

ACTE

IV

Don't worry.
It won't stop
here...

It seems I
underestimated
you!

I crateris silver
saint Suikyo will
fight back!!

I must admit
you have
some bite,
saint!

But my orders
are clear: you
can neither meet
our goddess nor
leave this island
alive!

You are quite
something as
well!

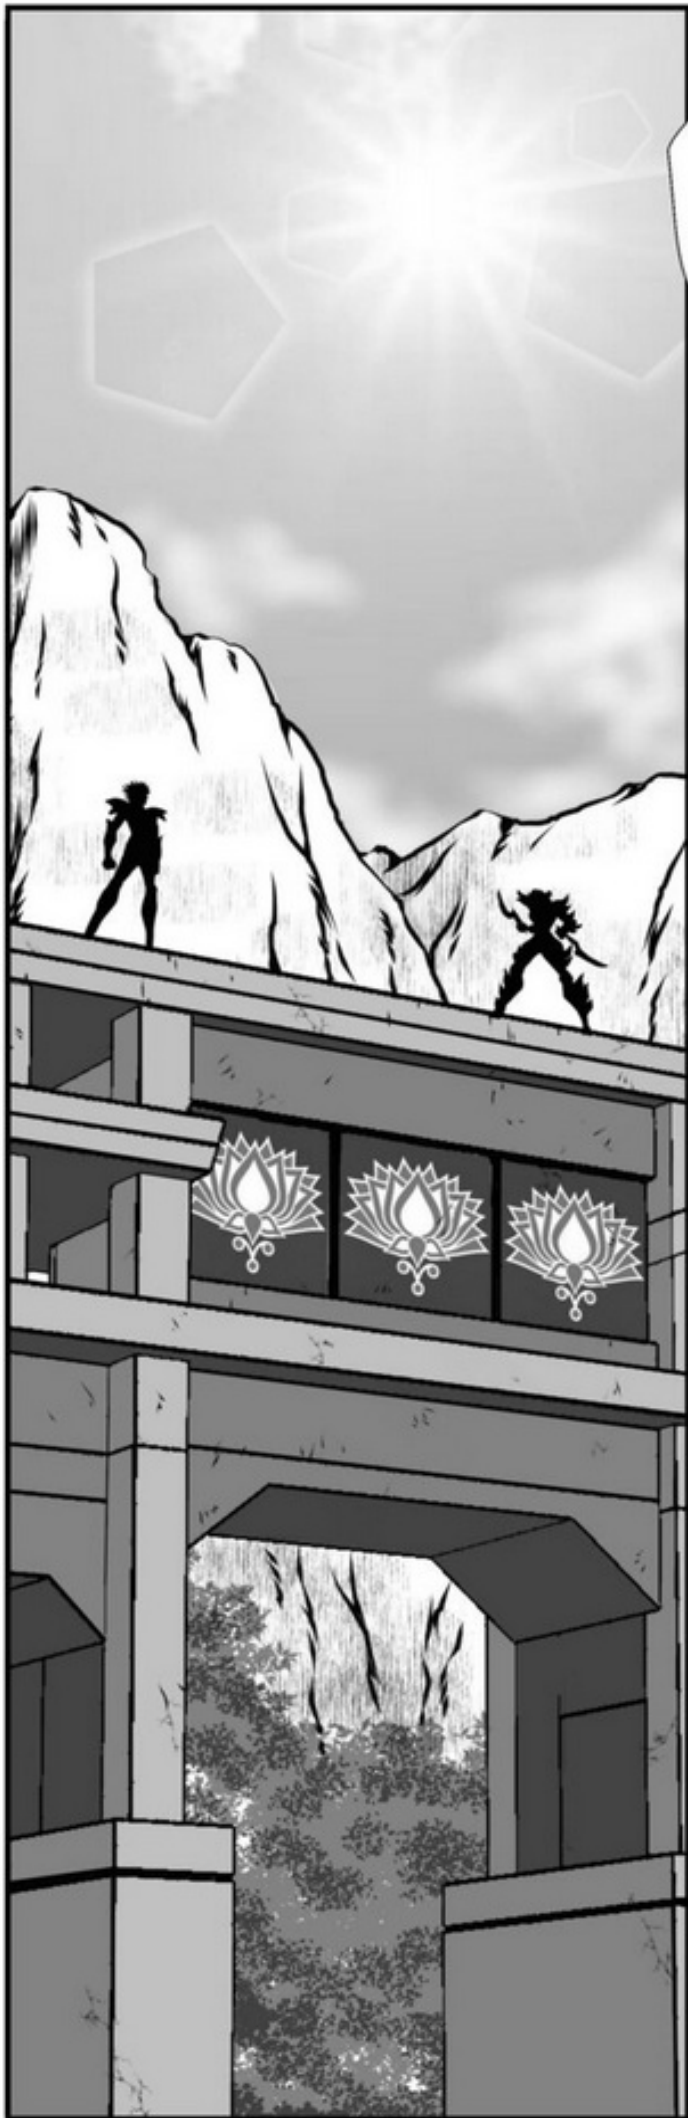

Who am I
speaking to?

Given the limited
life time you
keep, you can
call me Galina!

Very well Galina,
know that i am
here to complete
my mission as well!
Fight is thus
invavoidable!

You sure are
hard to kill !

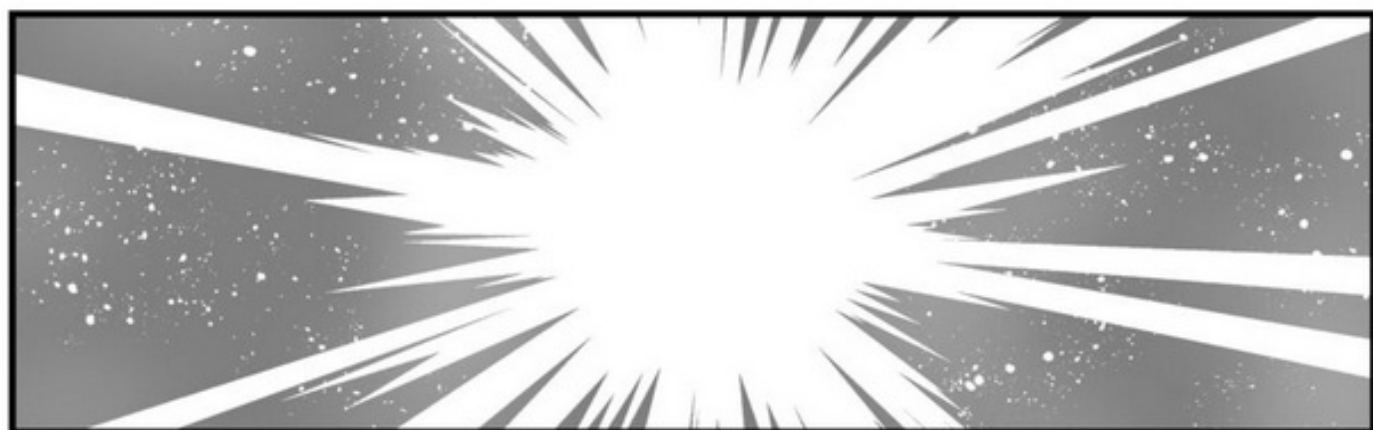

Lord Abel, please
witness this new
victory !

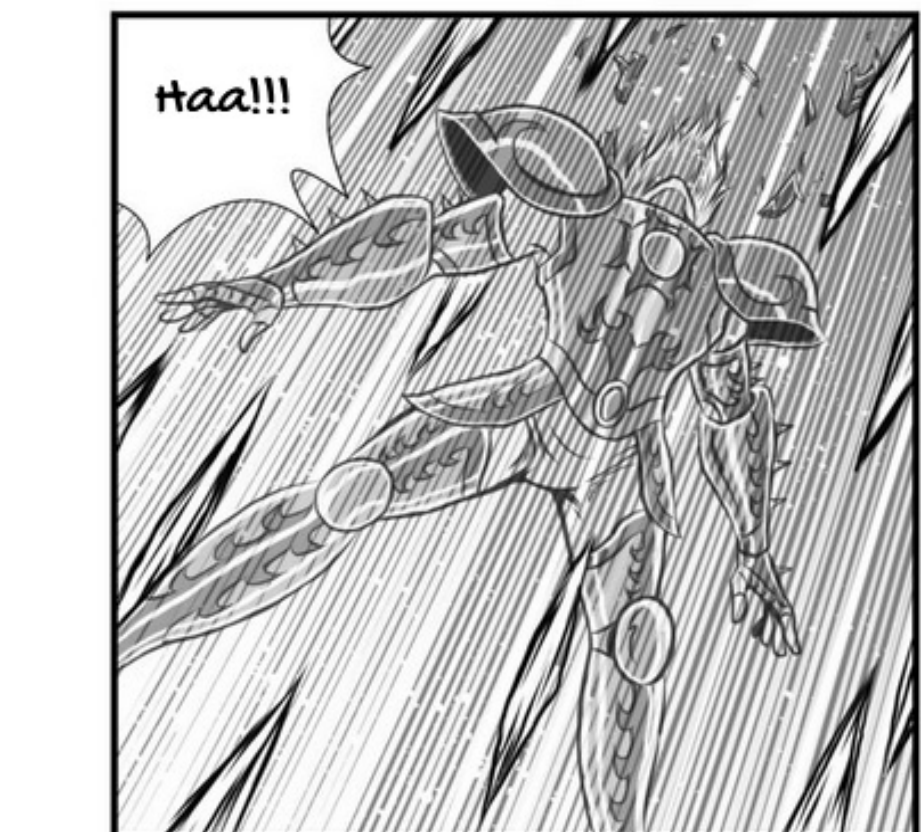

Pathetic!

A large, black, starburst-shaped speech bubble with the text "Silver lotus poles !!!". The background of the entire page is a high-speed action scene. A character in ornate, multi-limbed armor is shown from the waist up, surrounded by a massive burst of light and radiating lines, suggesting a powerful attack or transformation. In the top background, there are three decorative panels, each featuring a stylized lotus flower design.

Silver lotus
poles !!!

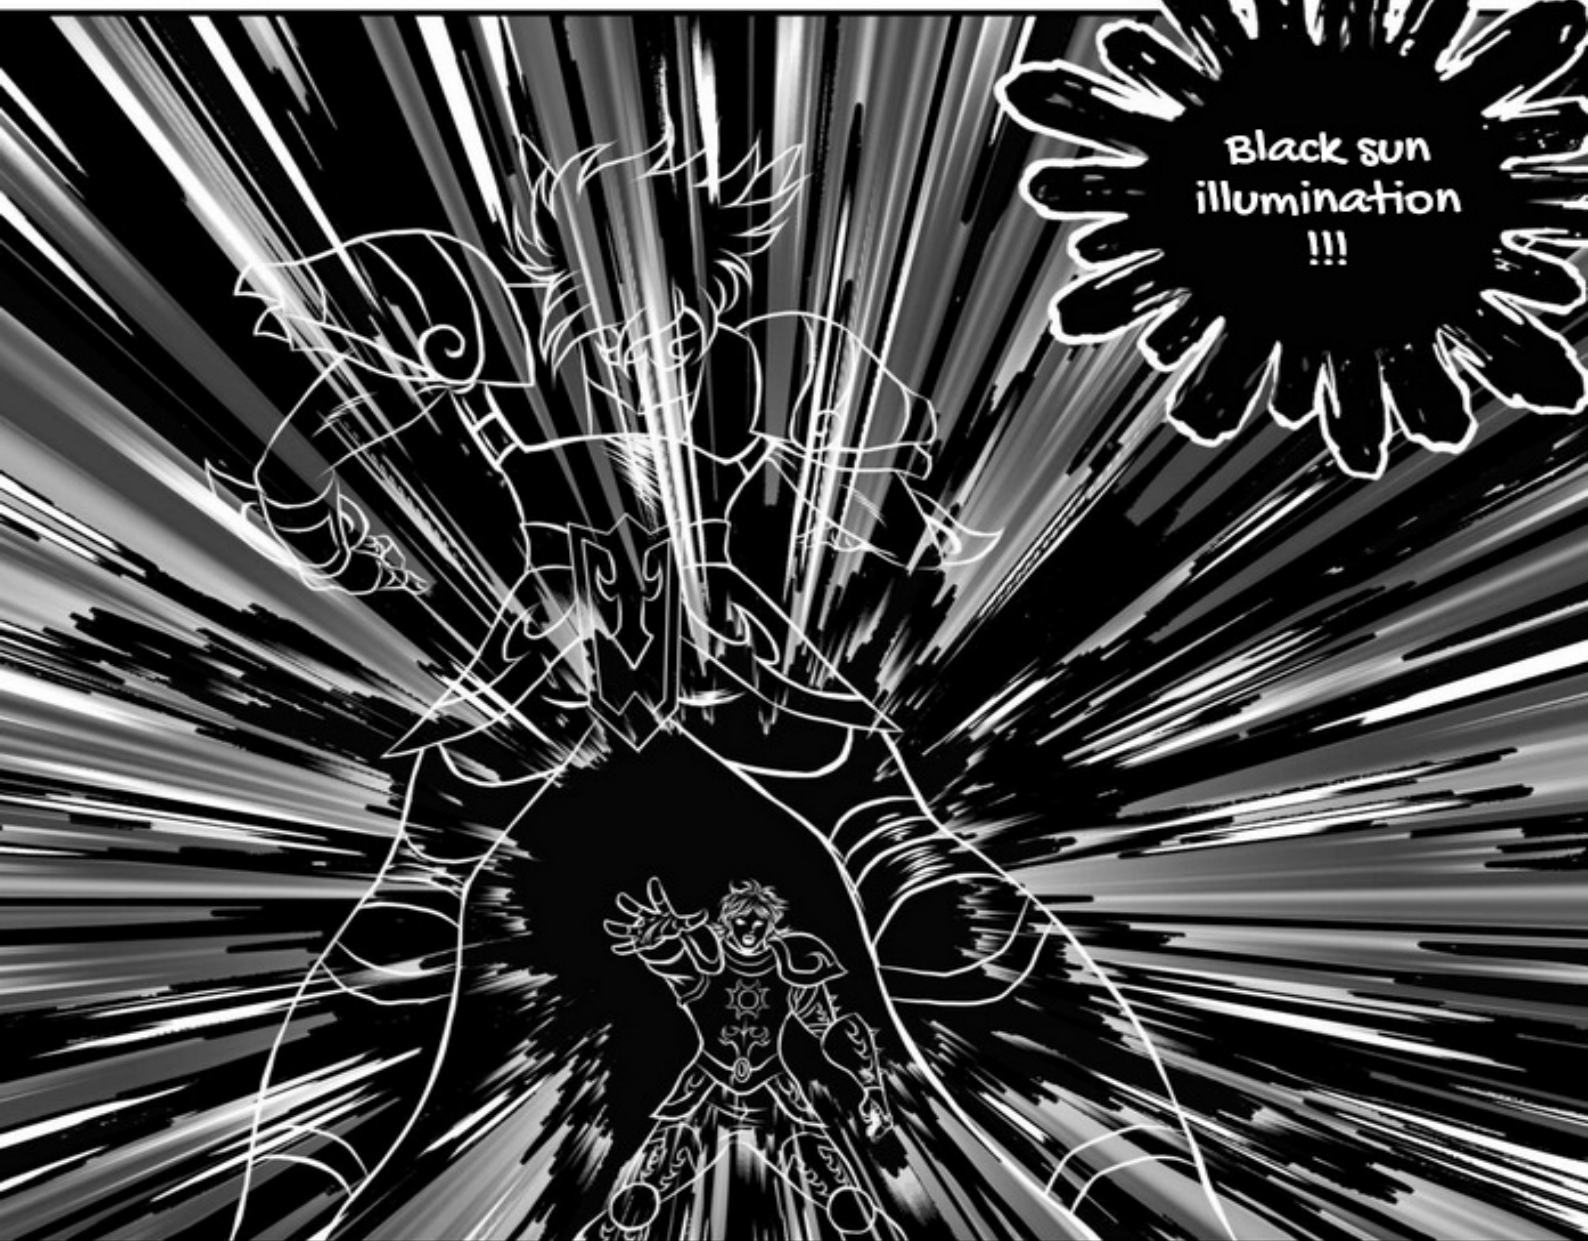

A character in ornate armor is shown falling or being launched through the air. The character's limbs are spread out, and the background consists of diagonal lines, indicating rapid movement or a fall.

Haa!!!

A close-up of a character lying on the ground, looking up with a pained or exhausted expression. Their hair is messy and they appear to be in a state of physical distress.

Ouch !!!

But... Her
attack went
through me...

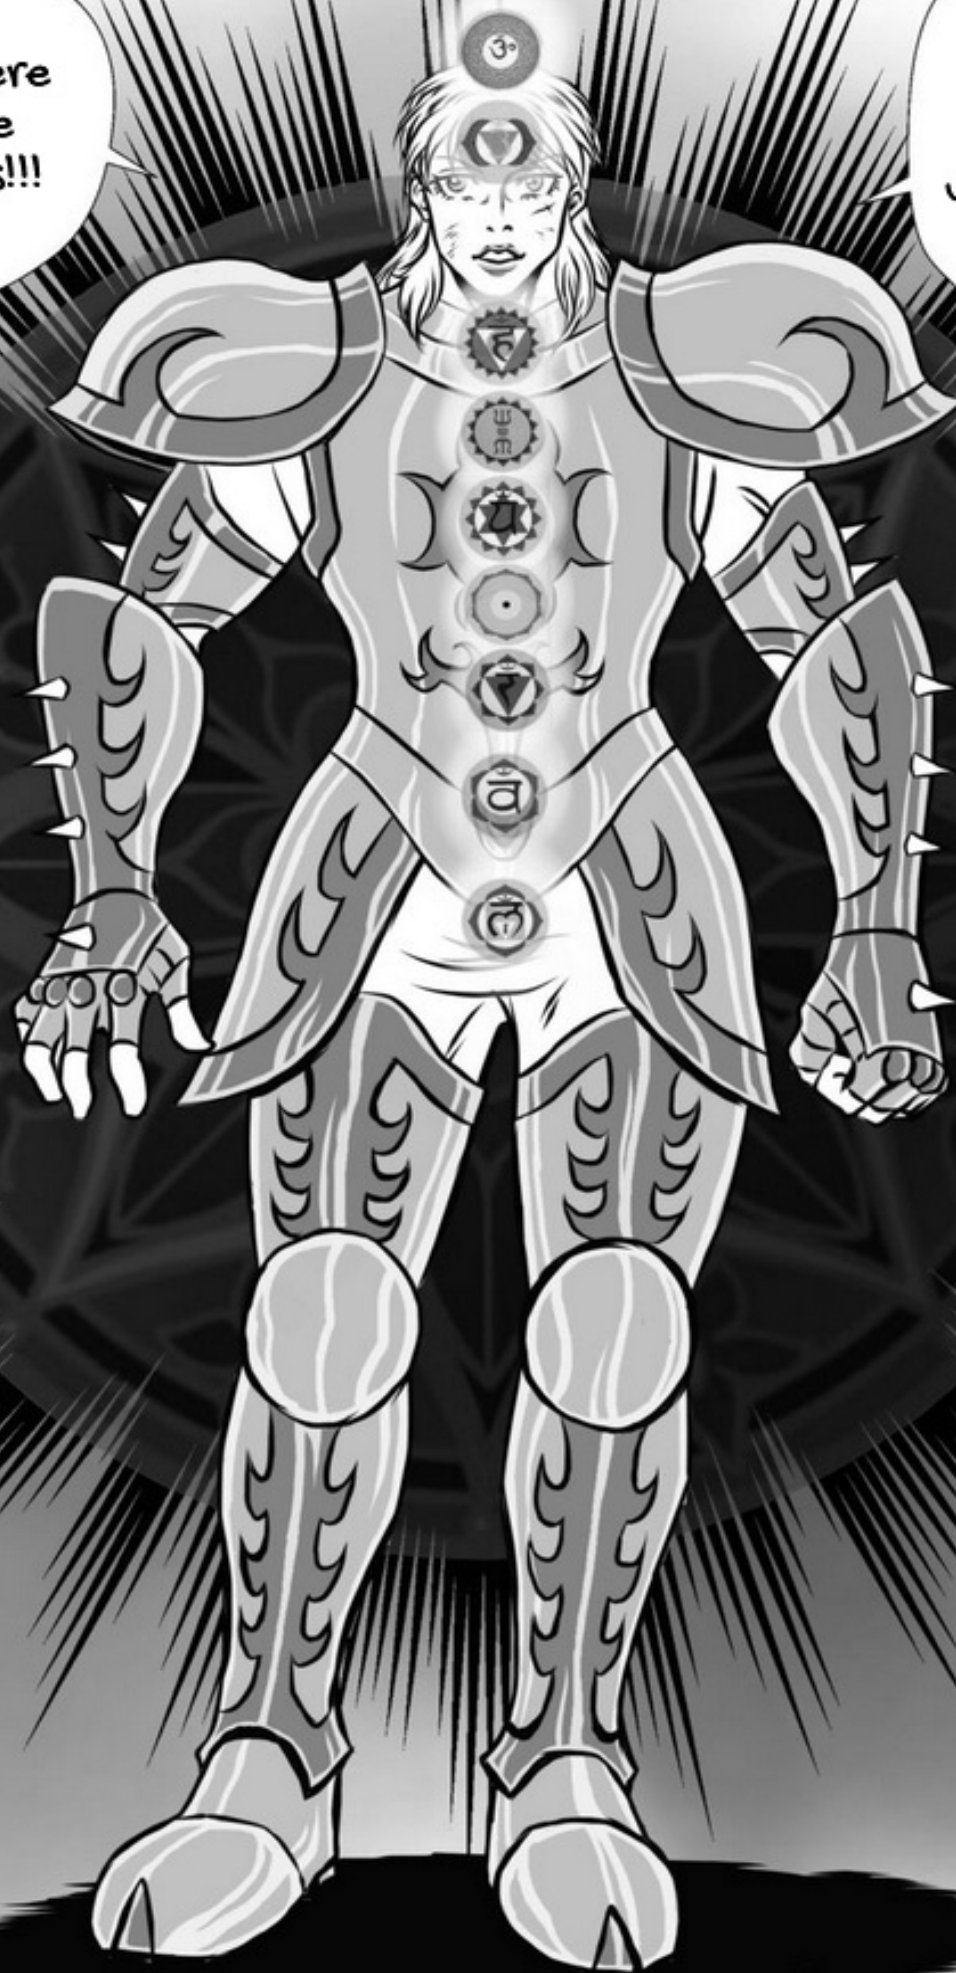

Without causing
apparent
damage..

And there
go the
chakras!!!

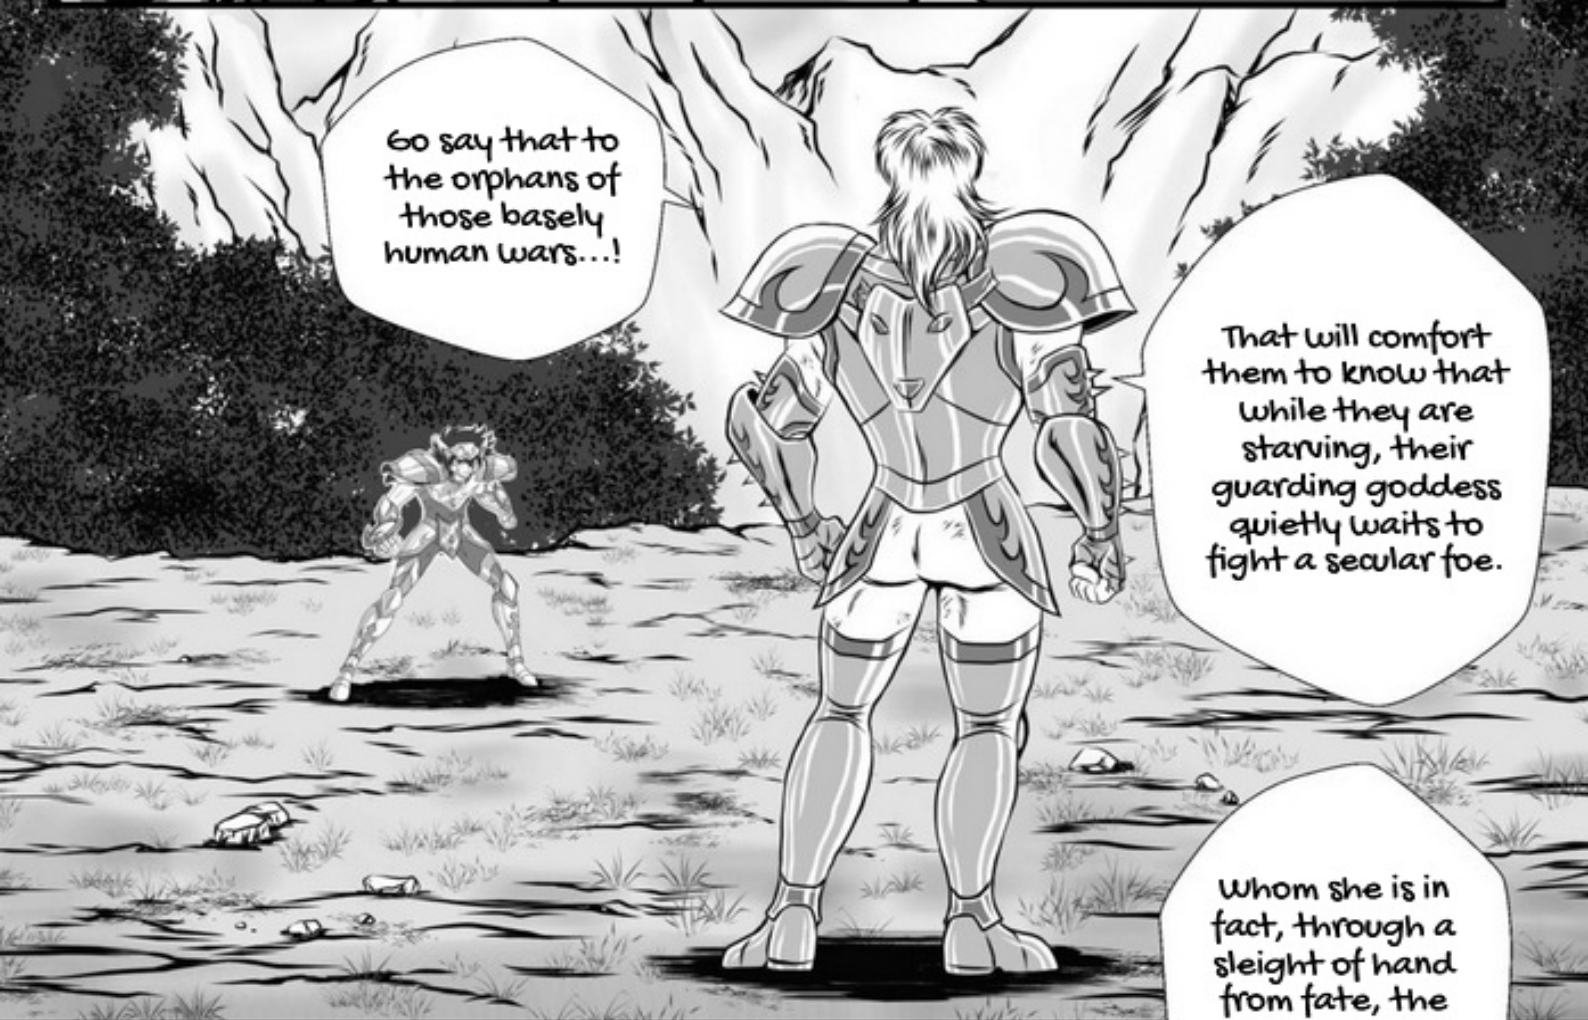

Equivalent,
among
ordinary
people, of
your guarding
stars!

We have our own wars to fight. Their stakes are way above the internal struggles and the torments of a human kind whom athena wishes to preserve the free will.

Go say that to the orphans of those basely human wars...!

That will comfort them to know that while they are starving, their guarding goddess quietly waits to fight a secular foe.

Whom she is in fact, through a sleight of hand from fate, the unwavering ally...

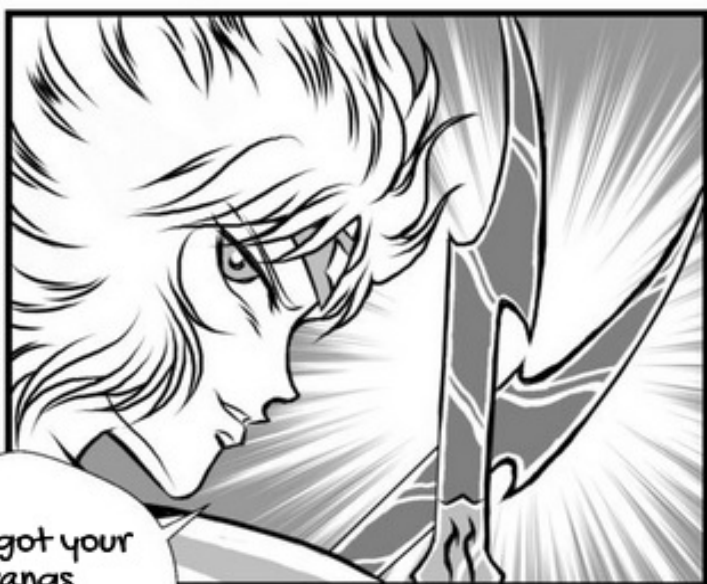

Let's resume our
duel! Your start
point against my
chakras!!

Let's see who will
be the swiftest to
blow out the
flames of life of
the other!!

That's two
stars less...

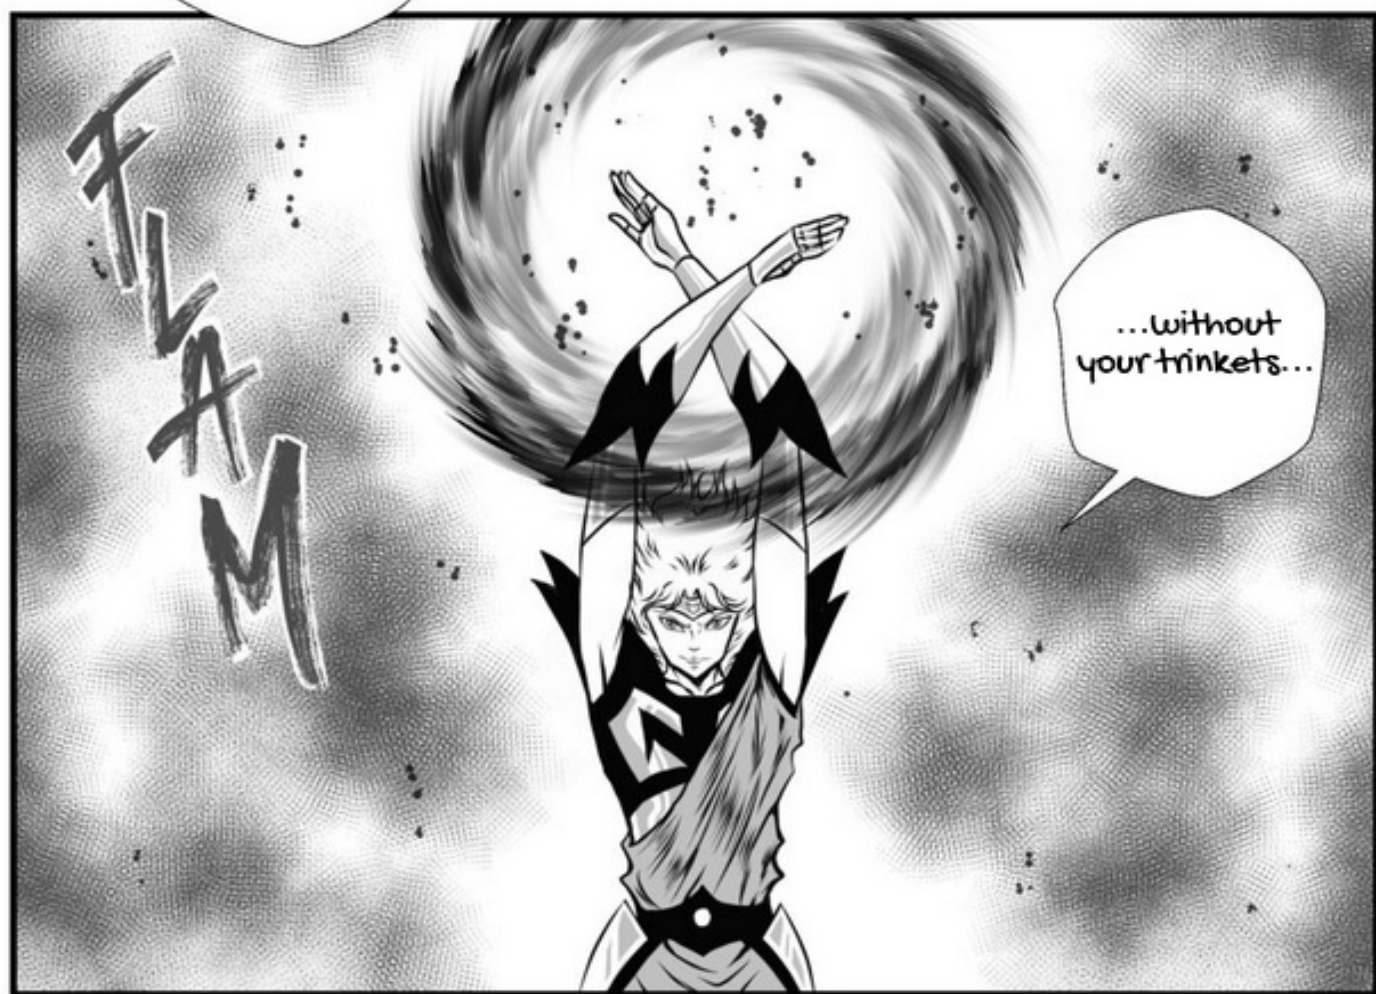

You got your
fangs
beautifully
filed,

"barley
sugar"!

Fyuu...

That's why...

They never leave
me for a long
time...

Claws of
Amba...
Come to me
!!

Too late !!!

Burning
corona !!!

Here they come
in my hands
once again!

Aah! you
dirty...

...Her blades barely
touched me yet they
could annihilate my
burning corona while
inflicting serious damages
on me at the same time!

Those weapons
are more
dangerous
than their
handler...

This is over
for you...

Feast of
Amba !!!

This is what happens when you defy the celestial emperors !

End act IV
