

NETERAARU

REVENGE

Revenge is a weapon that hurts both the attacked and the person using it, that's why I don't want revenge. I only want justice, but I want to apply myself the punishment because the injury done to me, besides the injury itself, took off my dignity and humanity. And only the punishment of the guilty will bring to me the peace and let me to recover what I lost.

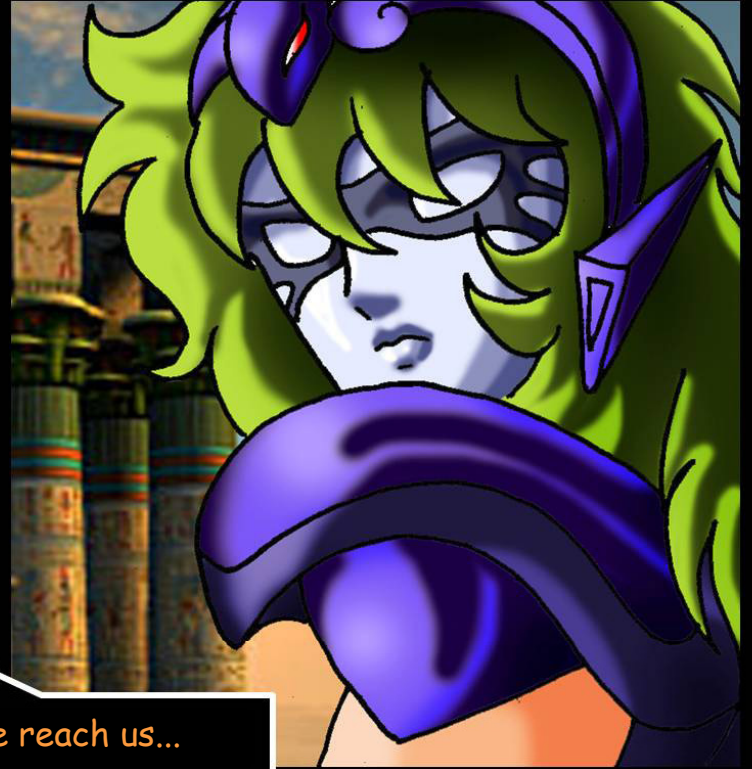

Shina, you feel the same presence as me ?

The revenge is your only motivation for fight ?

Our people have always been loyal to the god Osiris and the goddess Isis, but in their absence, the Highest Priest, became guardian of the temple. This cruel tyrant ruled our land by terror and constantly pillaged our villages.

Our village was constantly attacked by the Highest Priest's Meshas. I tried to stop them but I don't was able to do it.

When everything seemed lost, Hatshepsut, appeared from nowhere and, alone, fought and defeated all Highest Priest's Meshas.

Mesha : Elite soldier of the ancient Egypt

After that day, I asked her to train me to become a warrior !

But despite all my efforts, I always lived under her shadow, until we were both chosen by the goddess Isis.

my revenge. Now,  
we will be together  
in the Duat.

Osiris Temple

Do you think this temple is the right ?

By the incredible cosmos concentrated inside the temple, I think that here is the Athena's shield.

Something is approaching with a very high speed !
