

NETERAARU
SACRIFICE

The victory was possible with many sacrifices, so brave saints lost their lives in this horrible and pointless war. They were punished for having fought against the evil forces. I hope that their sacrifice was not in vain and all that blood spilled will safeguard the peace of this world for some time. Now the Earth is in danger again and it's to our saints duty to protect Athena and defeat evil.

Aries' temple

We are ready.

I will use my orb to transport you to Egypt.

Thresholds open now !

Do you think we were right to let the Admiral in that place ?

The admiral knows to take care himself alone, that's why he ordered us to continue our mission.

The only thing that's worrying me is this strange cosmo approaching us.

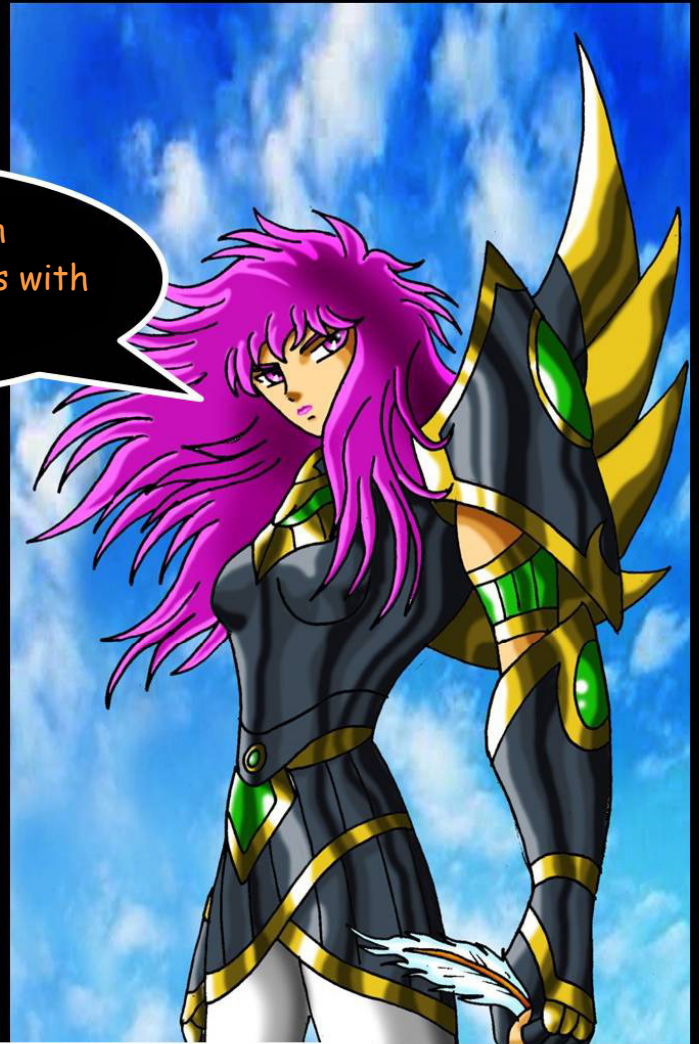

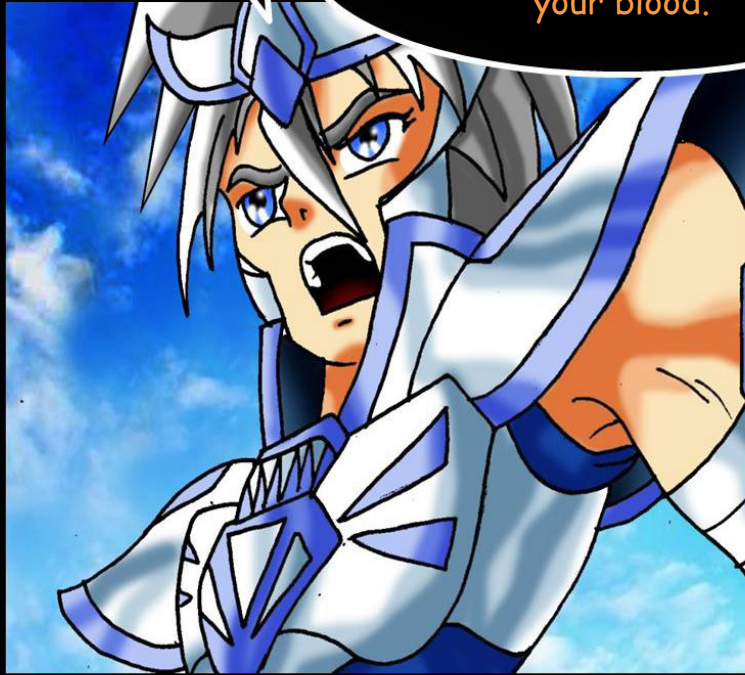

I can't find the origin of it.

It becomes more intense every minute.

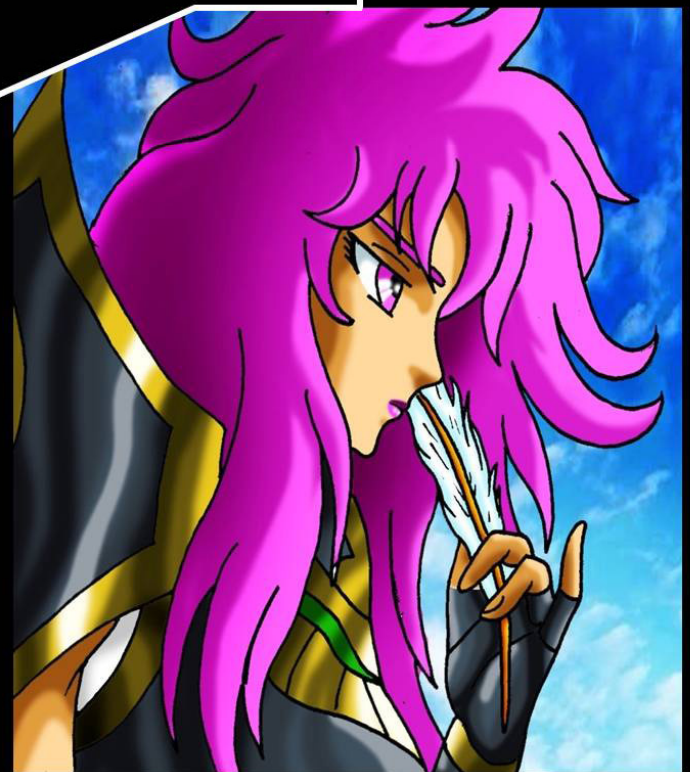

Stop hiding yourself and
show us who you are !

I'm who will tarnish
the purity of these lands with
your blood.

I'm the last person you'll see before you begin your trip
into the underworld. I'm Neart of Maat.

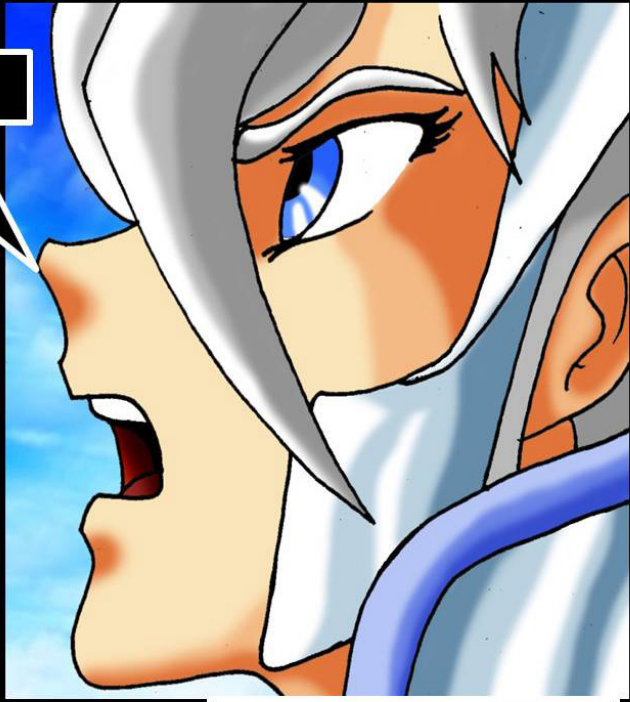

But I didn't came here to talk but to bring your heads.

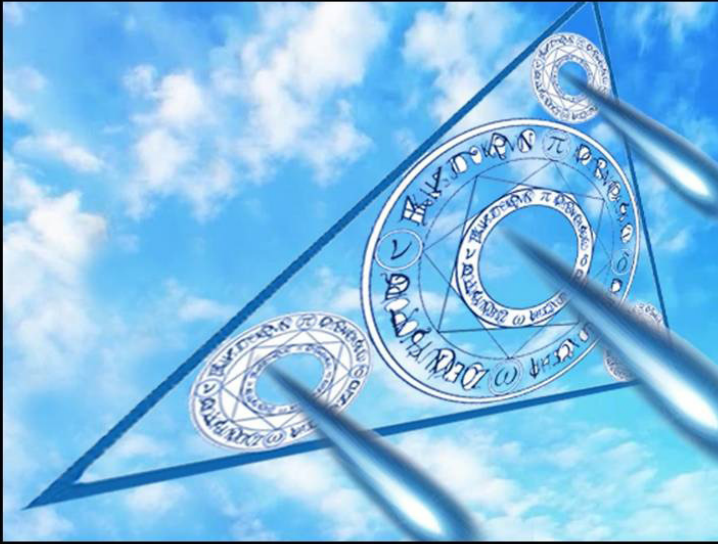

DUAT EQUILIBRIUM !!

Brigitte take cover !

PALZA SPARAGISMA !!

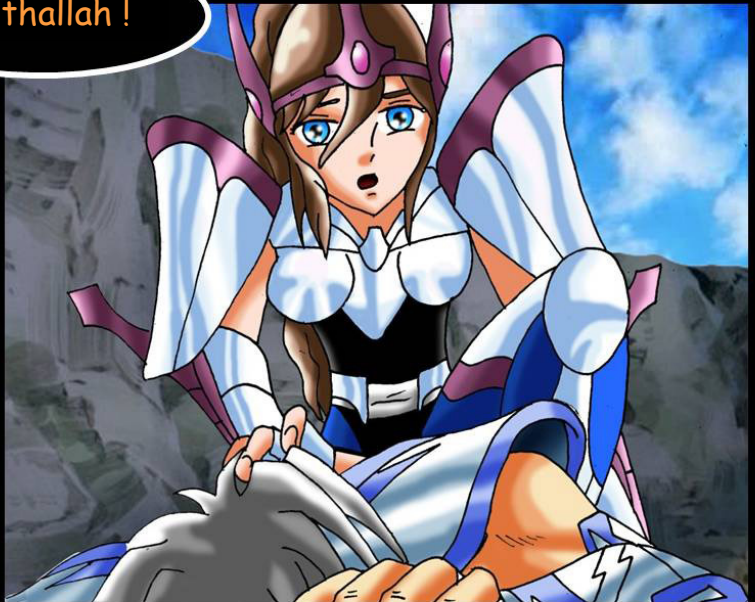

Your attacks are useless against me !

DUATEQUILIBRIUM !!

Mothallah !

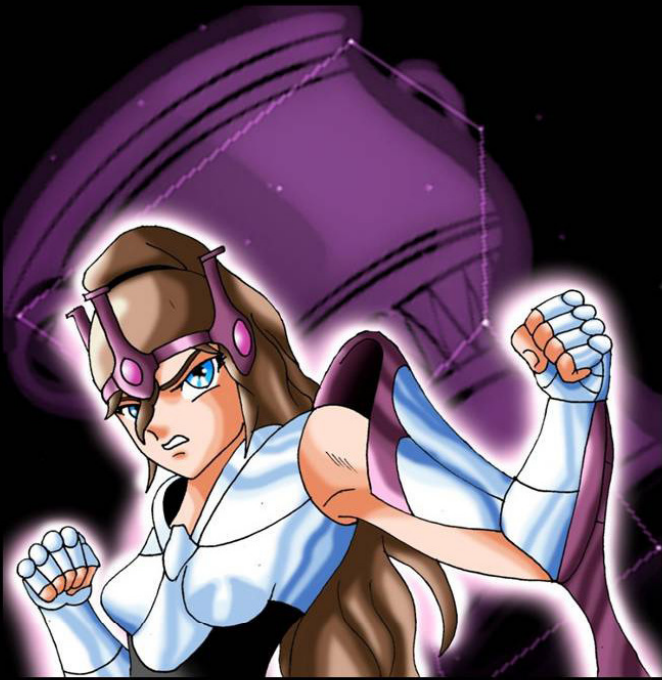

Calm down, let me handle this.

Remember that we are a team.

WHISPER OF DEATH!!

And now your heads !

Not so fast !

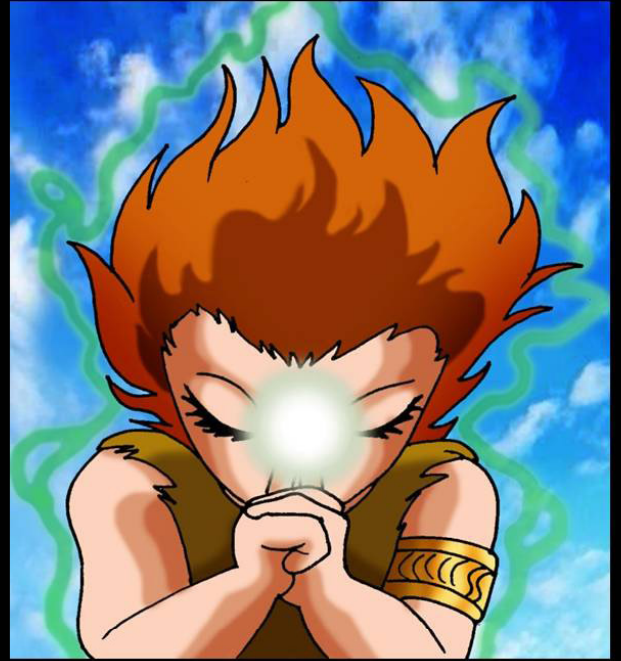

What ?

Apparently, you finally need the help of the bronze saints...

Insolent dwarf !

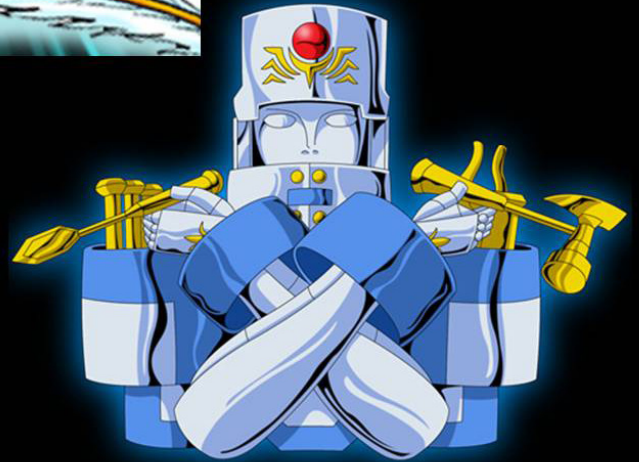

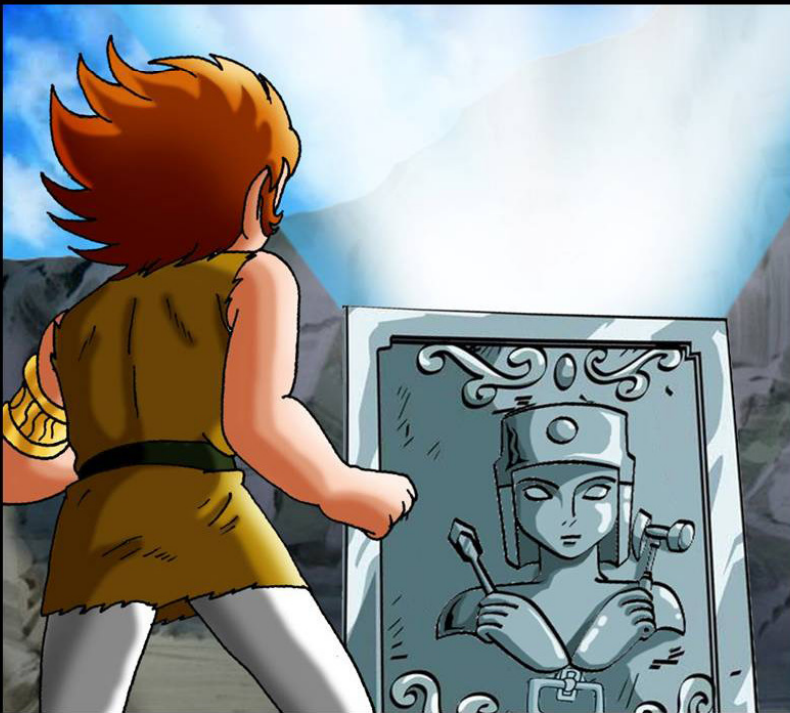

Kiki, I can't hold her for much time !

Why don't you understand that your destiny is to die by my hands ?

Jamir

Thanks
Master Mu.

Do you really think you can stop me using a bronze cloth ?

DUAT EXPLOSION !!

Kiki !

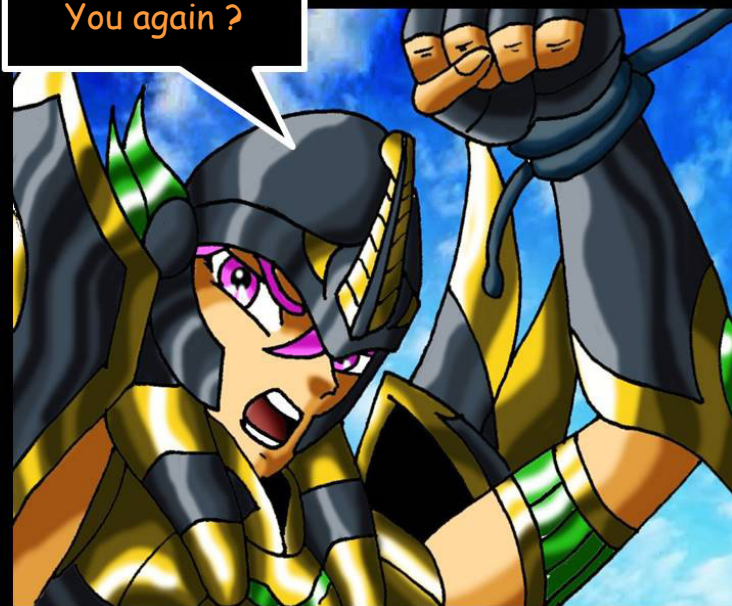

Her power is amazing!

It's my turn to attack!

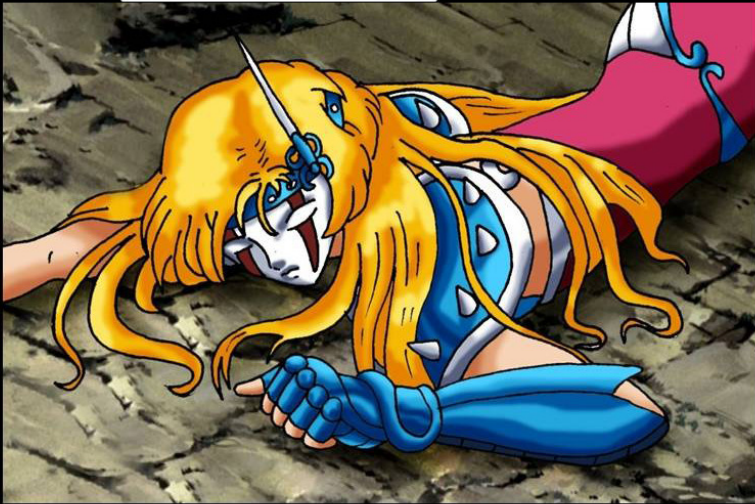

You again?

I have no choice, I'll kill you!

FINAL RAPIER !!

I really do not understand how could you defeat the other guardians...

I must seal her movements or all of us will die in this place.

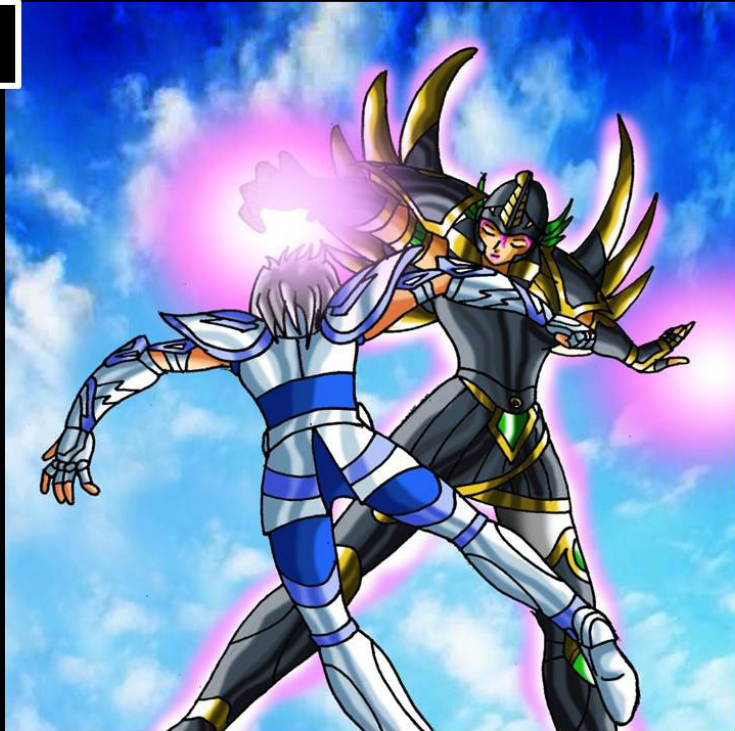

TRITOS SPARAGISMA !!

You can't stop me with that !

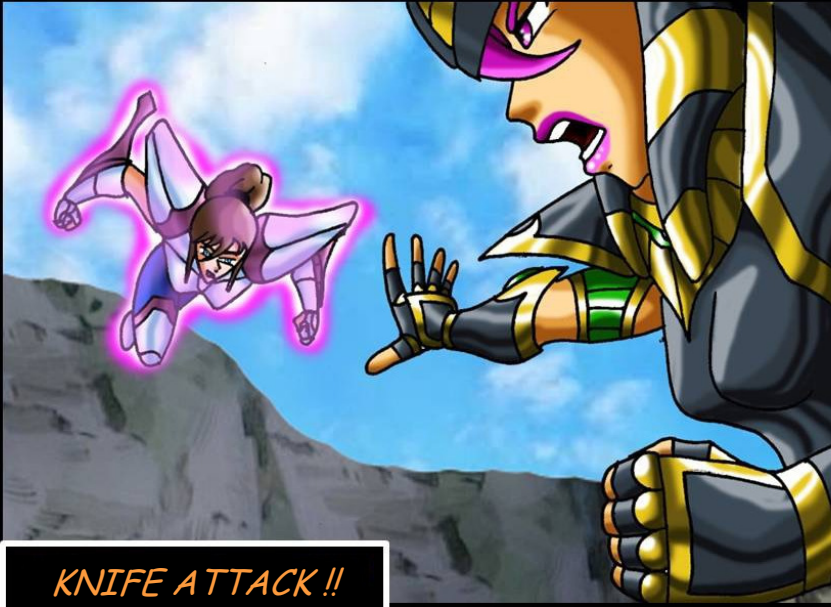

It's time to know how much weight your hearts !

Did you forget me ?

I can't understand why my body is not responding...

KNIFE ATTACK!!

It's easy, Mothallah's attack is limiting all your movements.

LIGHTNING
DISCHARGE !!

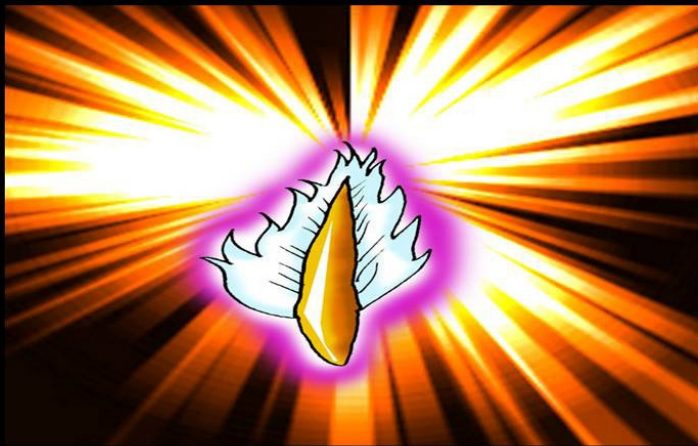

If I must die, somebody will come with me !

Take careeeeeeeeeer !!!

I must protect my friends with my life if necessary !

BERMUDES SPARAGISMA !!

You know if you continue with this craziness both will die...

Farewell Admiral. Kiki, take care of Brigitte, I leave this world to reach the sky where I'll become a star and will protect Athena forever.

Saint, I admire your courage, your faith and your fidelity to your friends is admirable.

Farewell bronze saints, I charge you to protect this world against the corrupted gods, never give up and defeat your enemies deploying all your power, brave-hearts warriors.

Good bye Mothallah.

Rest in peace my friend.

Mothallah's cosmos is extinguished!

Brigitte, we must continue...

I can see that recent events fill you of happiness.

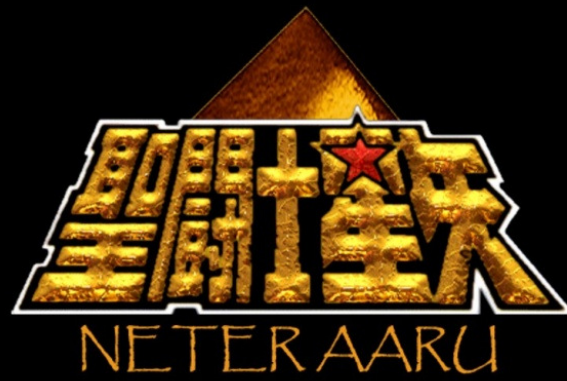

Tell me what you are preparing, maybe I can help you.

Athena's saints are getting closer each time.

Unfortunately, I haven't found a body for the ka of Osiris yet.

Chapter 5

Sacrifice
