Poseidon's Temple

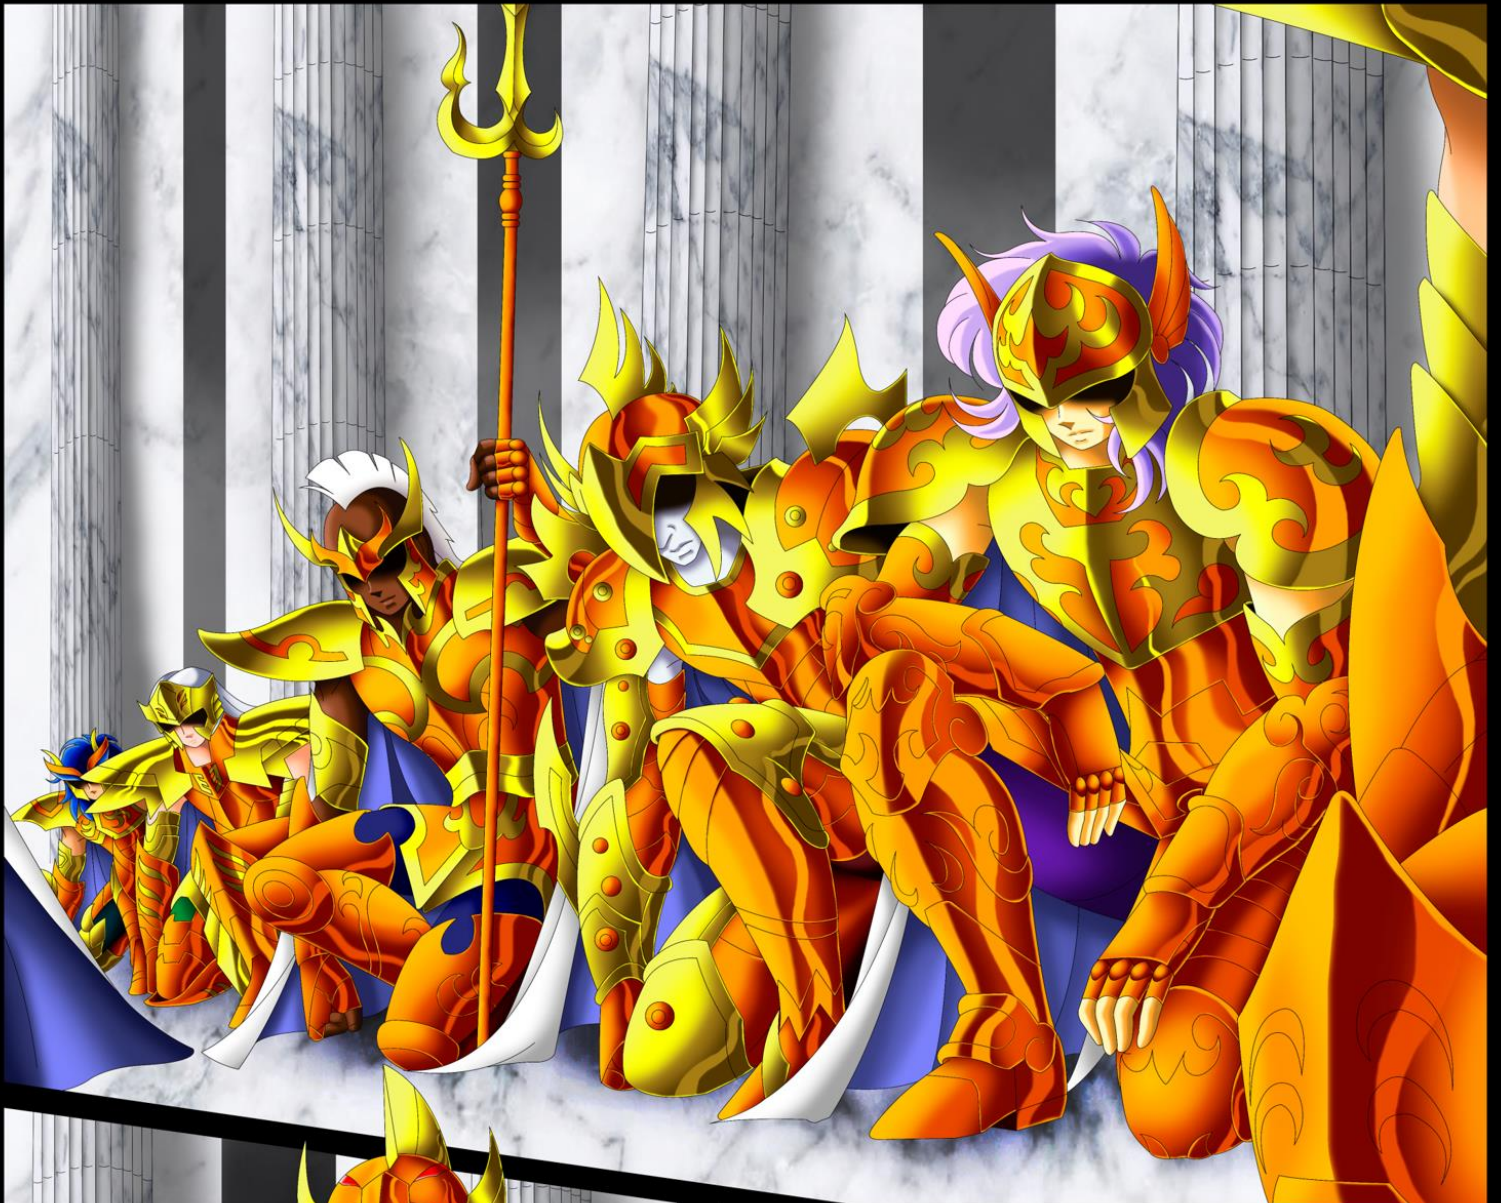

The recent events at Cabo Sunion where some tritons seem to be involved put in danger our truce with the Sanctuary.

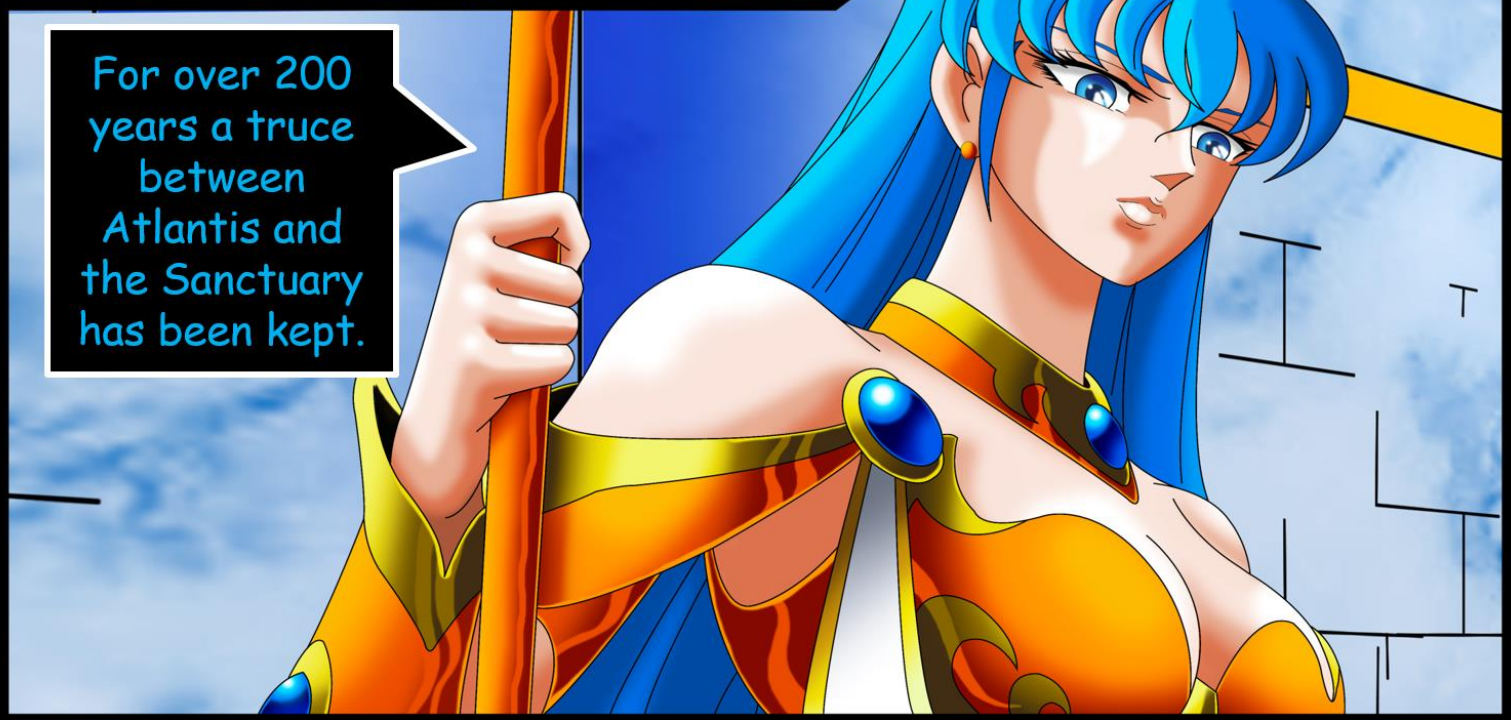

That attack against our men was a clear call to war, if we don't respond as soon as possible, we'll give a weakness sign to the Sanctuary.

For over 200 years a truce between Atlantis and the Sanctuary has been kept.

In the very moment when those tritons led their feet out on the surface without my order, they put in danger that truce.

Until the awakening
of our Emperor
Poseidon, I'm who
govern the Sea
Kingdom.

And, as long as
I am the one
who governs,
the peace will
be preserved.

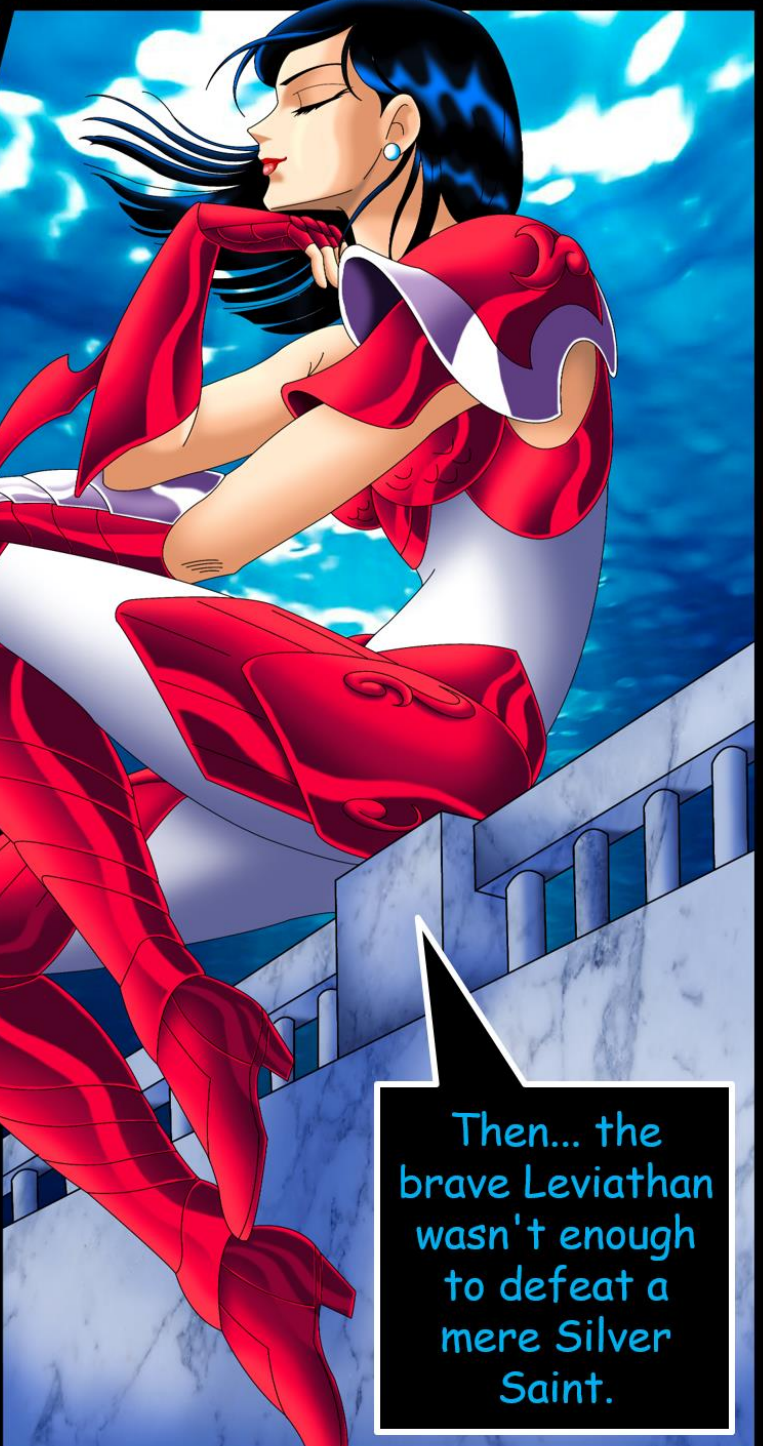

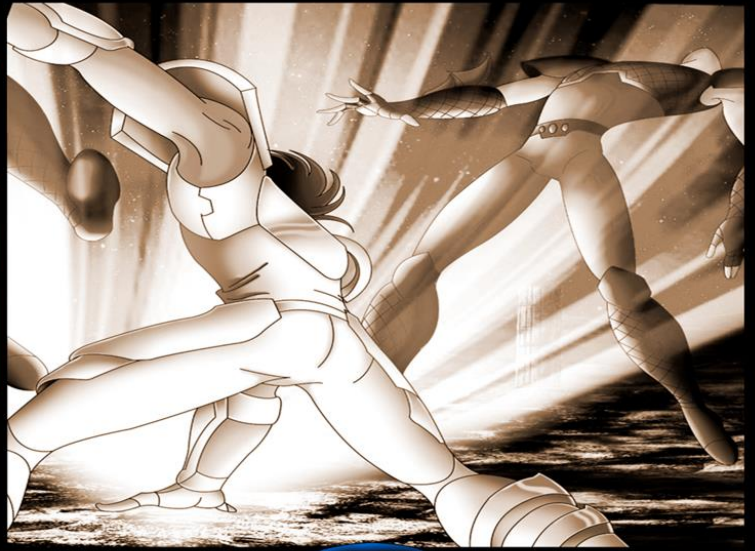

Have I been
enough clear?

Yes, my Lady.

North Atlantic
Ocean's Pillar

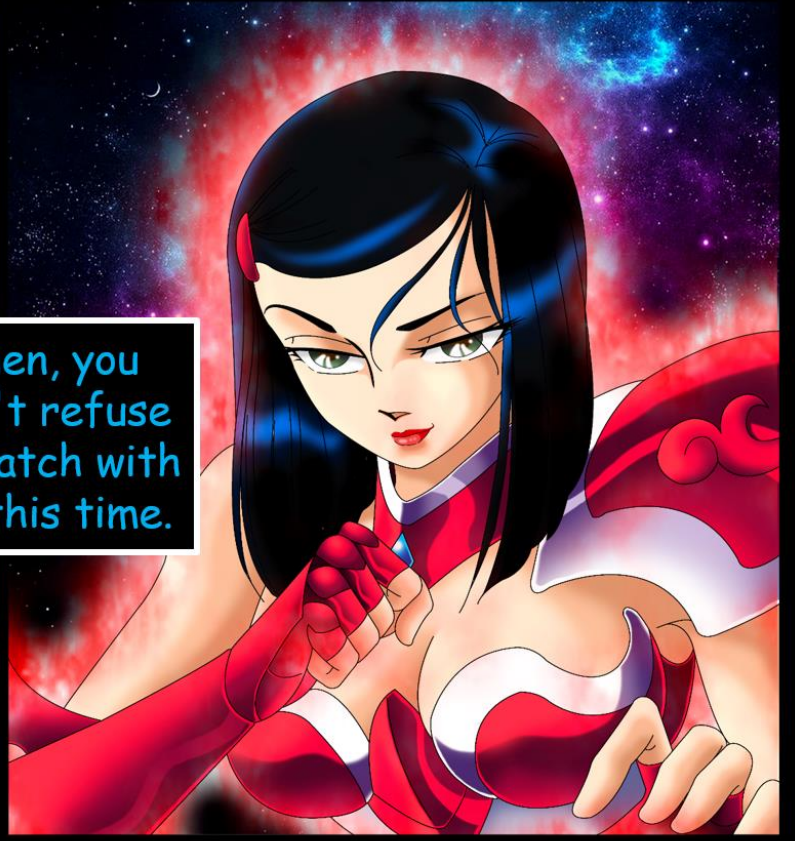

Do you think you could do better?

Actually, any of us could.

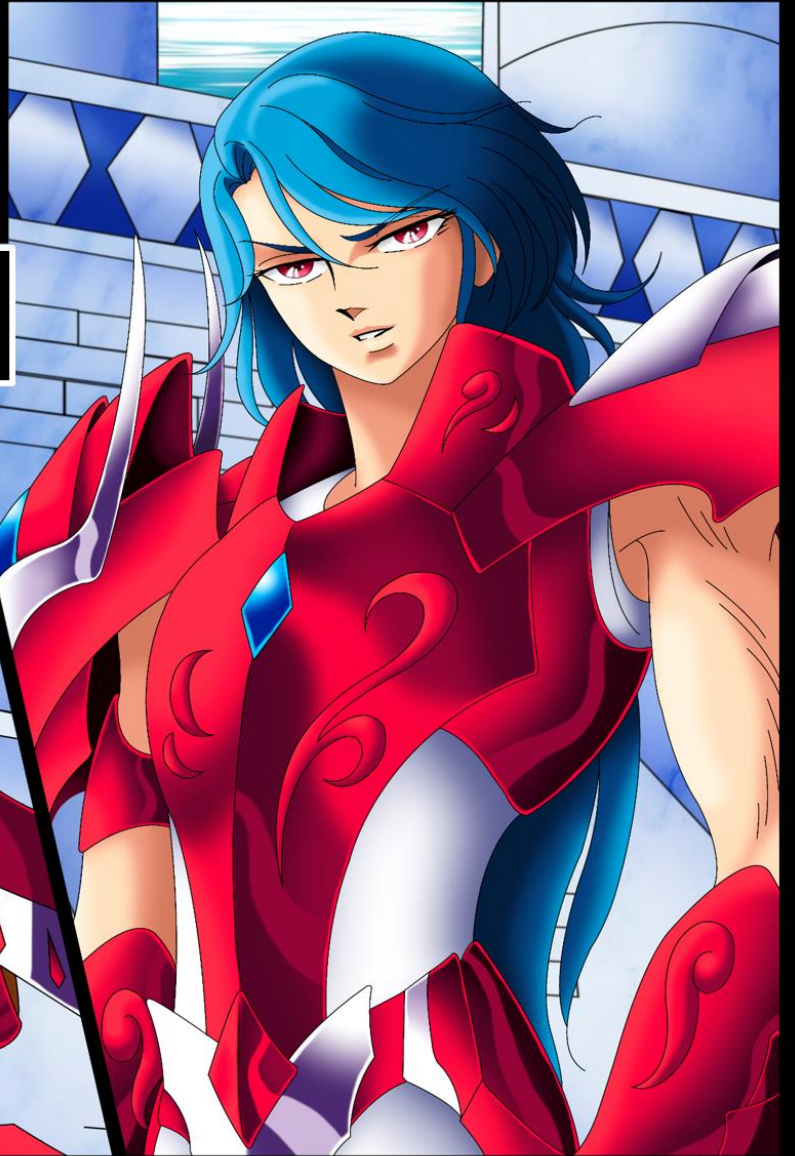

Then, you won't refuse to match with me this time.

Here we go again.

With so many enemies and you choose to fight one another.

Forgive me,
my General.

Some people don't know
when to shut their mouths..

Enough!

Today I reached to
make a crack
between Anfitrite
and the Generals.

It's a matter of time
for some of them to
turn by our side.

Athena's Sanctuary borders

They're just soldiers... We can defeat them easily..

Hurry, follow me. Don't let them escape!

They only follow the Pope's orders... I won't attack any innocent.

It'd be better for you to come back to the Sanctuary... Without my help you'd be all death.

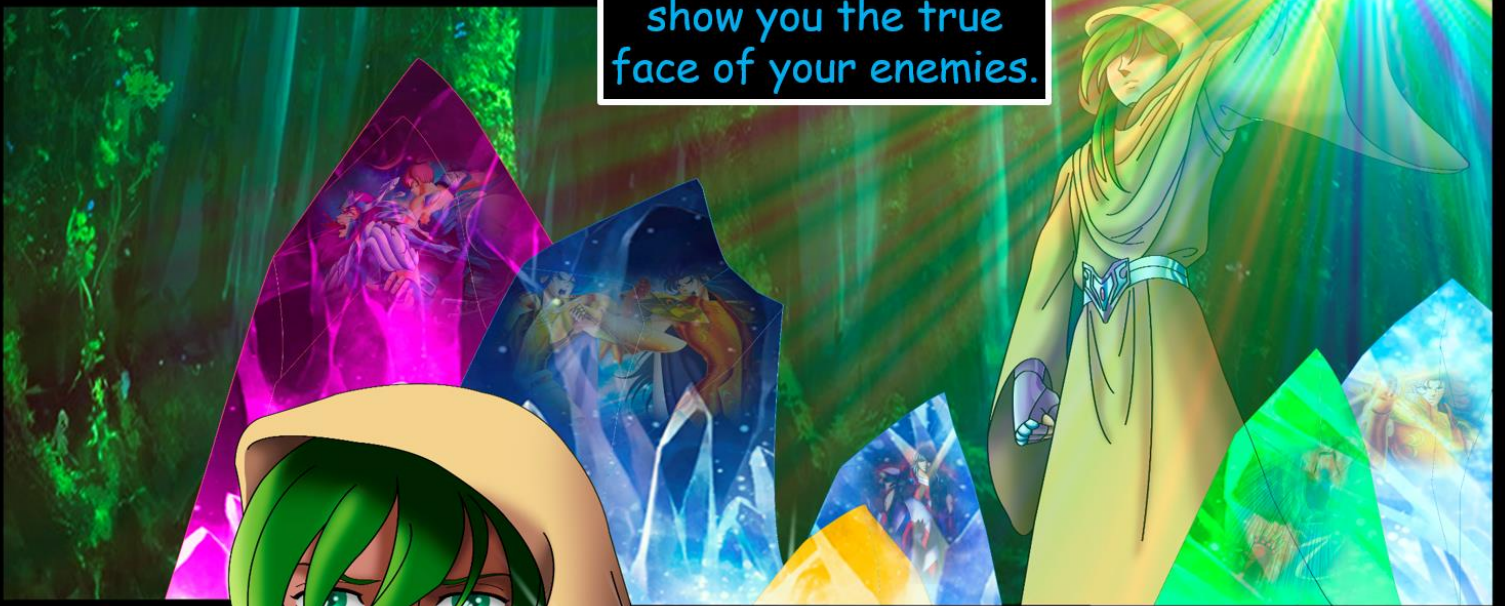

Yes, Sir.

Yes, Sir.

My dear Anfitrite,
from here I only can
show you the true
face of your enemies.
