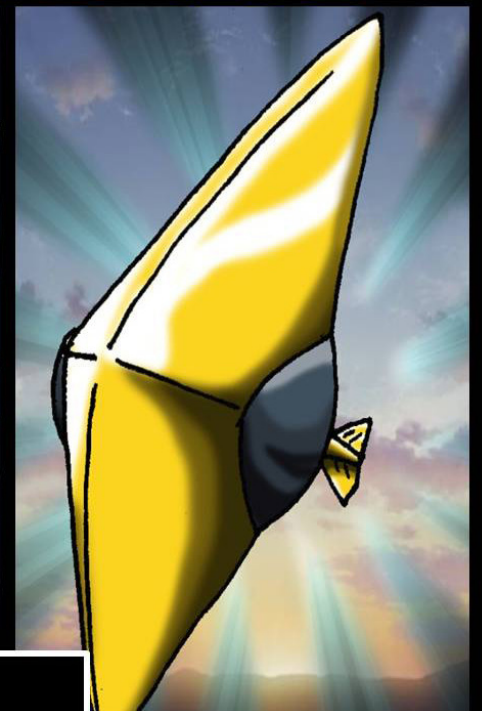

Loot at this place because this is the last you'll see !

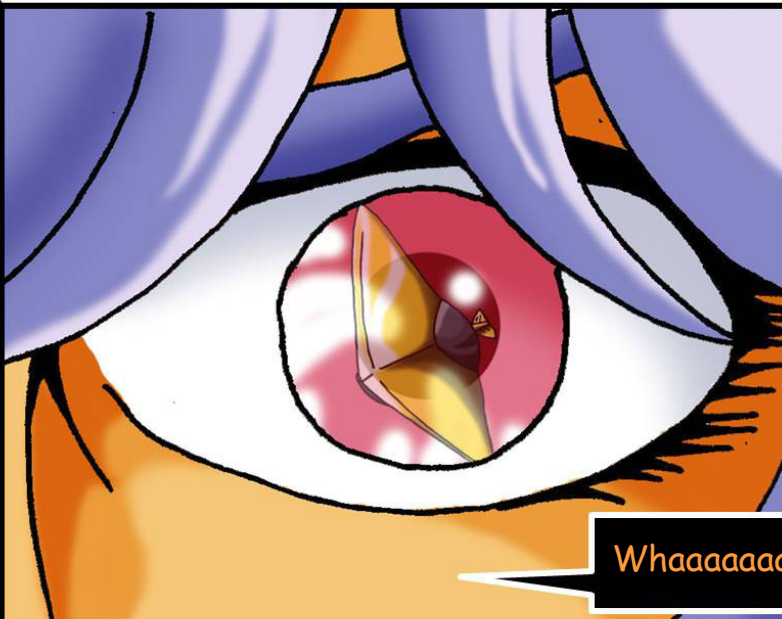

DEAD END SYMPHONY !!

Noooooo, it's unbearable, my head is going to explode !

Whaaaaaaaaaat !

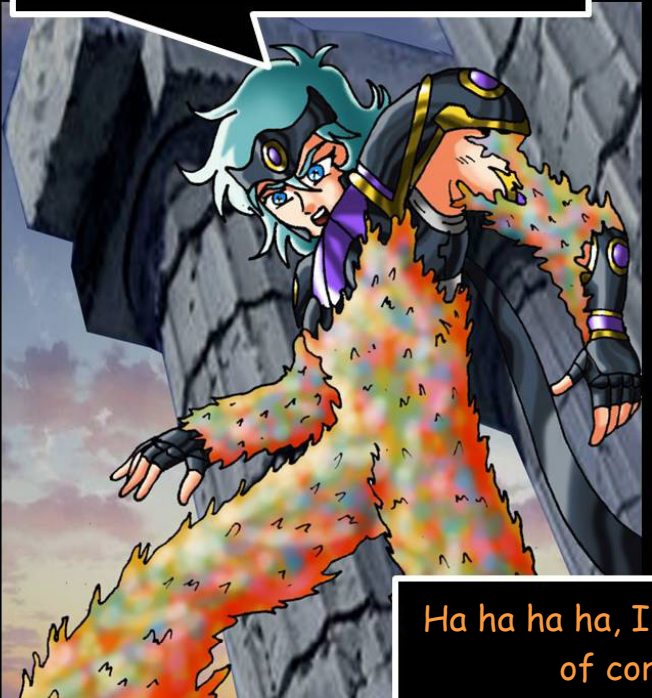

I had not felt his presence until now.

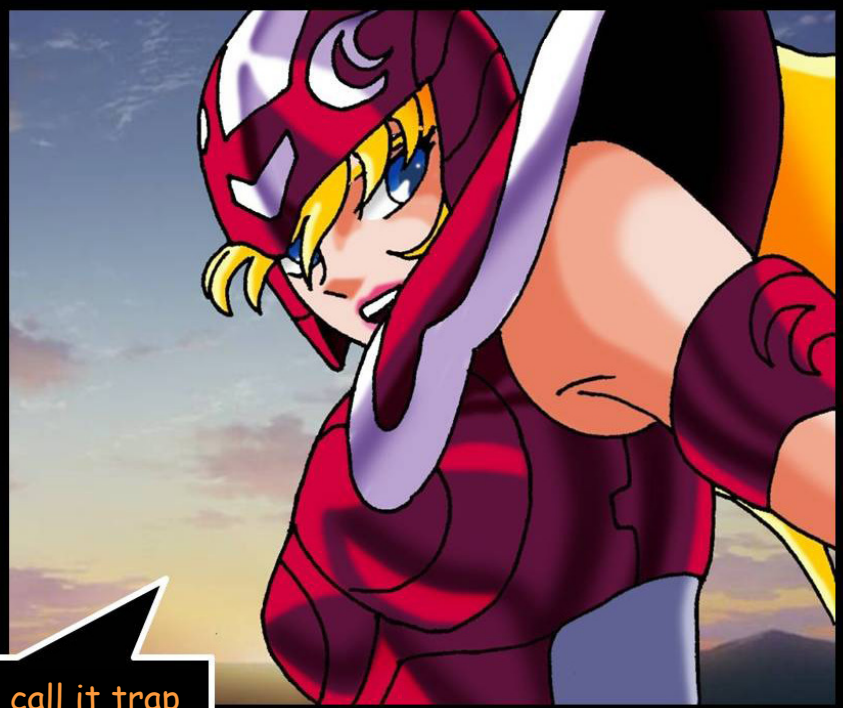

My next arrow will go to your heart !

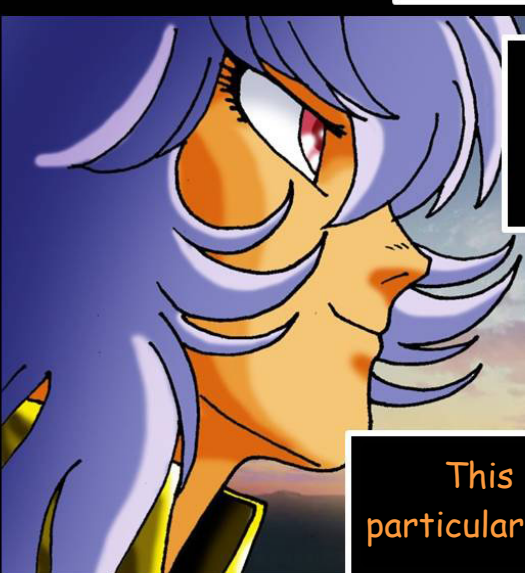

What is this thing that covers my body ? Nooooooo !

Ha ha ha ha, I call it trap of coral.

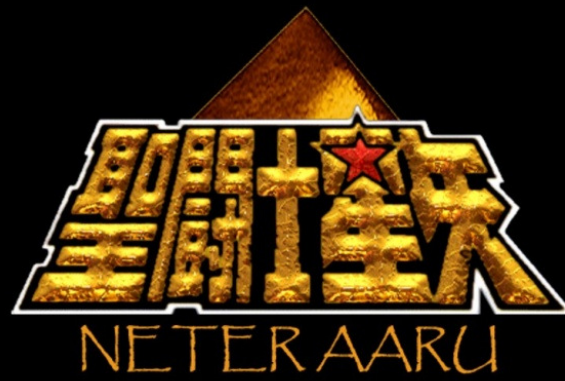

We have now a new decoration for the temple underwater !

This one is not particularly to my taste.

Chapter 12

Invasion
