

ATLANTIS

SAINT SEIYA SERIES
FATE

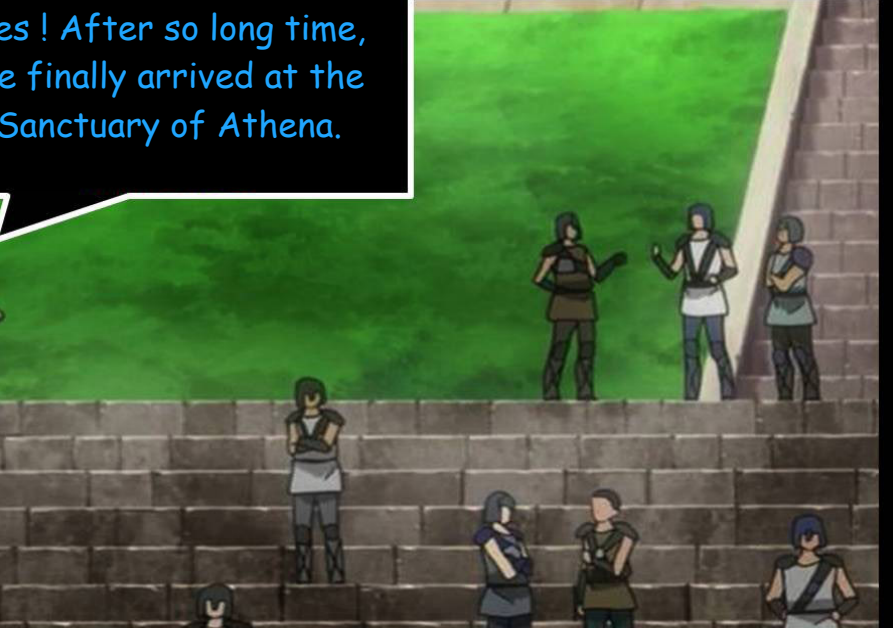

1984. Sanctuary of Athena. It is located around Athens, beyond Rodorio village and remains safe from prying eyes since mythological times thanks to the Athena's power and her representative on Earth, the Grand Pope. Every two generations, young people from all latitudes of the globe come here to become protectors of the Goddess...

Here we are,
little brother.

Yes! After so long time,
we finally arrived at the
Sanctuary of Athena.

You two, follow me !

You must train with Sirius,
he will be your teacher.

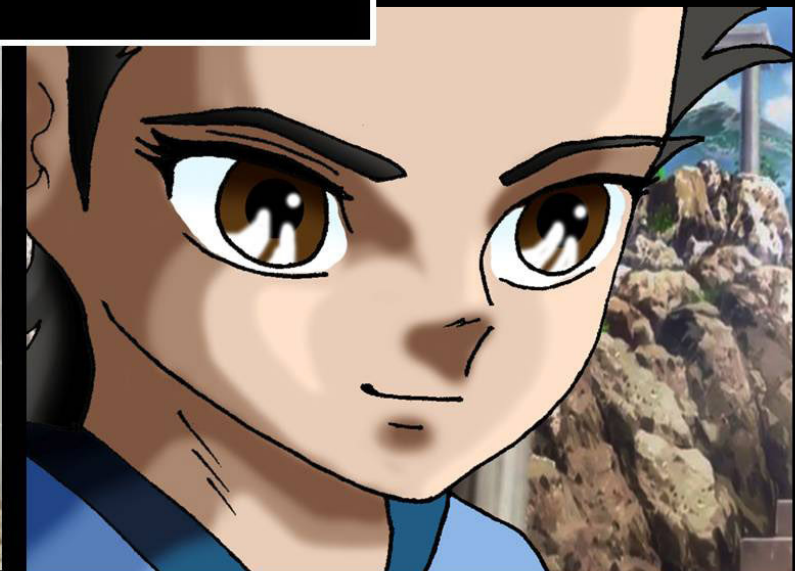

Are you the new recruits ?

We will be the most powerful saints of Athena !

They send us people more and more young...

This is my little brother Briteus and I'm Onairos.

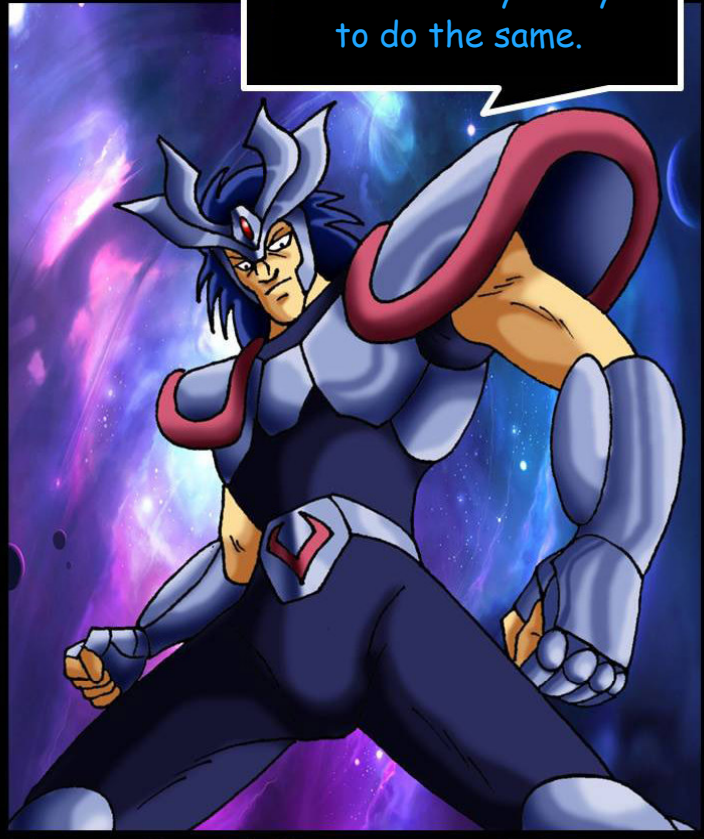

Look at me carefully !

Now I want you try to do the same.

Smash this rock ?
You're kidding Master.

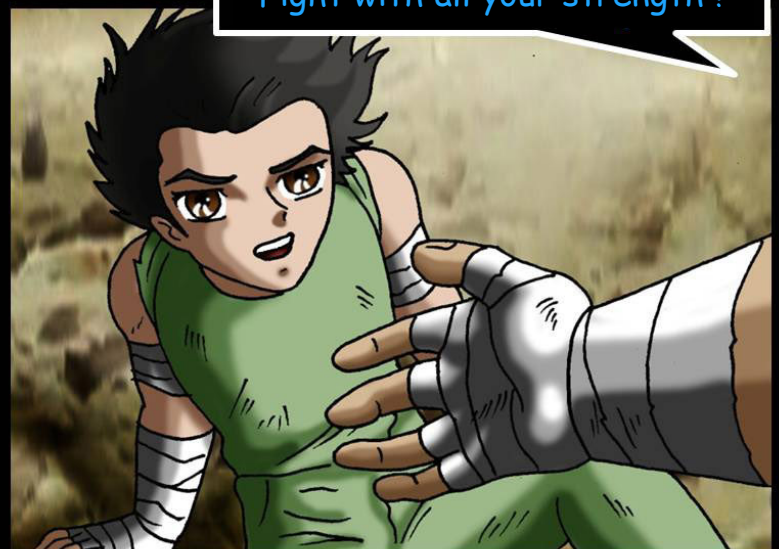

I'll go in first!

Some months later...

Fight with all your strength!

Six years later.

Well, little brother, I think we have sufficiently trained for today.

You both made great progresses during these last six years. However, only one of you will become a saint.

At the top of the cliff of Cape Sounion, there are ruins where lies the Canis minor cloth.

But only one of you will be allowed to wear this holy cloth.

I'm sorry that it ends like that little brother... but as I promised to our mother before she died, once I'll be a saint, I'll protect you no matter what happens.

Ha ha ha! You're really sure to be able to win!

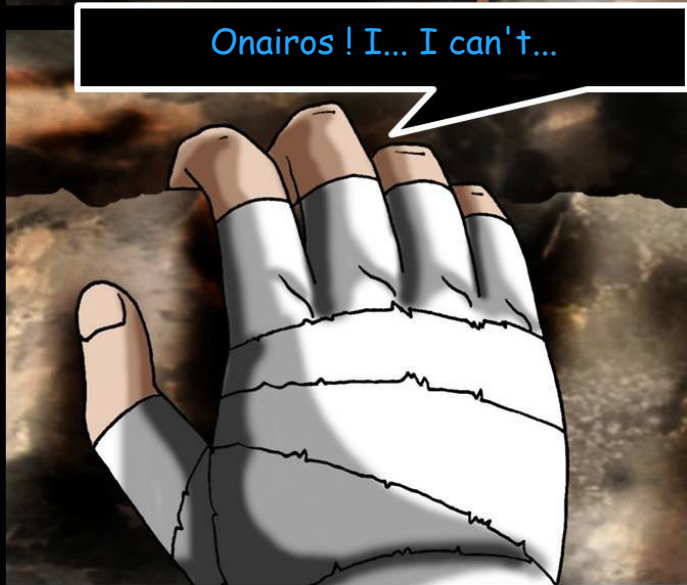

Cape Sounion, Greece.

I can't lose... not against my little brother.

Onairos! I... I can't...

Bear up... Give me your hand!

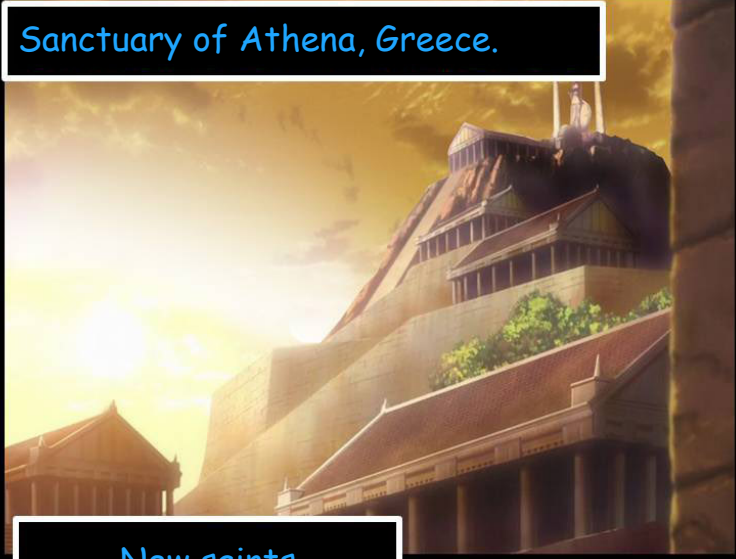

I can't, brother...

BRITEUUUUS!

Sanctuary of Athena, Greece.

New saints
are arrived.

Let them enter.

Corona, Orion,
Delphinus and Apus,
come in...

The disciple of Sirius didn't present.

And why are you waiting to look for him ?

Cape Sounion, Greece.

I'm so sorry,
little brother...

Since the first day, I always
thought Briteus will become a
saint.

But I never thought you could
be able to do so much to be
chosen.

Sorry for Briteus... Now, wear your cloth
and returns to the Sanctuary.

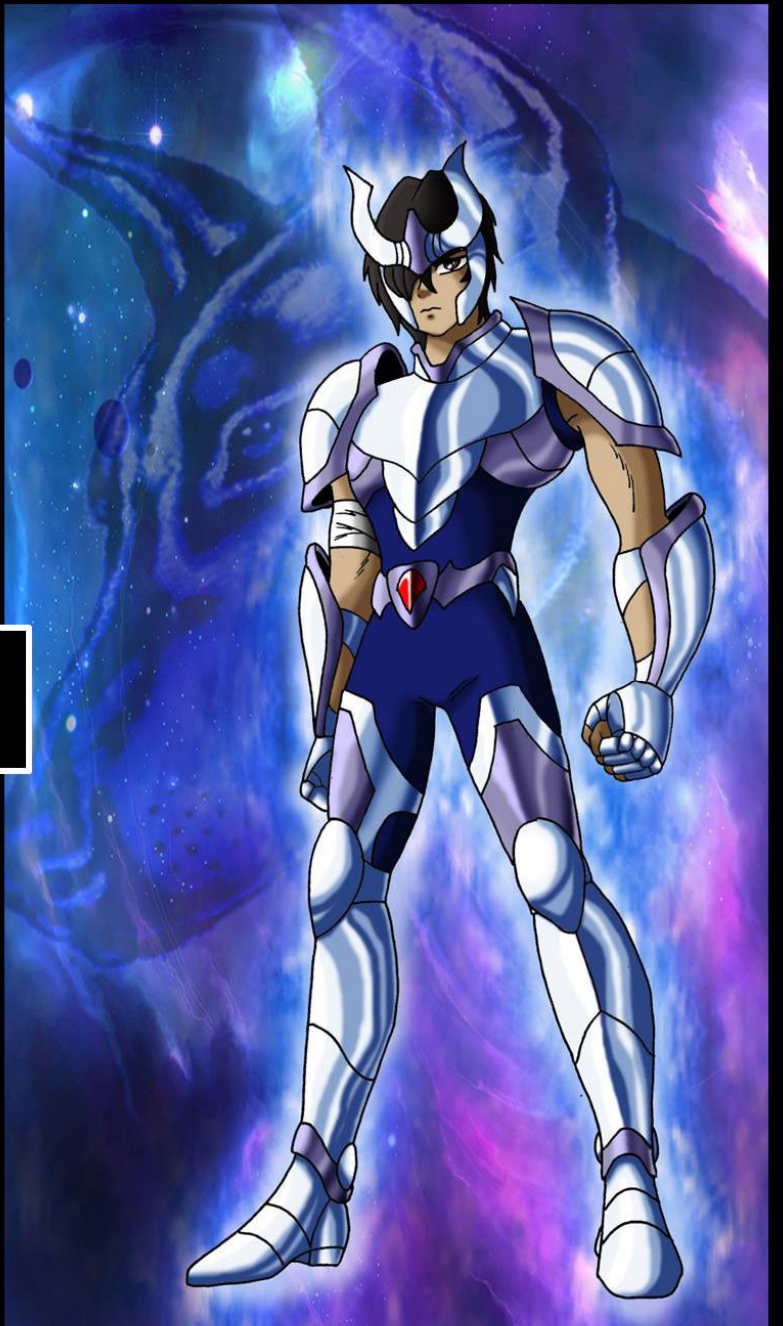

What ??... But
Master, I have not...

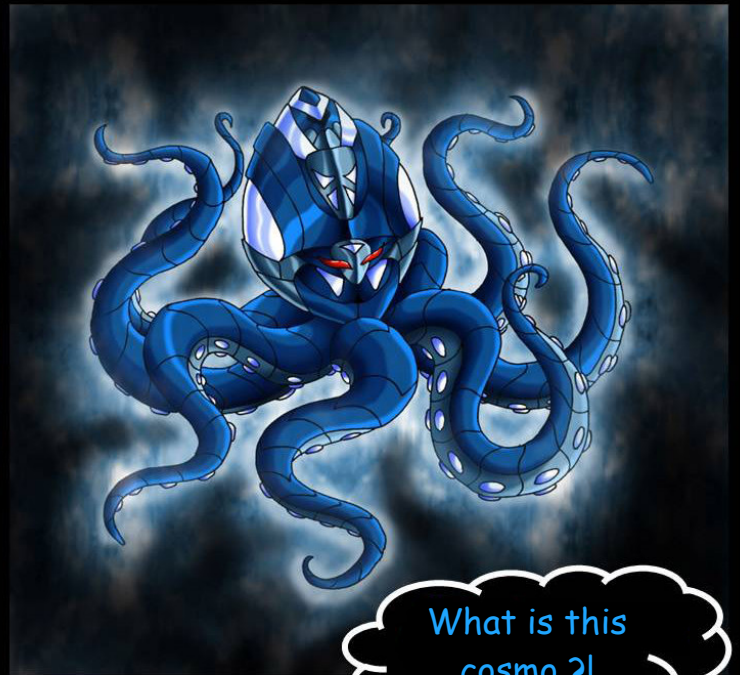

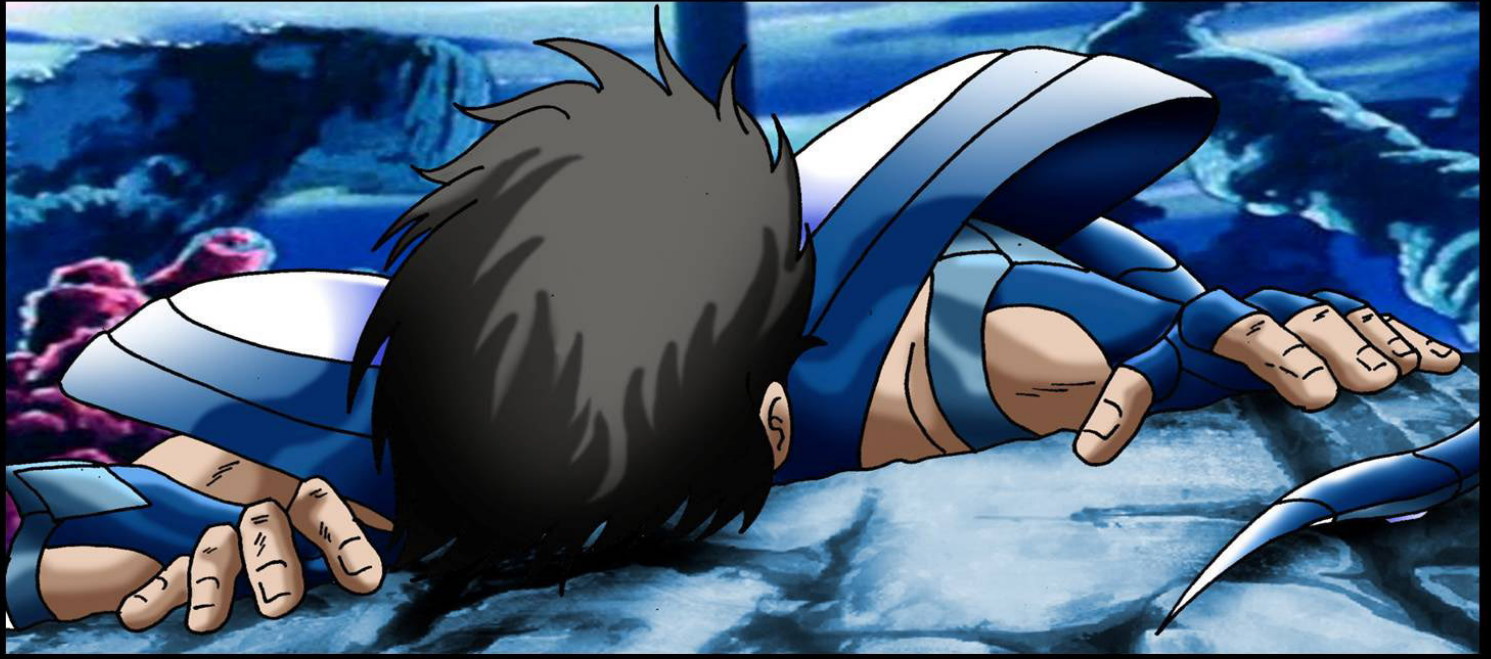

I don't know even if I'm worthy to wear this cloth.

Ha ha ha ! It seems that your cloth have already made a decision !

You're welcome to Atlantis,
Octopus.

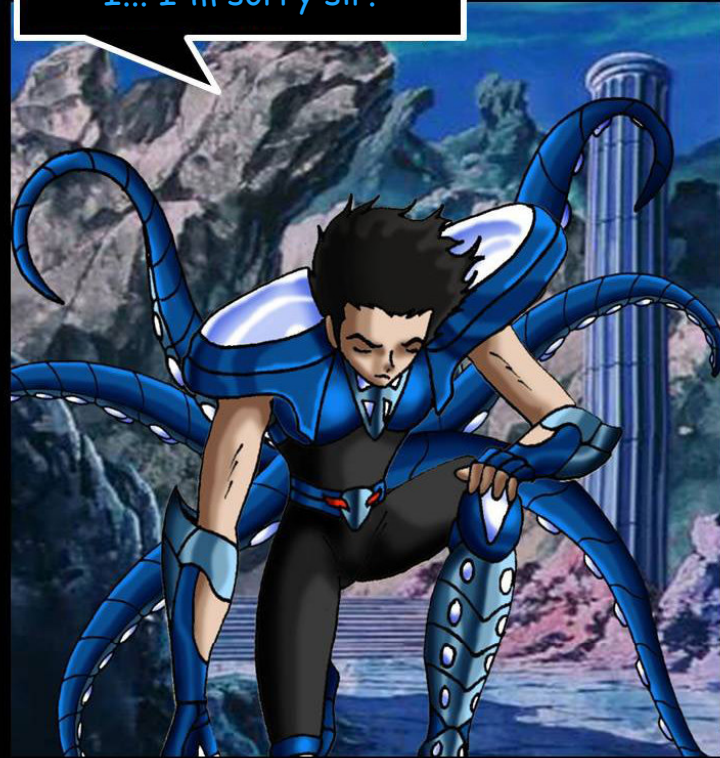

Maybe you want to challenge me ?

If you want to stay alive, kneel in front of your general.

I... I'm sorry sir.

Swear an oath of loyalty to the Sea dragon and your visit to Atlantis will be more pleasant.

We'll see later, child.

Do not worry, you'll get used...

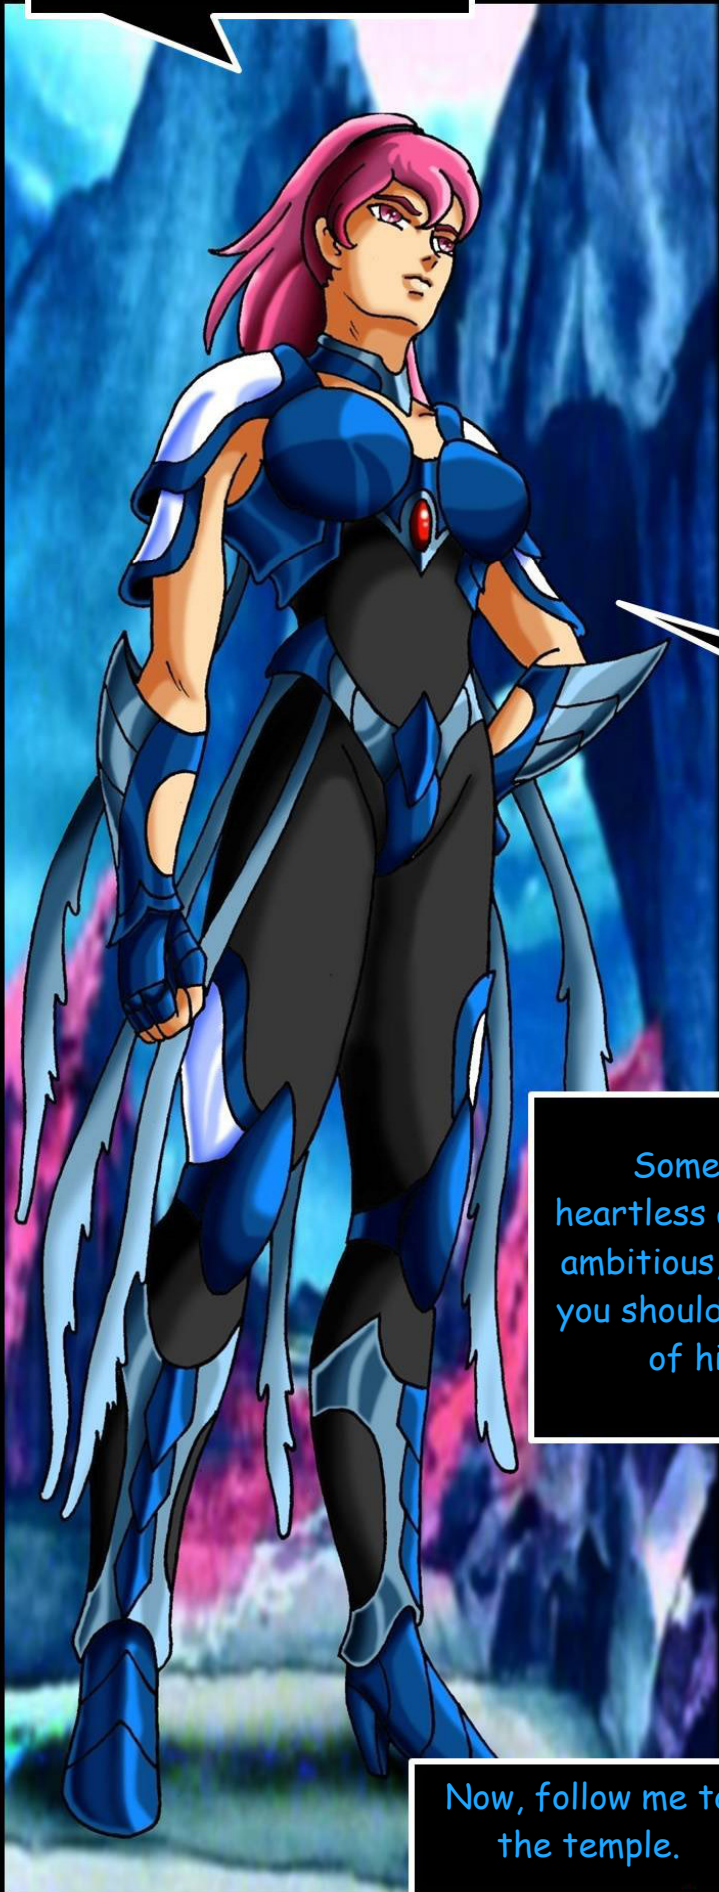

But... what a strange place !

I... but... who are you ?

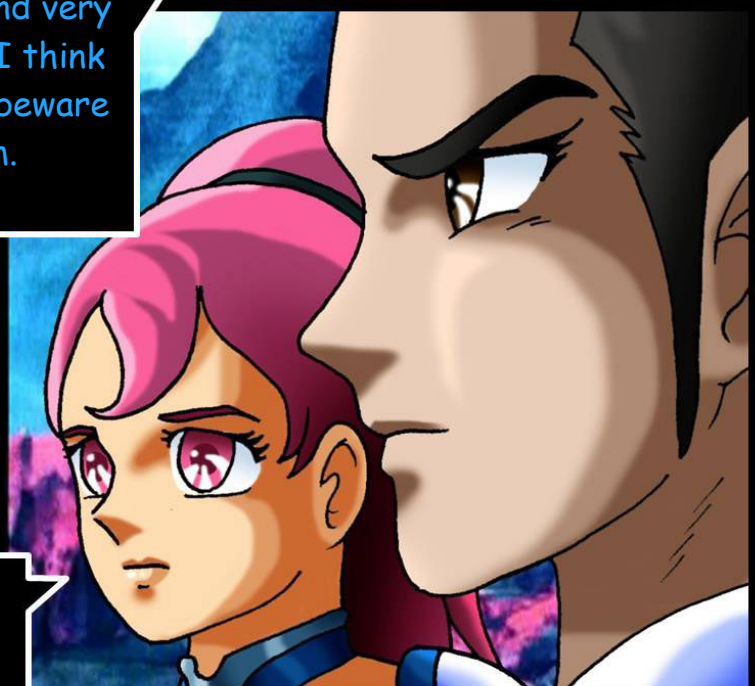

I'm Medusa Tael.

And he is the Sea dragon.

Someone heartless and very ambitious, I think you should beware of him.

Now, follow me to the temple.
