

聖闘士星矢

NETE MARU

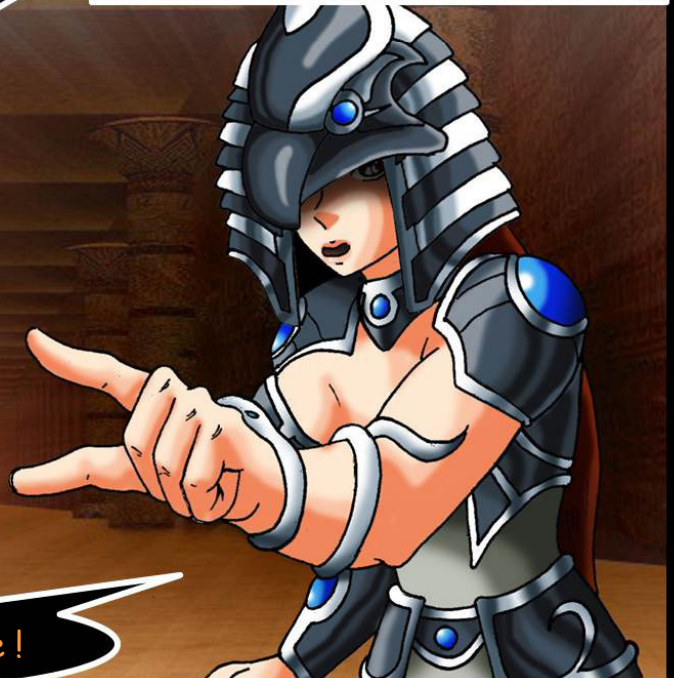

UNION

We must combine our forces and be victorious for Athena... We can do it my friends... Even if our bodies are destroyed, our cosmos is immortal... For justice and for love in our world, we cannot hesitate... We will burn our cosmo as much ardently as the sunlight... And we will continue to fight as a song of joy and a ray of hope... Athena !!! We give you our lives for the salvation of this world...

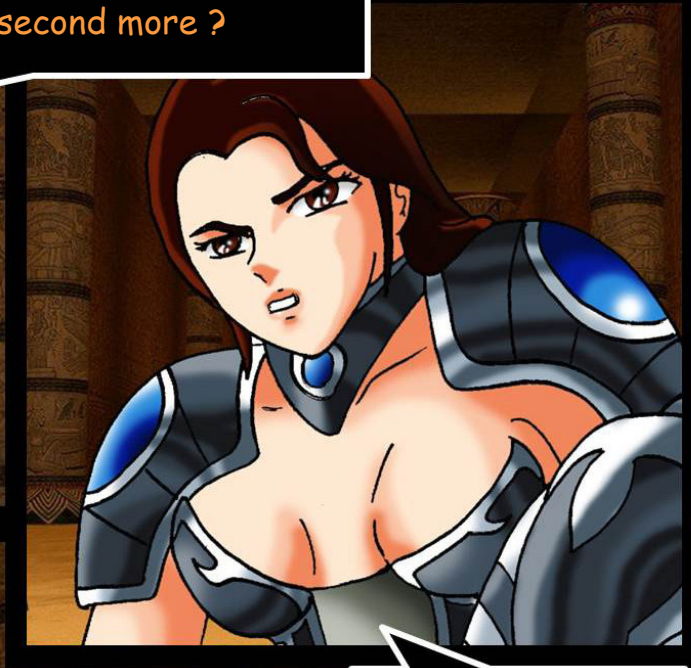

I knew that sooner or later you'll finally appear. Now, get ready to have the same fate as your companions !

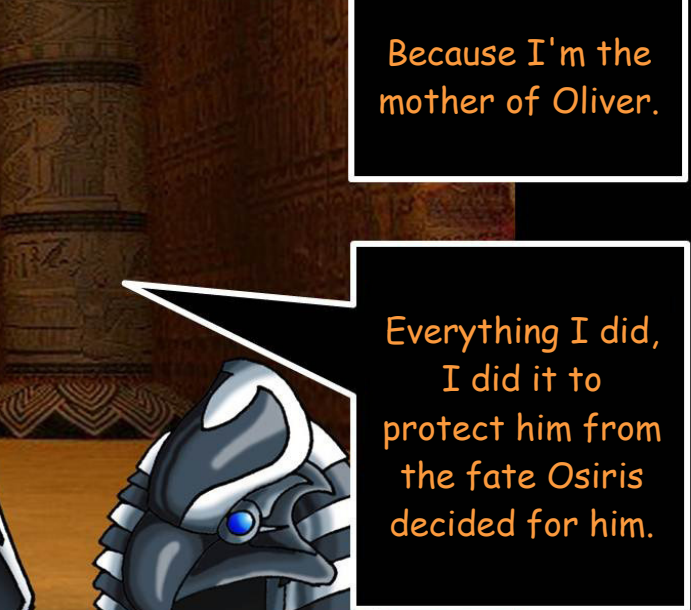

Please, wait a minute !

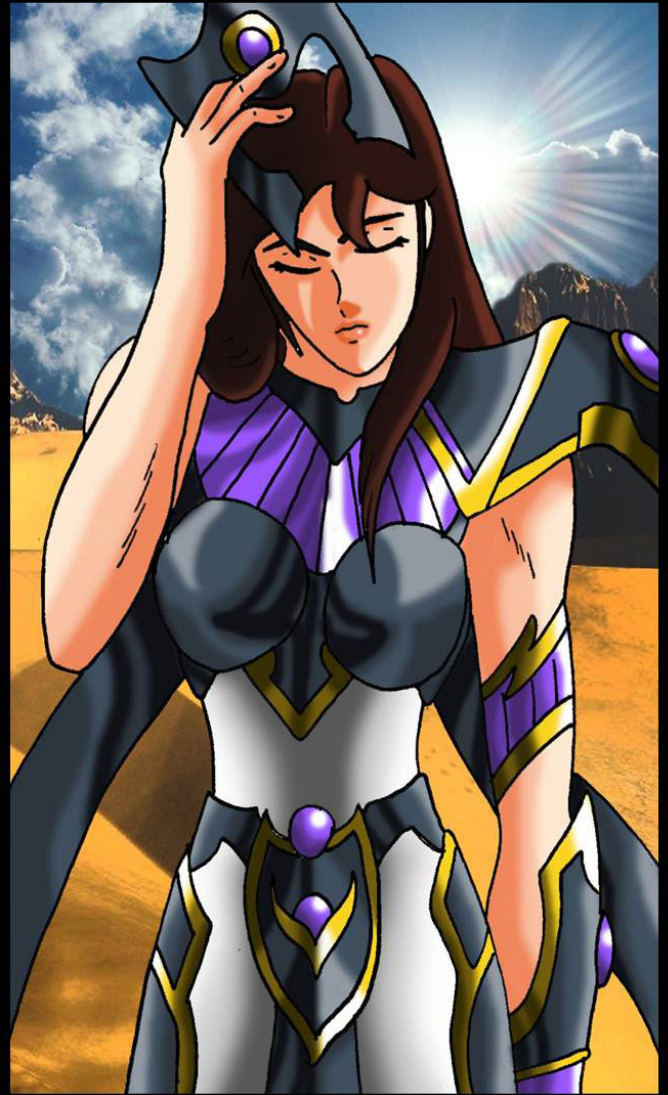

Why should I spare your life
one second more ?

Because I'm the
mother of Oliver.

Everything I did,
I did it to
protect him from
the fate Osiris
decided for him.

When I heard what he had planned for my baby, I escaped from the pyramid. And, only after to be sure he would be in good hands, I finally tried to save my own life.

I wandered in the desert during several months to shake off the troops who was pursuing me...

Few days ago, I learned that Isis was finally back to her temple so I took the place of one of her priestesses.

I'm not asking you to trust me, but let me to help you to escape from this place.

Undoubtedly, this is a very touching story !

How could I beat someone who was able to overcome my Master and even Athena ?

However, I swore to protect my goddess, even if I had to die !

Before the end of this day, my Master will be avenged and my friends will be in safe !

Ha ha ! You overestimate yourself ! You're only a lonely man, a small obstacle in my way...

GALLOPING UNICORN !!

His power is stronger than Nebka but he has no chance against me...

DESTRUCTIVE TOUCH !!

I can't quit now !

Your stupidity can be rewarded only with a slow and painful death !

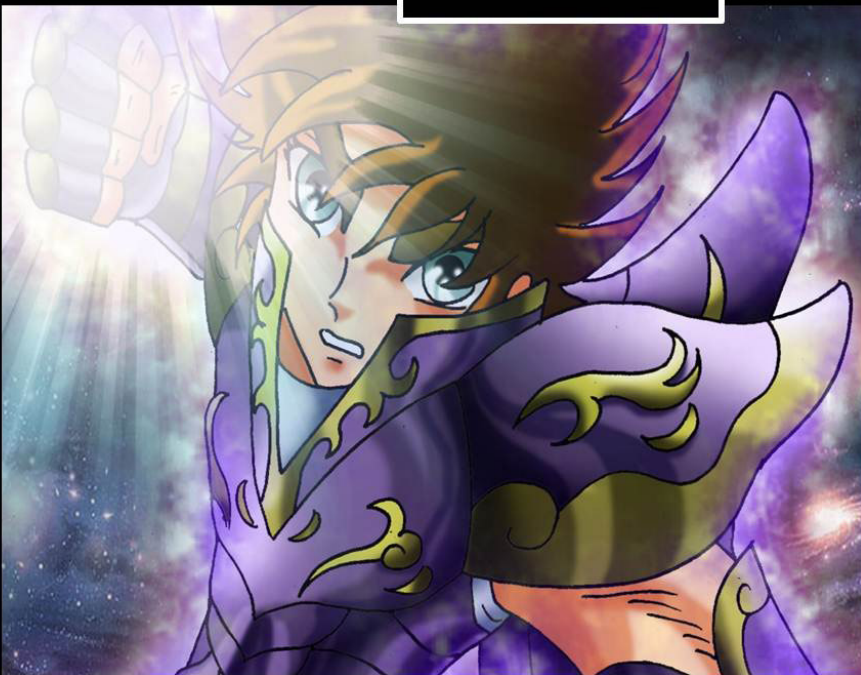

DESTRUCTIVE TOUCH!!

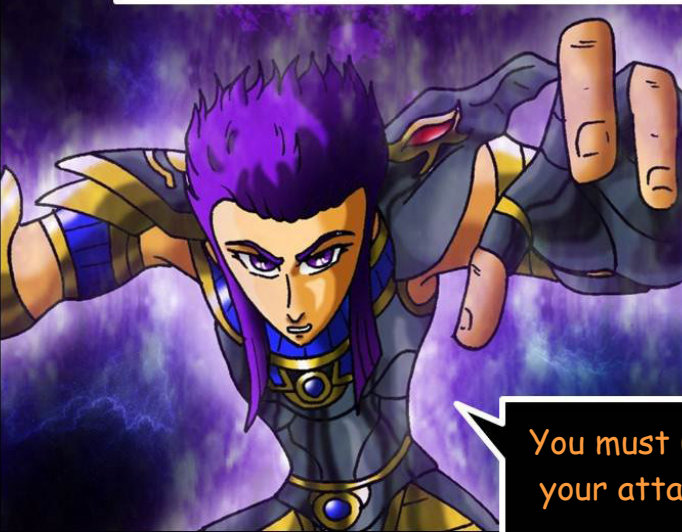

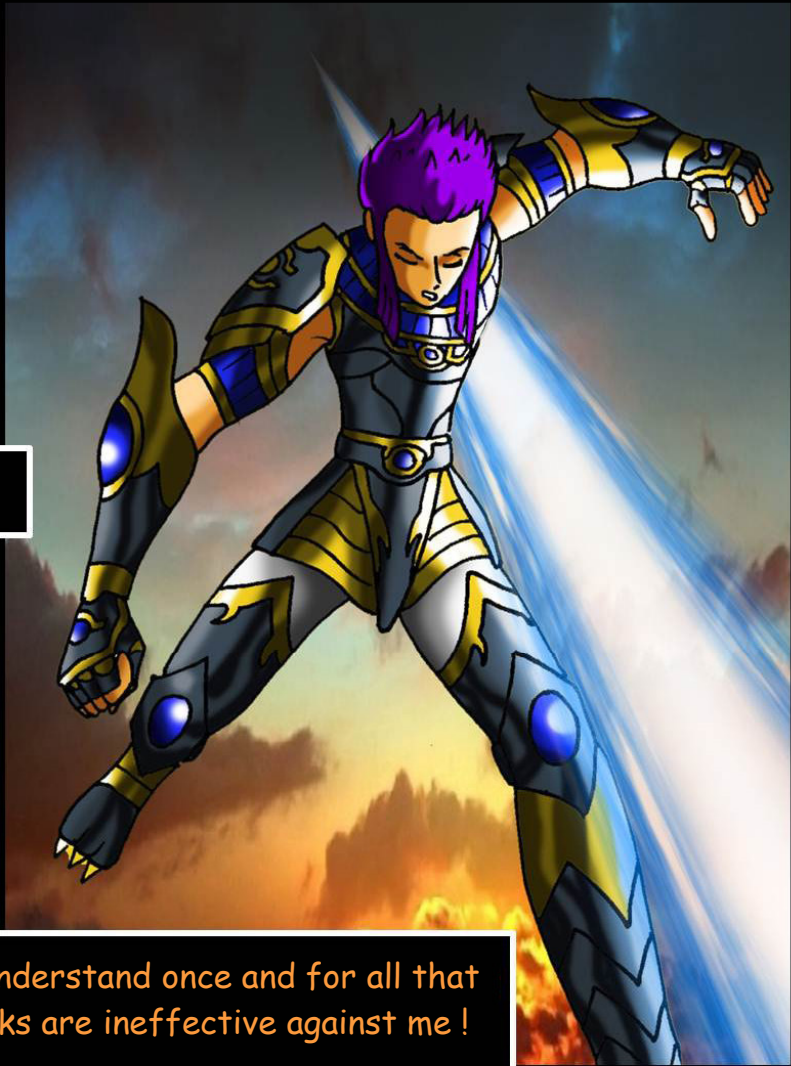

Your determination is admirable but useless !

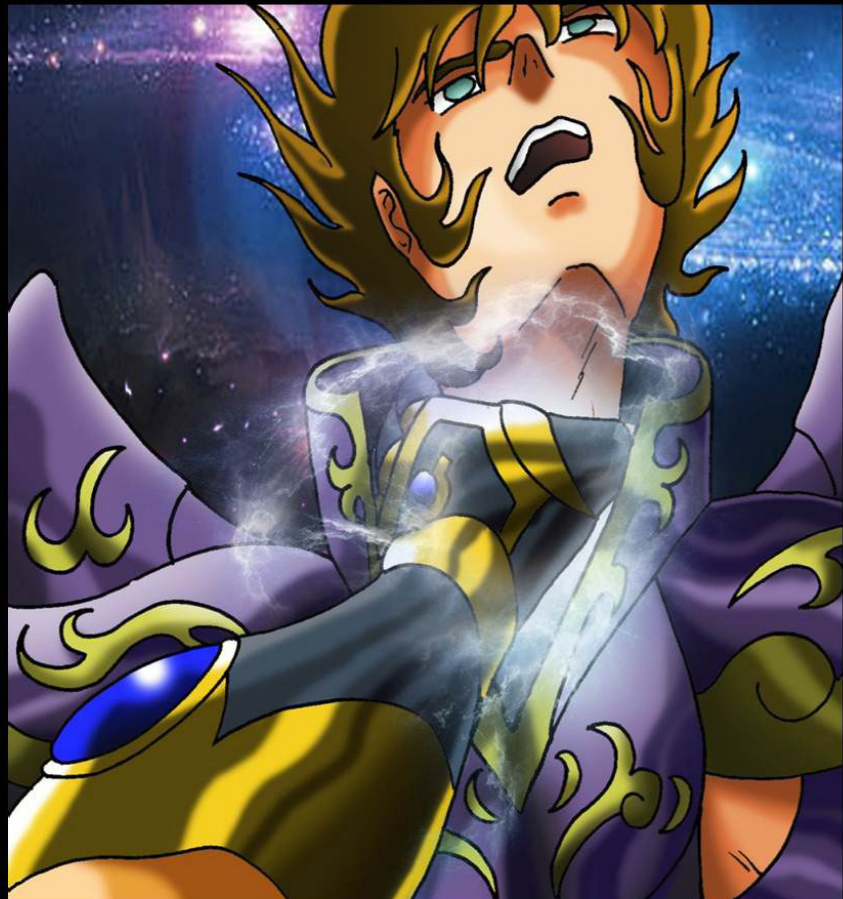

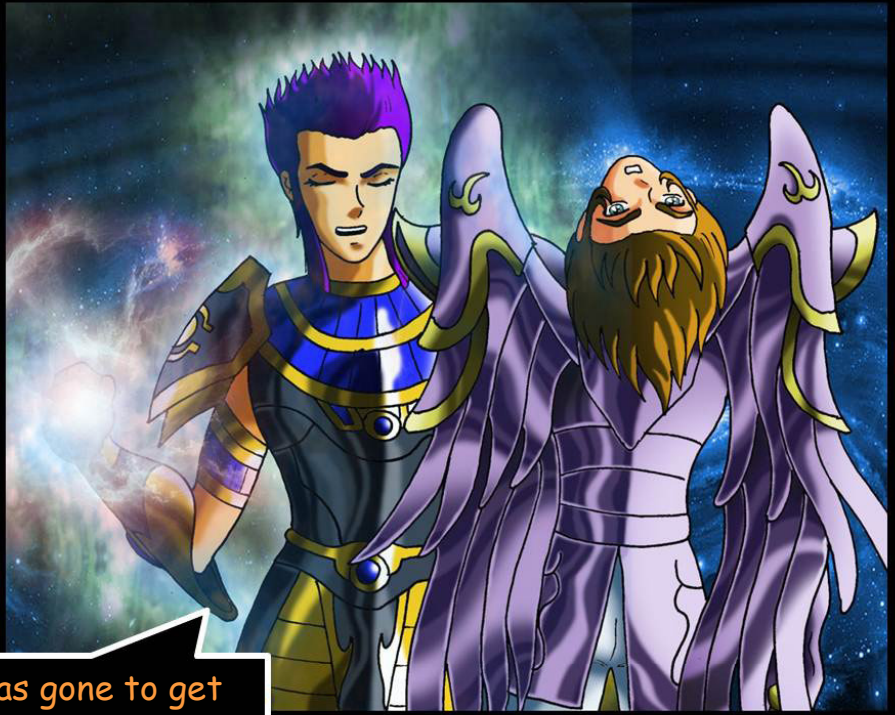

UNICORN BOMBING !!

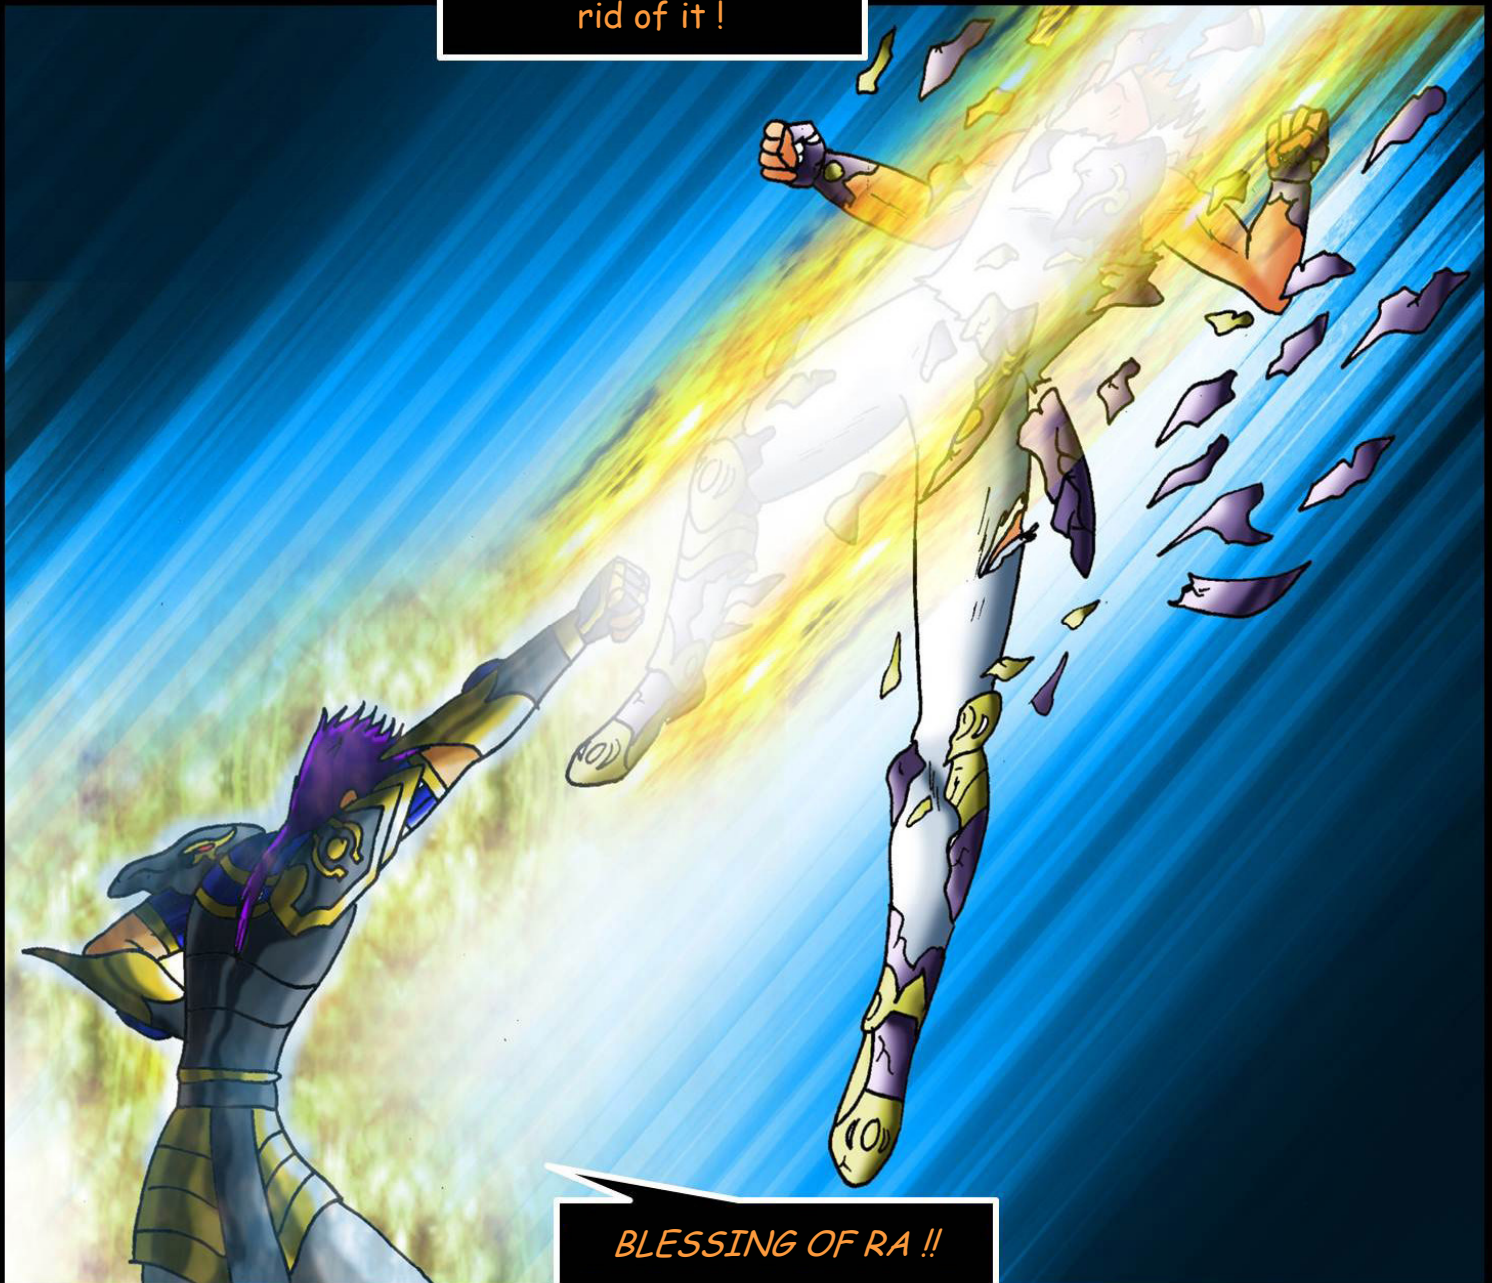

You must understand once and for all that your attacks are ineffective against me !

Thanks to this damned cloth, you manage to keep alive after all my attacks.

Time has gone to get rid of it!

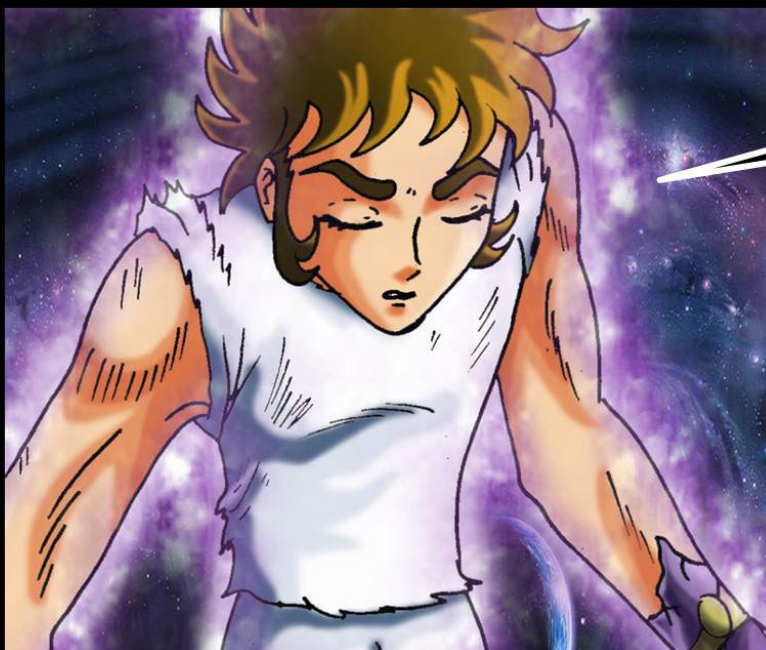

BLESSING OF RA !!

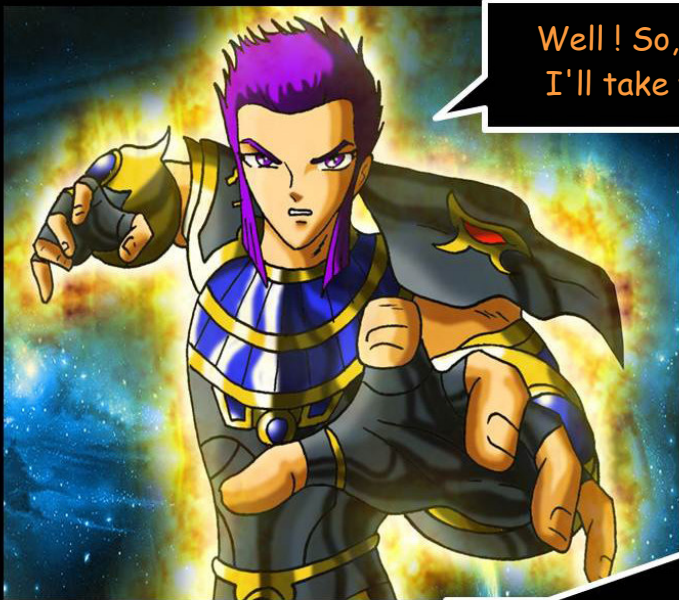

You dare to face ? After destroying
your precious cloth ?

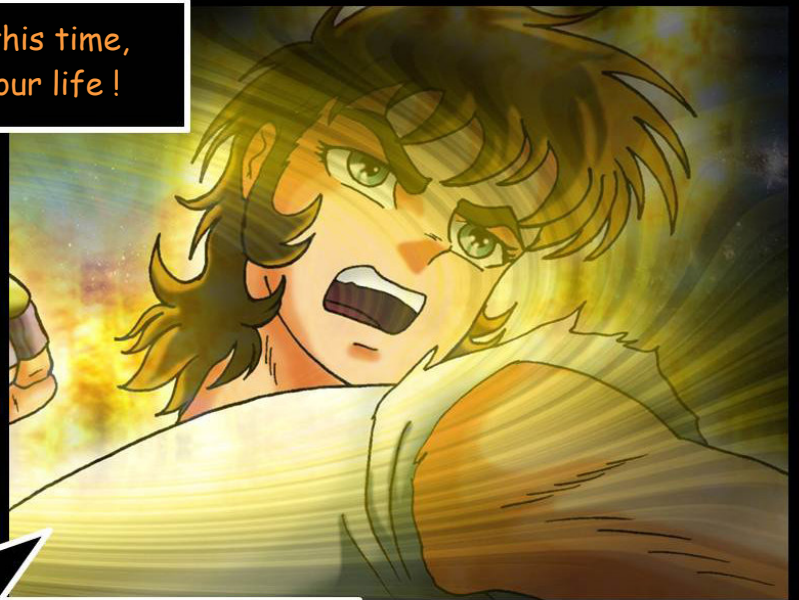

The will of a saint is not limited to
his cloth.

Well ! So, this time,
I'll take your life !

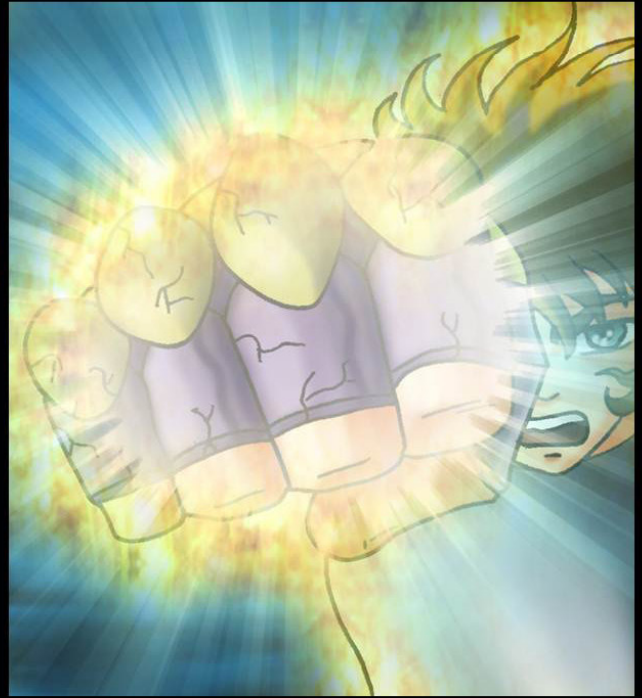

UNICORN BOMBING !!

He was able to avoid all my attacks without any effort !

COSMIC BARRIER !!

Unicorn, you can be proud to be the best warrior I have faced. You will have the honor of having your organs placed in canopic jars that will be scattered throughout the whole Egypt, it's a promise !

One day, we all swore to protect this world and serve the goddess Athena, but we all have ignored during a too long time this commitment. Today, we want to fight again, through your cosmo.

What... but... how could he... ?

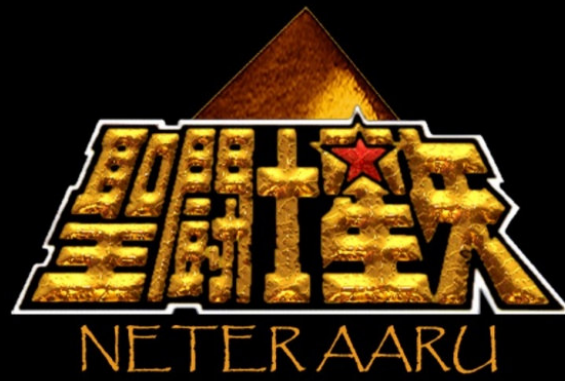

It's... it's impossible !

Chapter 16

Union
