Is all this
protocol
necessary?

Heaven asked us for
an audience with the
priestess

In fact, it is not necessary

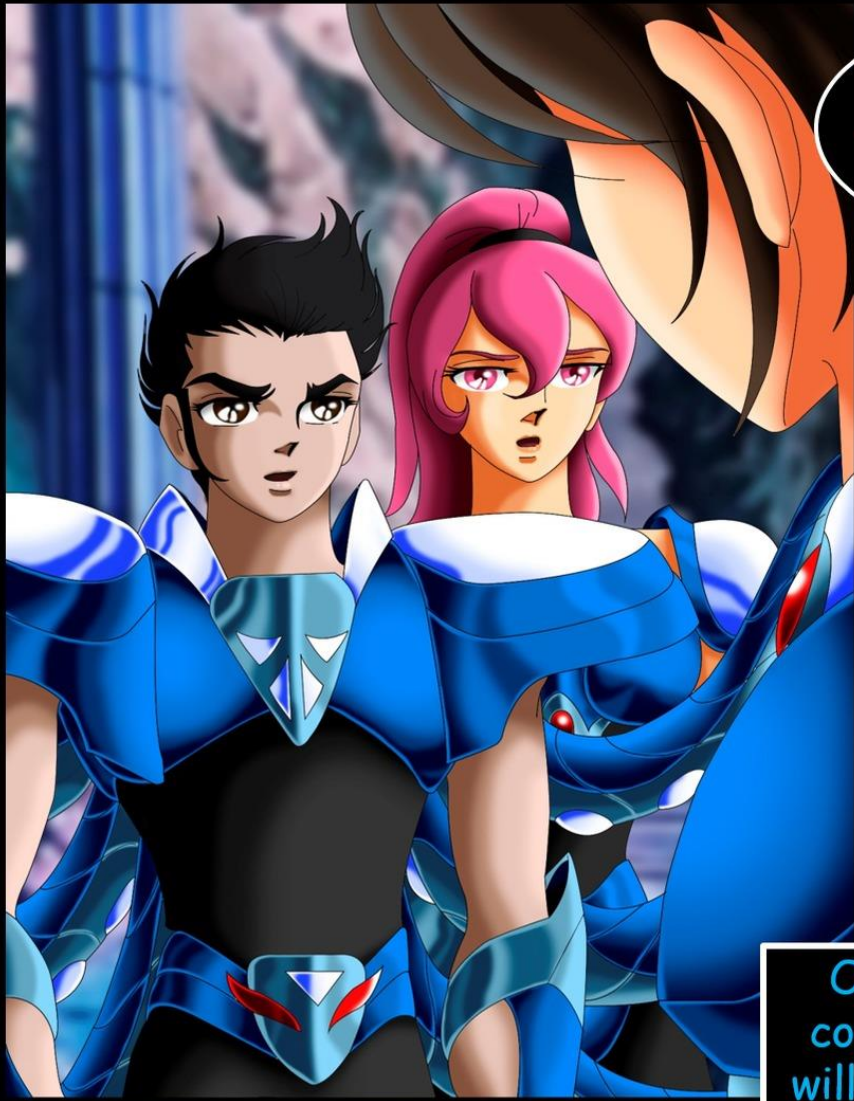

Heaven, shows to Octopus the rest of the palace, Tael and me need to talk about things

Be more respectful to Miss Amphitrite!!

Please follow me to the next room

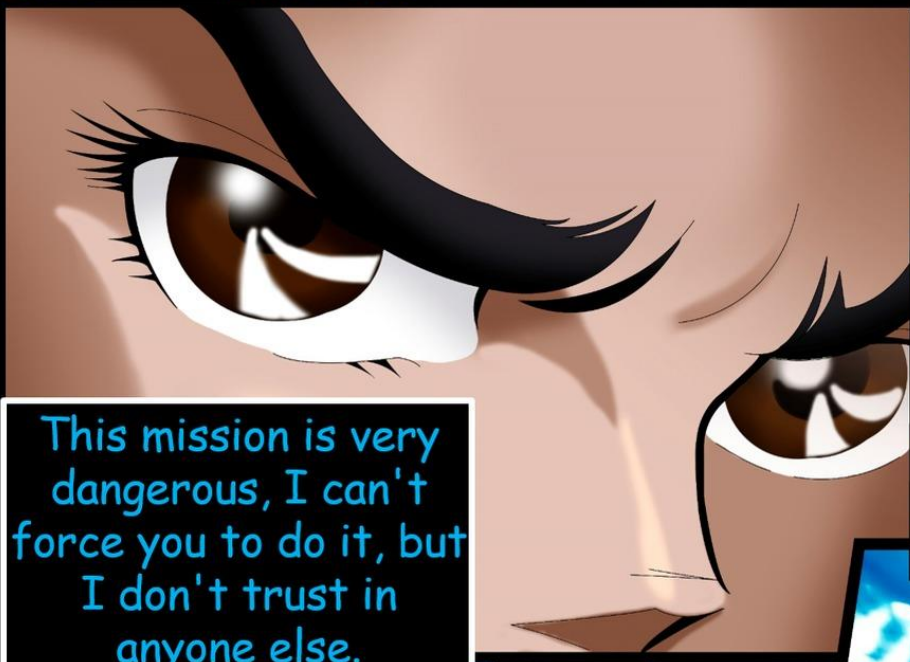

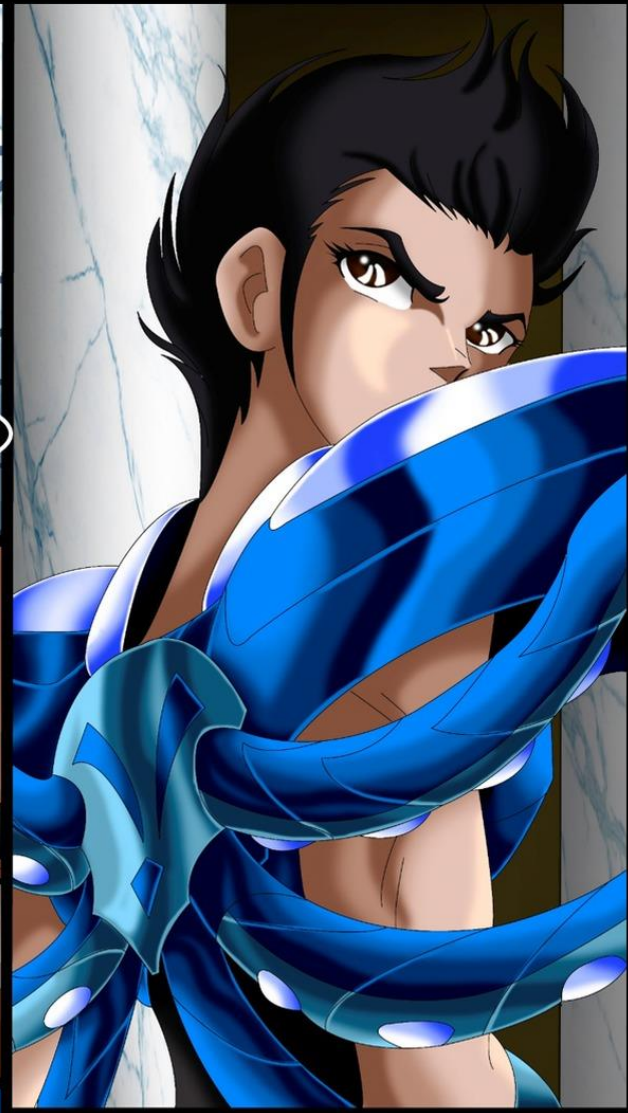

Our suspicions have been confirmed, the Sea Dragon will meet someone that night at the Sanctuary and I want you to follow him carefully.

I hope you...

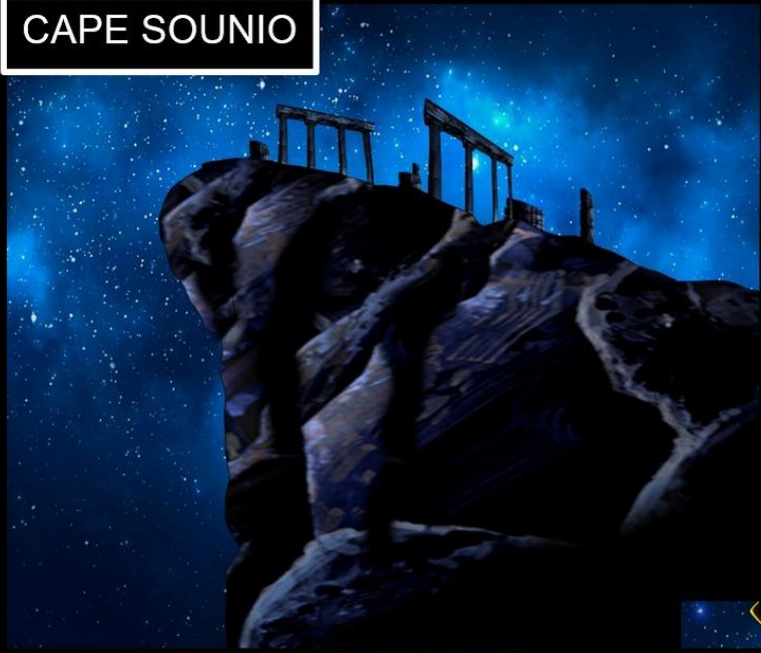

This mission is very dangerous, I can't force you to do it, but I don't trust in anyone else.

Don't worry, I'll be careful.

CAPE SOUNIO

Finally, you arrived

Don't you gonna say anything my brother?

This carelessness can fail my strategies

You're about to start a war!

I should end your life immediately!

Calm you down! Our plan is going perfectly.

What?

Me as Grand Pope have the absolute control over the Sanctuary while you still have accomplished nothing.

I'll kill Amphitrite and accuse the Sanctuary, this will start the war and each clan will kill the other one.

And then we will be able to submit and govern the survivors.

I must inform Amphitrite as soon as possible

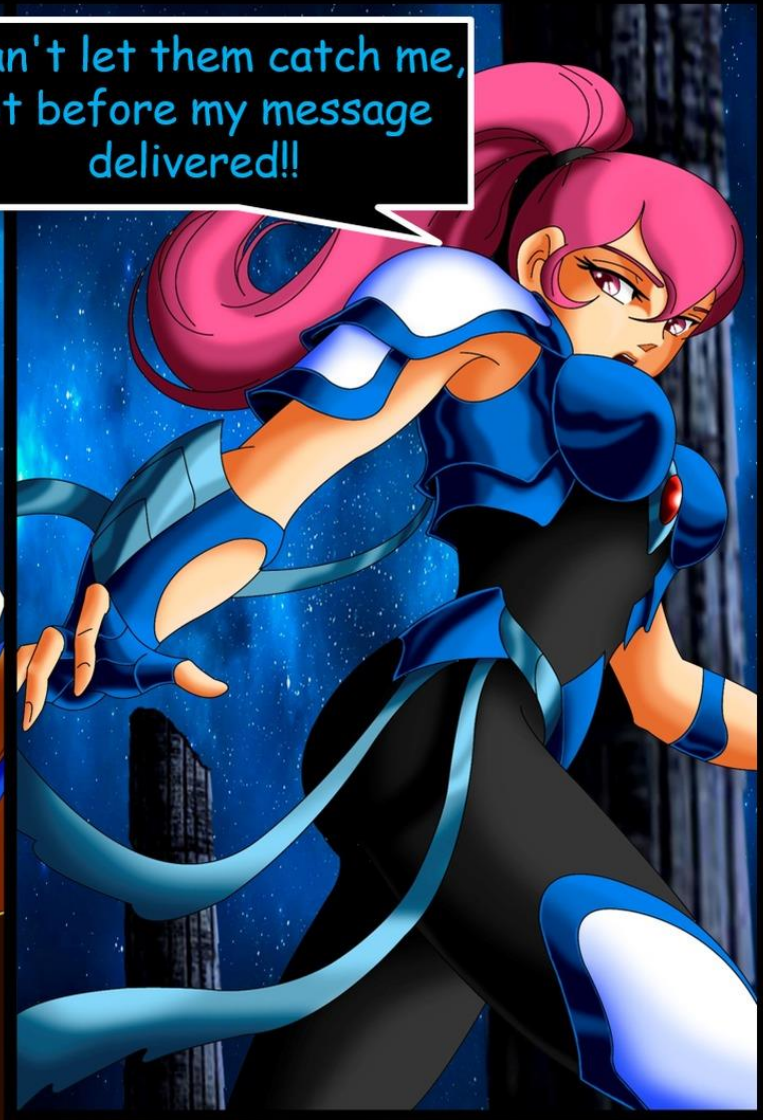

You let yourself to be followed

You'll see, little cheeky!

I can't let them catch me, not before my message delivered!!

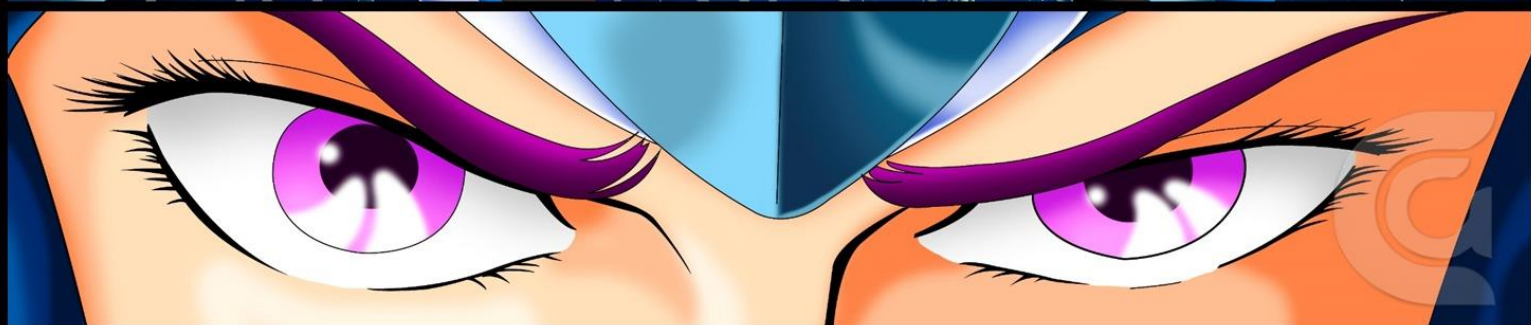

I let you clean up your mess!

And get my hands dirty with this waste?

No, for that, my puppets are here...

I got you my little curious

Do not forget me... ha ha ha!

I must escape from him

Let's see how you cry!

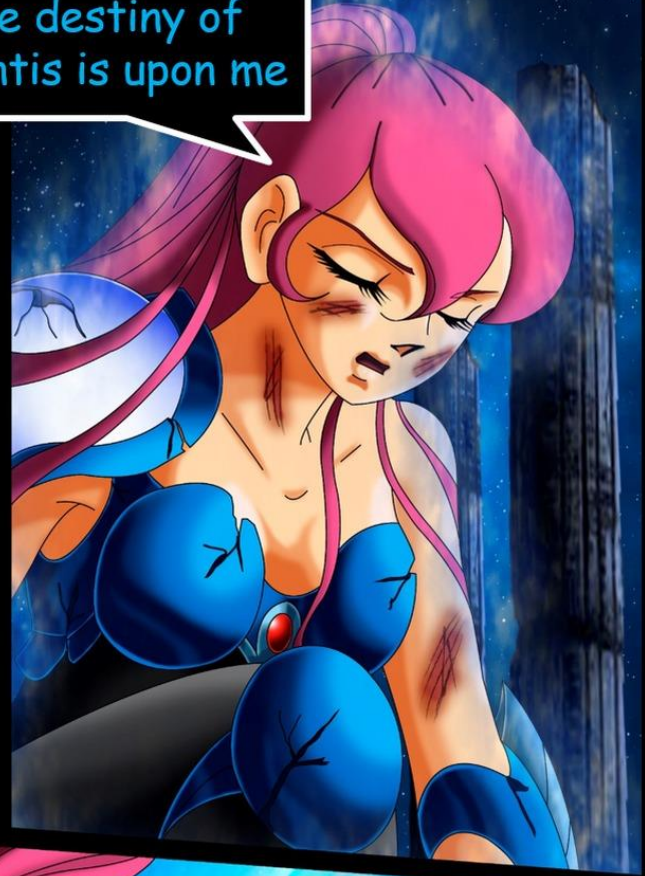

I'm delighting to hear your bones to break... ha ha ha

I can't give up

The destiny of Atlantis is upon me

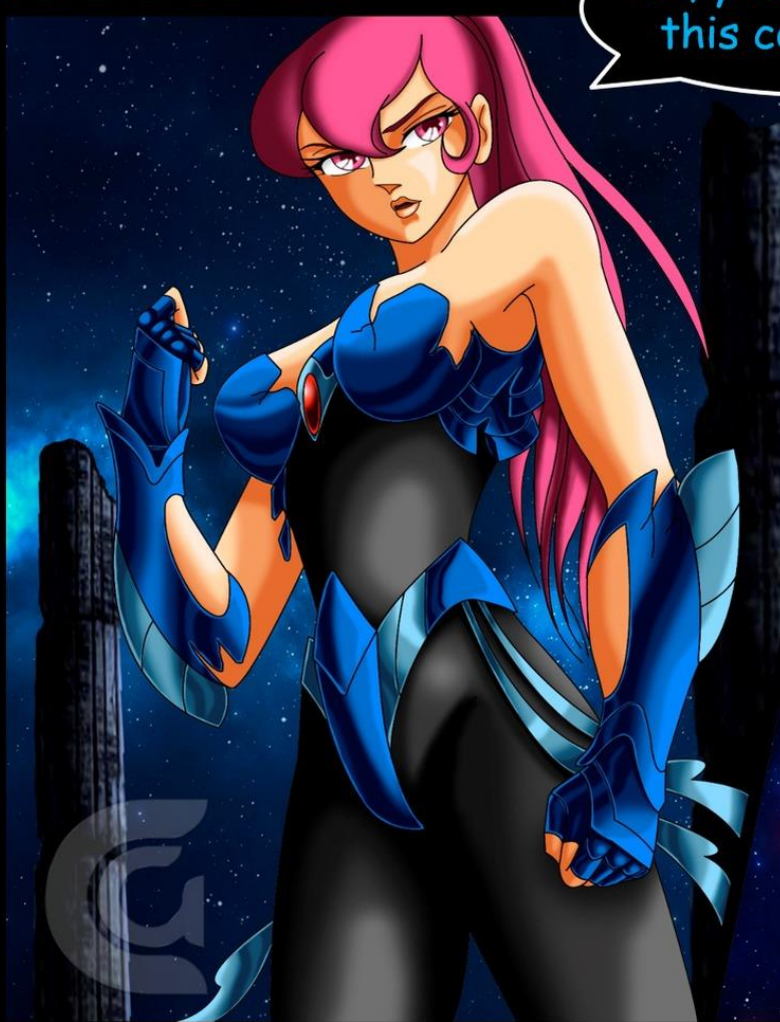

**MEDUSA
FINAL BLOW**

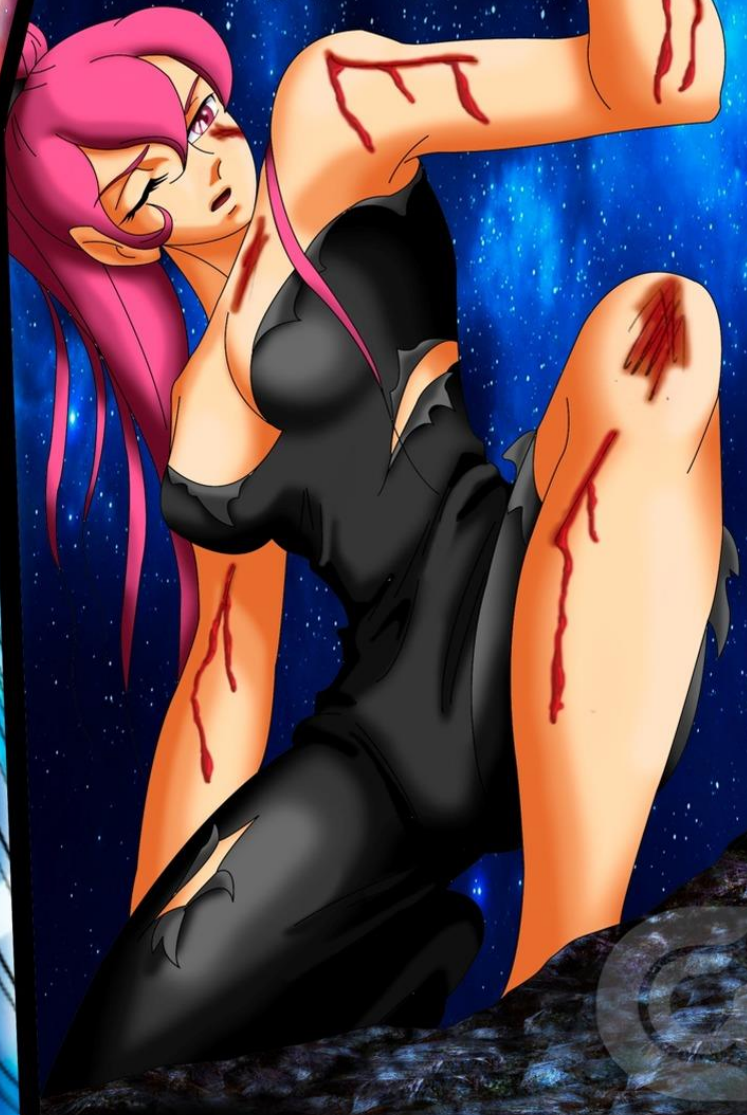

So, you're also of this conspiracy

Tael, I'm sorry but I follow the wishes of my master

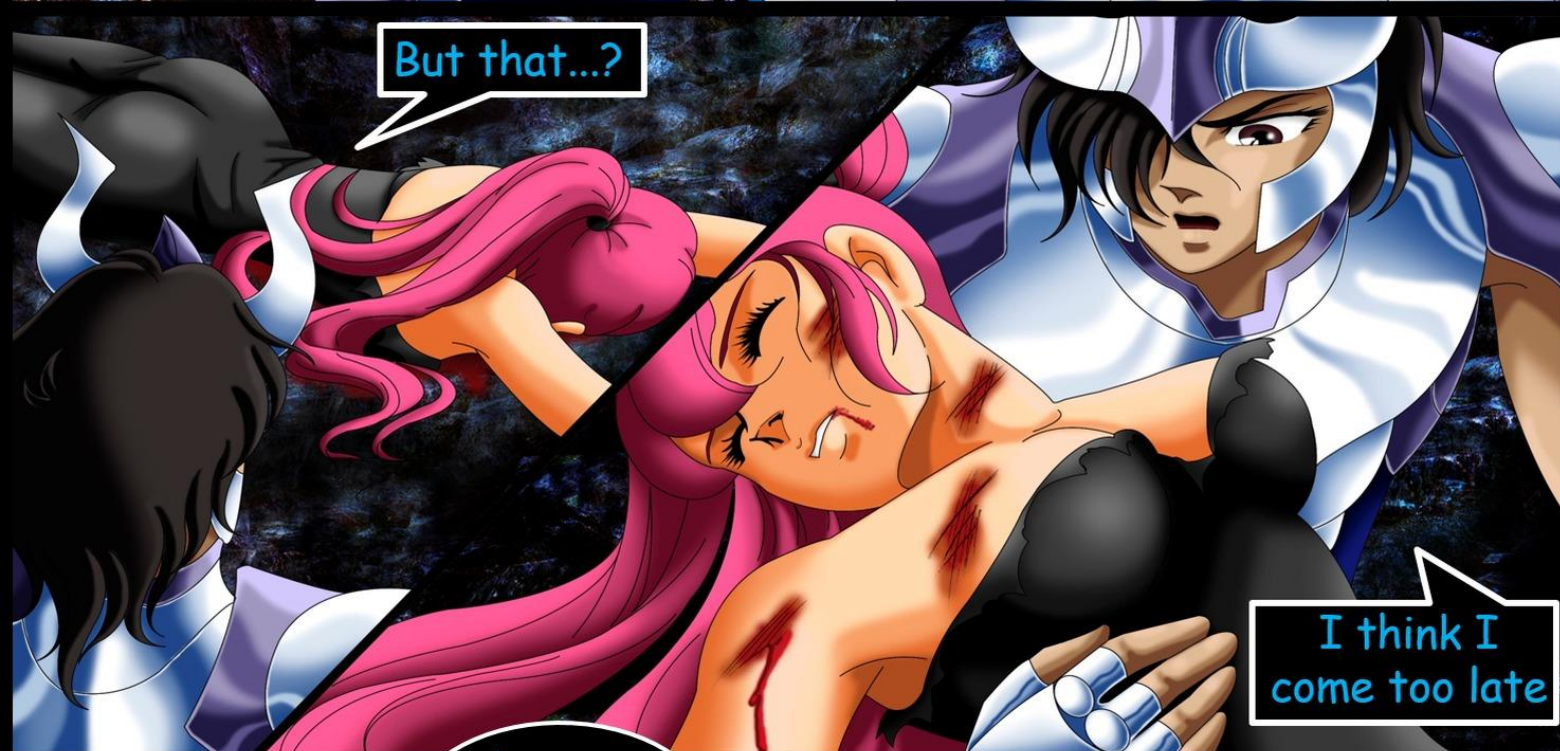

Lerion

**GREAT DESTRUCTIVE
GROUNDSHELL**

Damned... I can't fight alone against all of them and the cosmos of the leader is...

EYE OF THE SKY

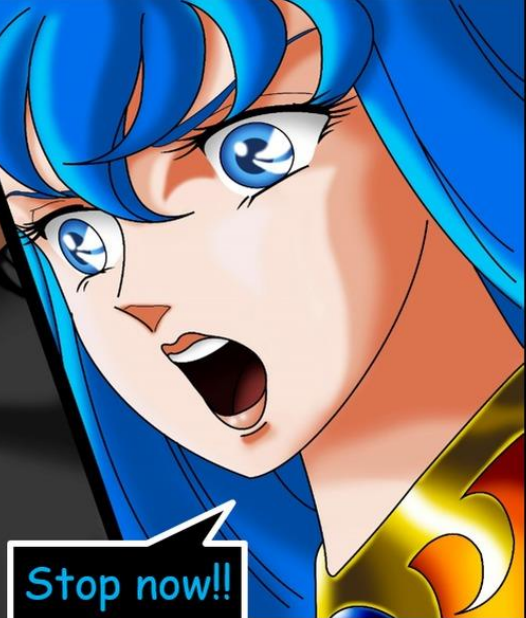

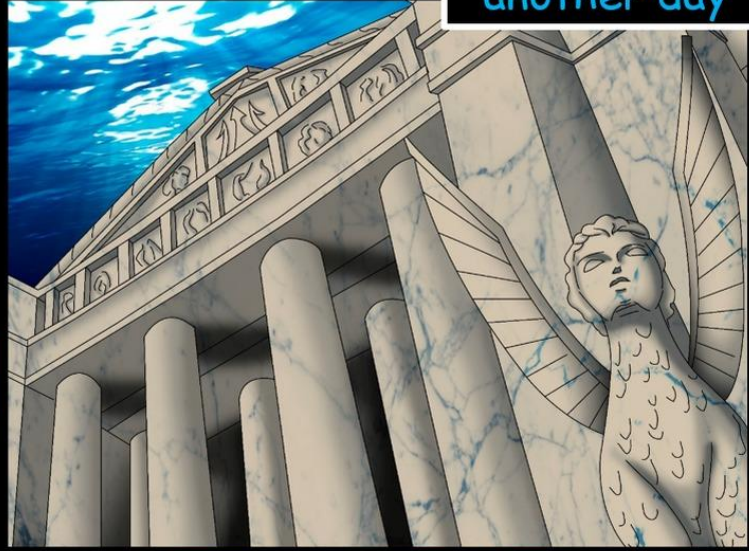

Hell, it's a silver saint!

Come with me if you want to live another day

Damned Heaven, answer me... Where Tael has been sent?

Stop now!!

I gave to Tael an important mission at the surface

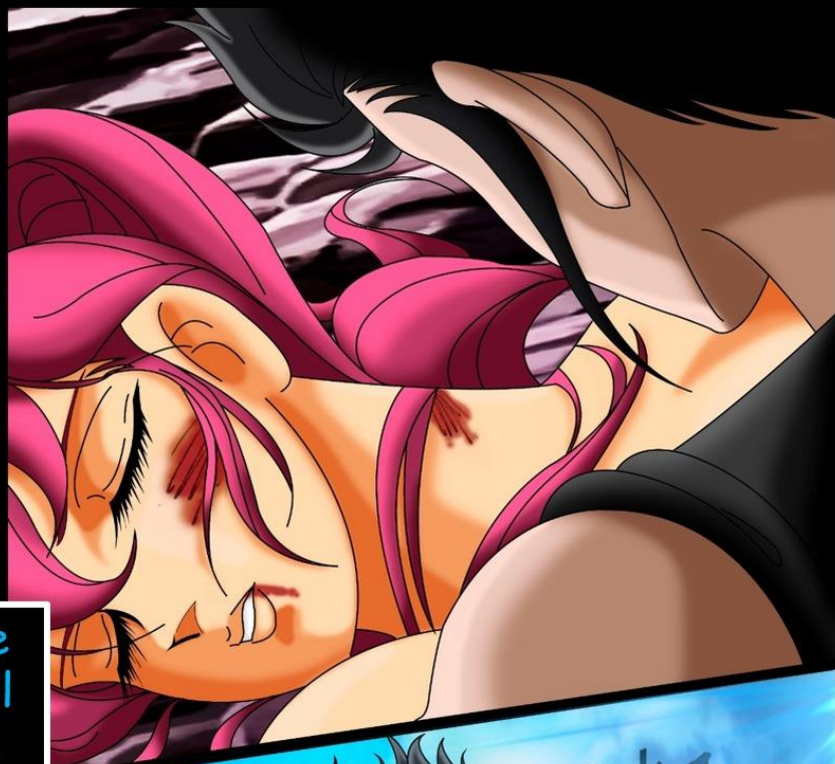

Already a full day spent... Where have you sent her?

I know this place better than anyone else, do not try to hold me

We lost her at the Cape Sounio. I've already sent someone to find her

I promise that I will find the responsible for this ...

And he will pay!

The Sanctuary is not safe anymore, we must leave it as soon as possible.
