

Gods gave me an unexpected opportunity, you will never be awake. Instead, I'll use your incalculable powers to appease my ambition. You can sleep soundly as long as you want. The body of this young man will be your new prison and, like a puppet, I will use him to reach my goal... And finally, the entire planet will be mine ! I will have no difficulty in directing Neter Aaru ; thanks to them, I'll be able to defeat Athena and nothing and no one can stop me.

I'll no longer be a shadow now.

95 years locked up in this pyramid ...

After all these years forced  
to serve gods...

I will finally become one of them !  
With the Athena's shield,  
I'll be able to release Osiris' soul  
and transfer all his powers  
in canopic jars.

Hootashnarab oos Veesloo.

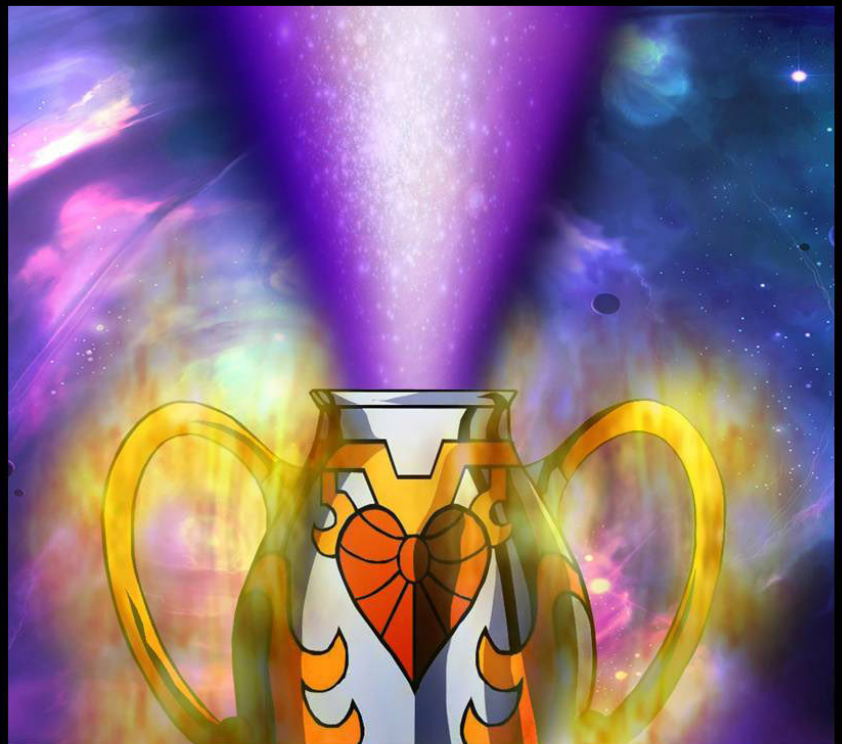

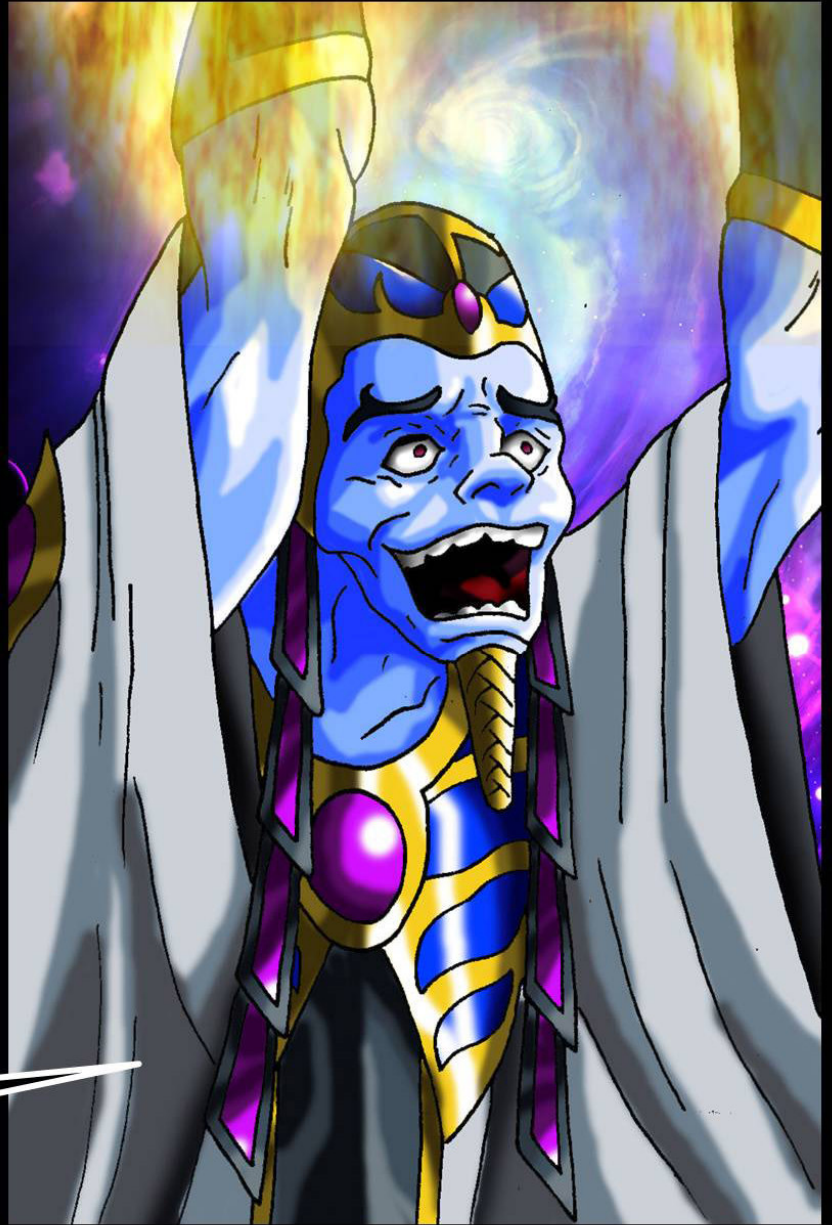

Ahm kum Ra. Ahm kum Dei.

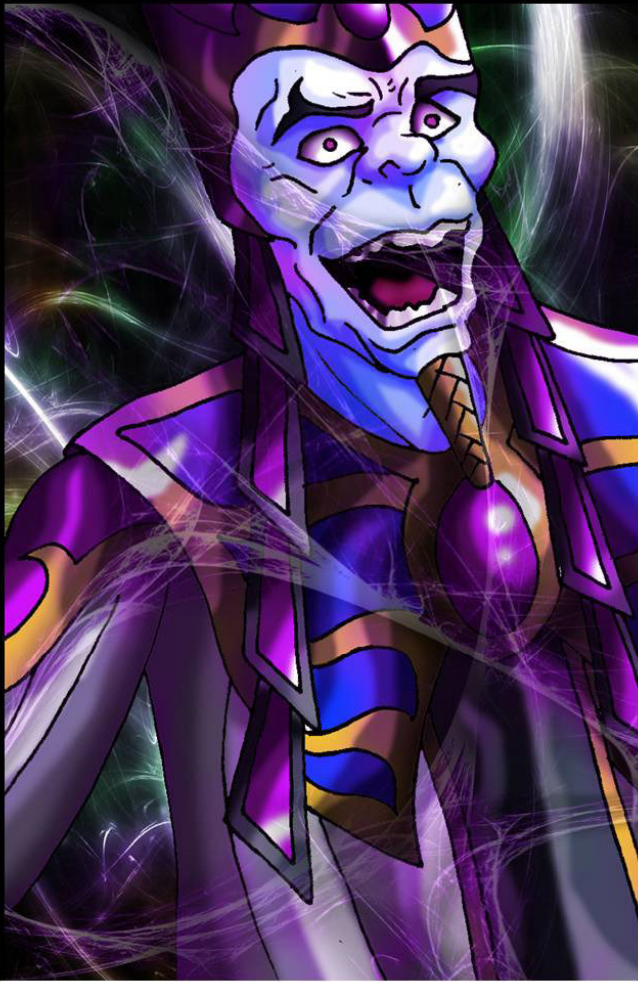

EfdayShokran Ahmenophus.

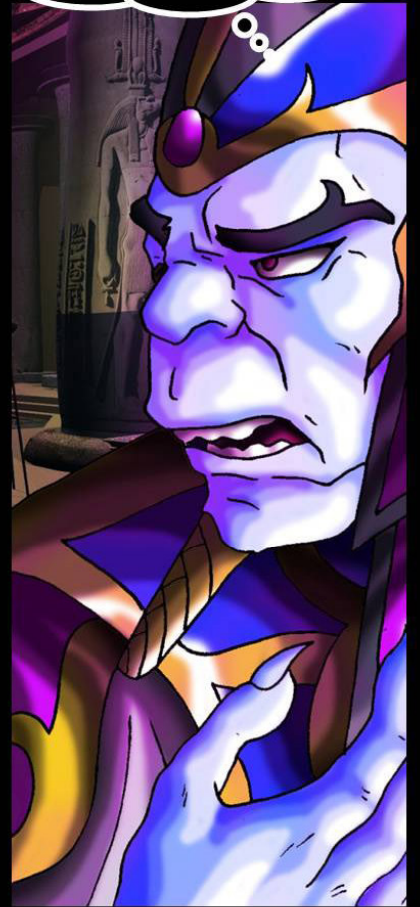

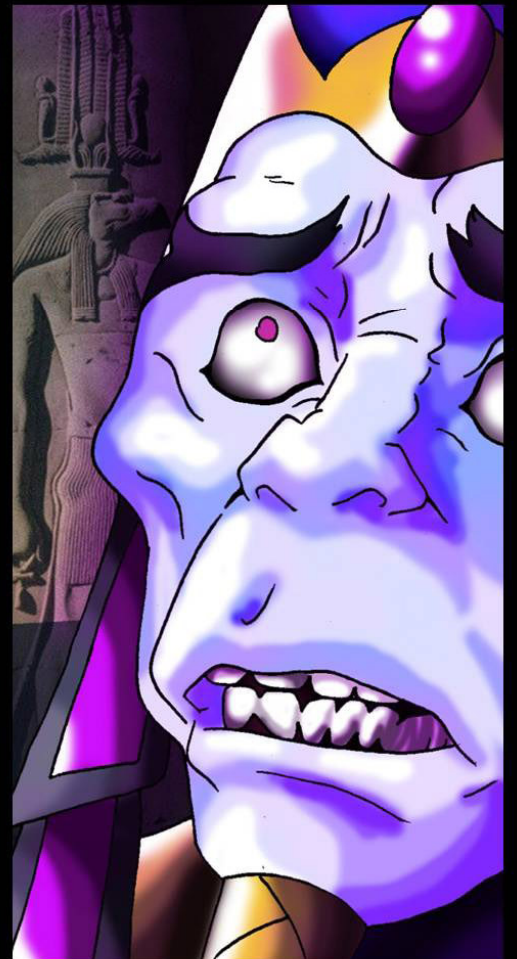

Someone is coming...

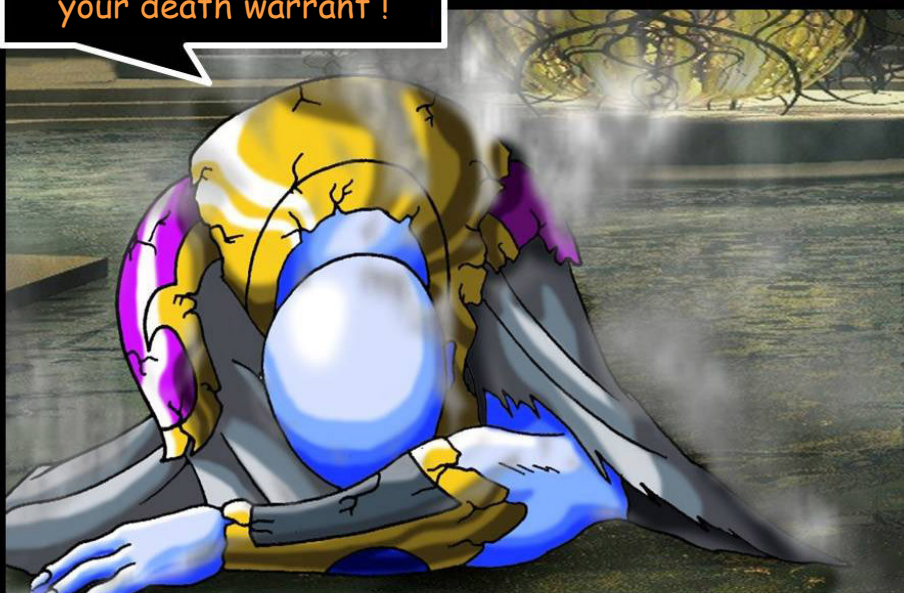

You'll not come out so easily !

You have just signed  
your death warrant !

You have absolutely no idea  
about what you just did !!

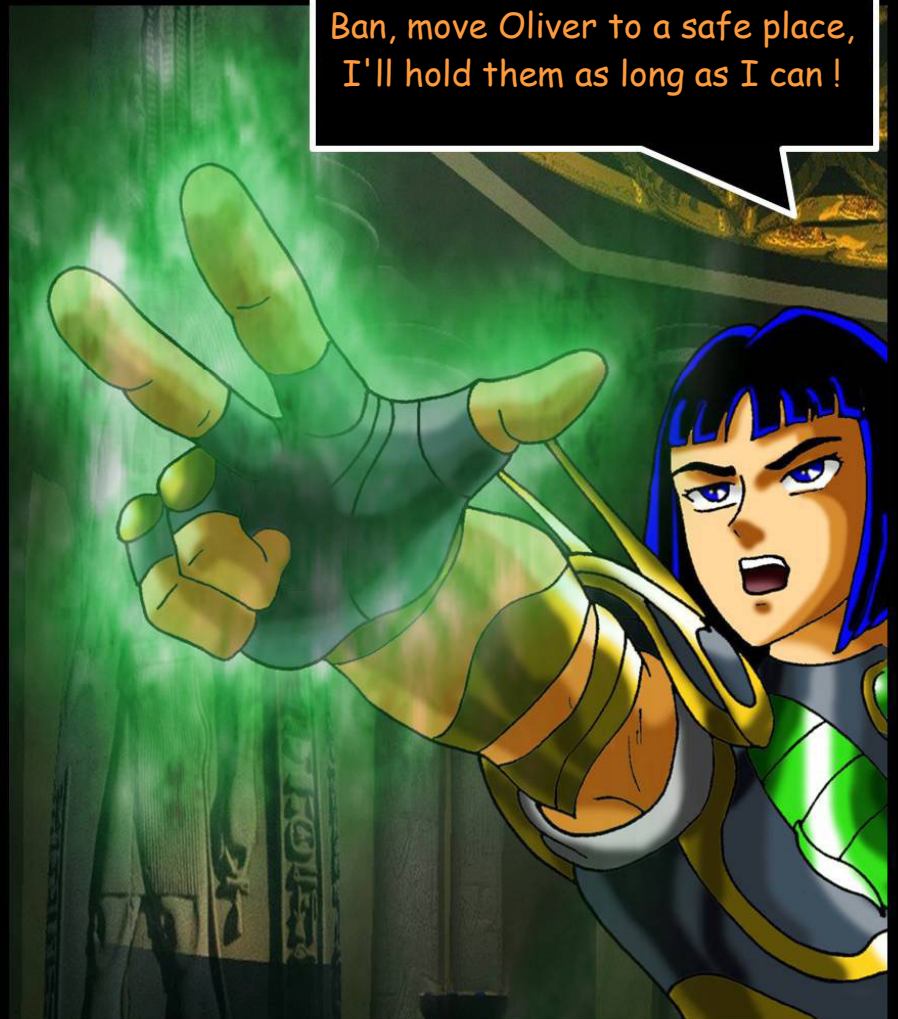

The time has come  
for my priests to  
show you their  
power !

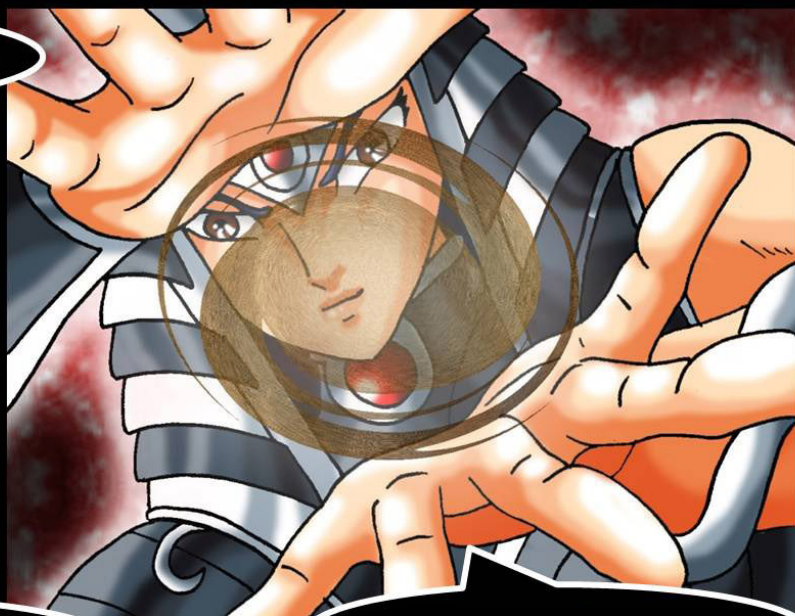

Ban, move Oliver to a safe place,  
I'll hold them as long as I can !

Their destructive power is enormous, but they are not really fast...

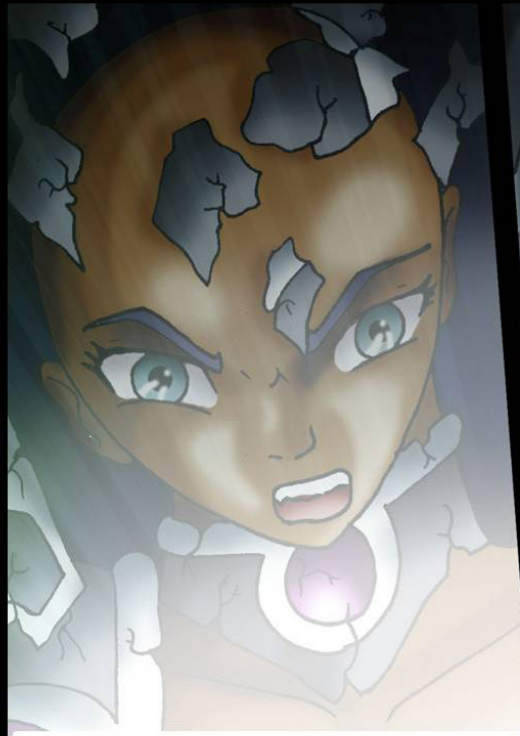

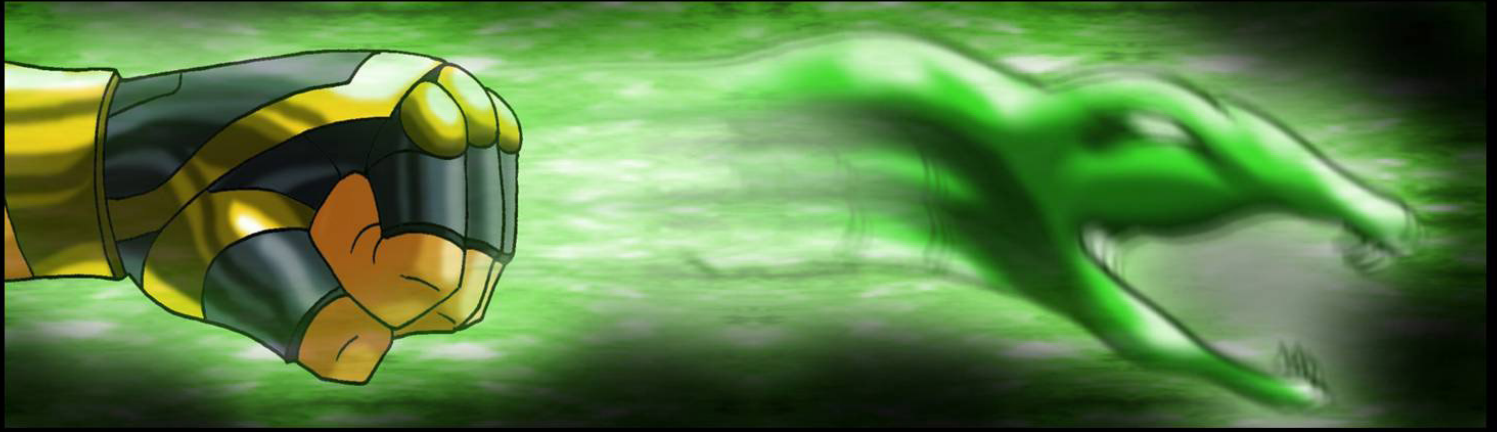

I must defeat all of them with a single attack !

**COSMIC DESTROYER !!**

I have to avoid his attack  
at all costs !

It doesn't matter, the most important for now is to discover what they want to Oliver.

Ha ha ha ha, you think to know everything but your friend was not chosen accidentally.

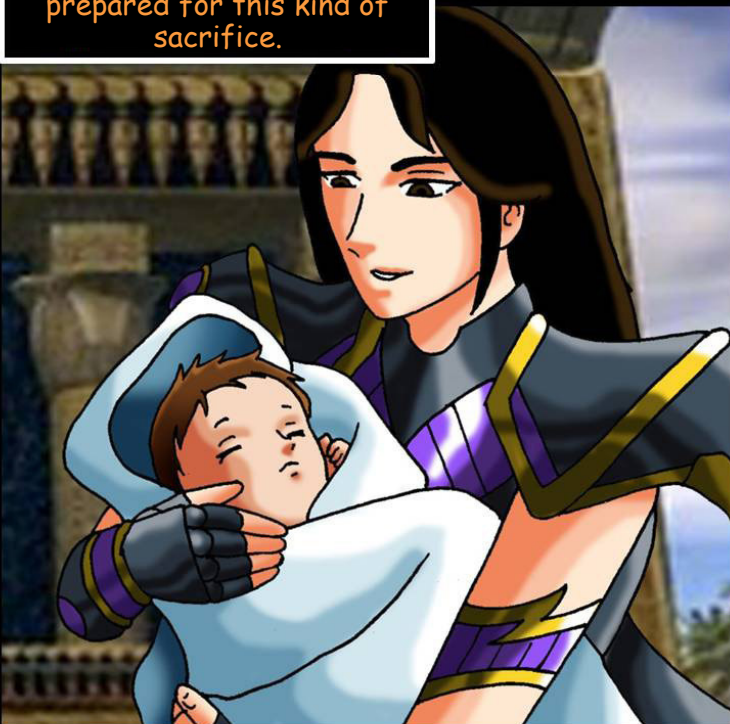

During my first meeting with Osiris, I have been blessed by him, he gave me the total domination of these lands and an eternal life, but there was a price to pay...

The price of Osiris was to use my first born as a host for his ka.

But his mother was not prepared for this kind of sacrifice.

So, she threw the child into the Nile, hoping the benevolence of gods.

A traveler rescued the child and we never heard more about them...

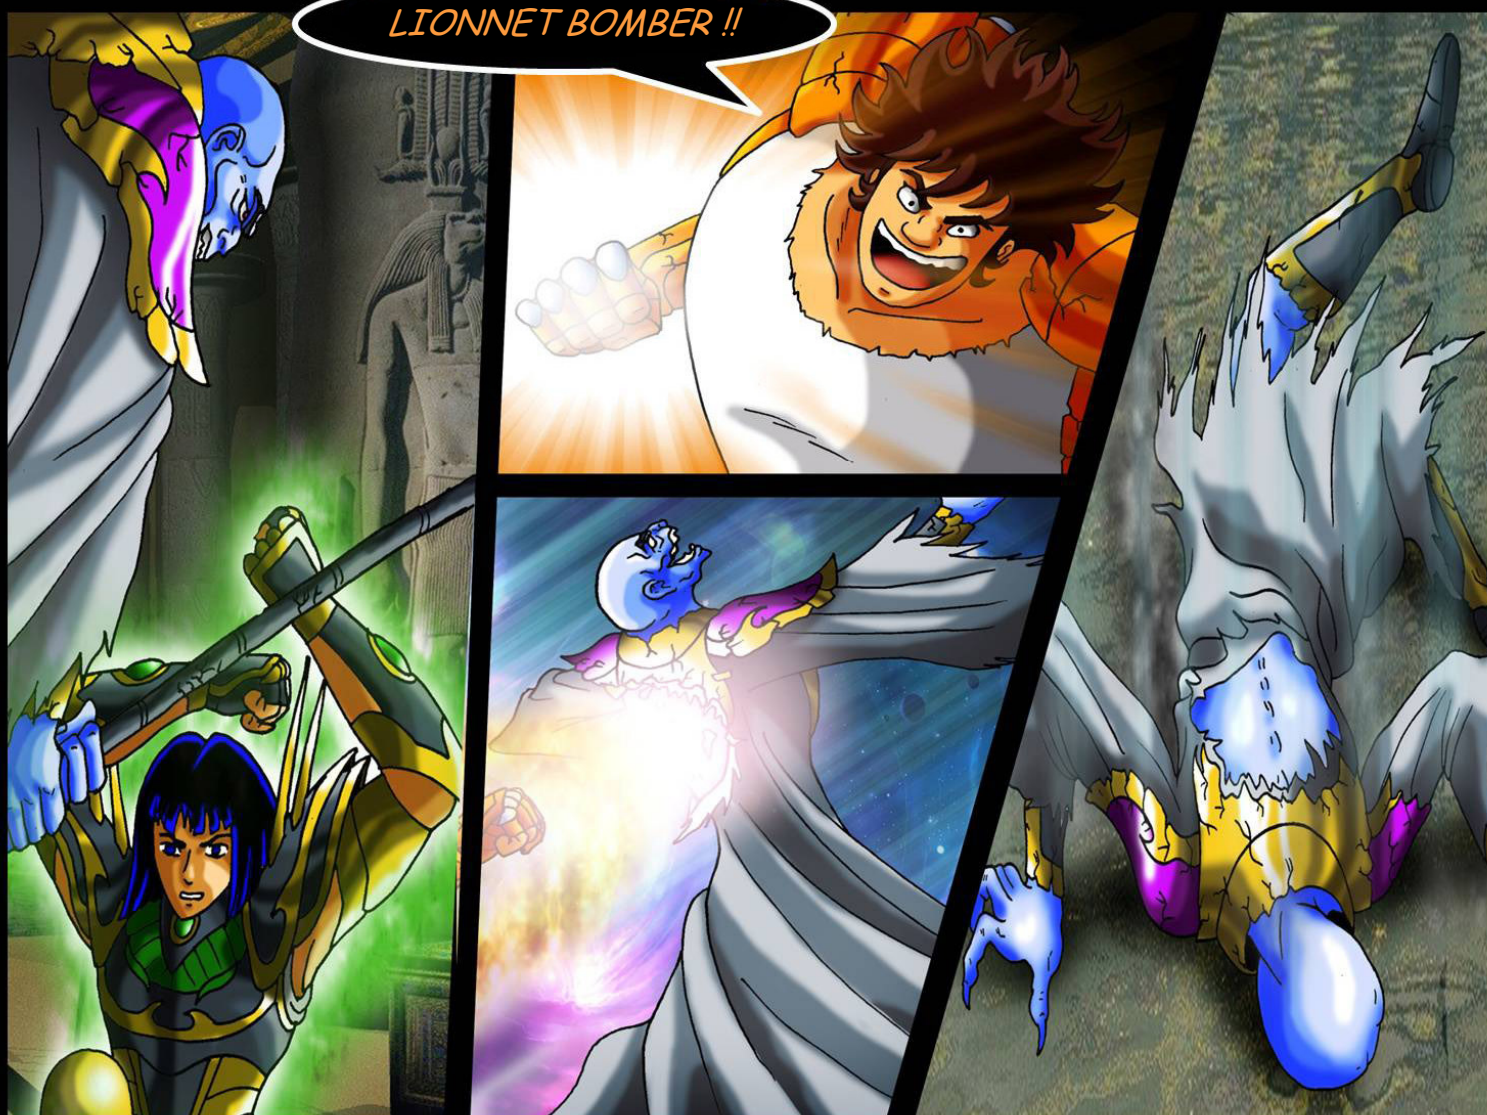

But for failing to my part of the pact, I was cursed by Osiris.

*LIONNET BOMBER !!*

During all these years, I looked for a way to use  
the power of Osiris, according to my will  
but now, nothing and no one can get it.  
The world will pay for its sins !

*SPHERES OF DARKNESS !!*

Ba... Ban, do you remember the promise  
we made one day ?...  
You will have to fulfil it for me...

When the forces of evil  
threaten the balance and  
peace of the world, we will  
appear ! By our courage and  
our will, we will overcome  
the most insurmountable  
obstacles. Whatever the  
fate will happen to one of  
us, we will always be a  
glimmer of hope for those  
who need it.
