An elephant cemetery!!
Unbelievable!!!

Cemetery?
What I note
from the sight
of these
carcasses...

The term of
pantry would be
more
appropriate!

And the creature
that treated
itself to this
feast must be
gigantic!

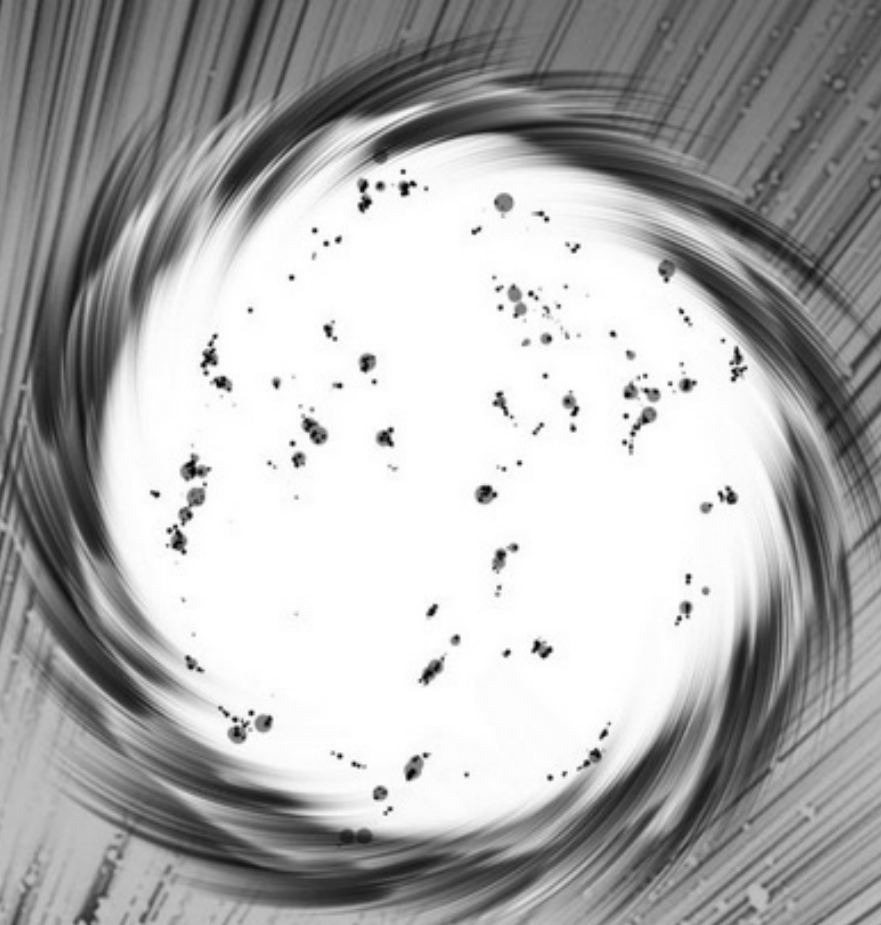

RAAAAAH!!!

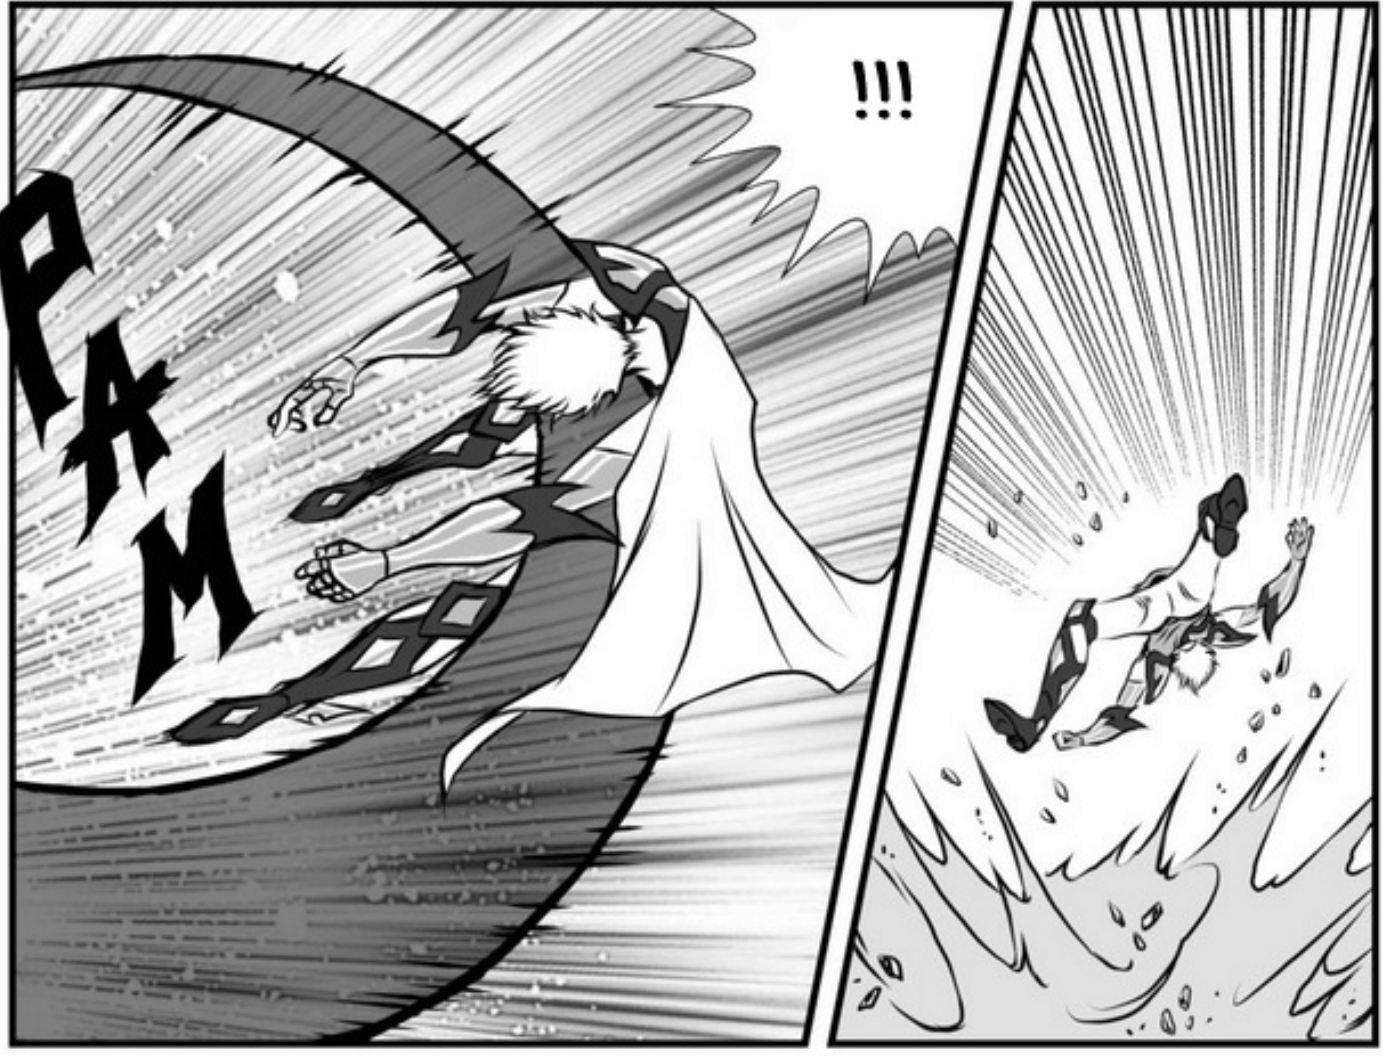

Burning
Corona
!!!

There you go! In a few seconds, this beast will be dead!

BAM

!!!

GROOOAAA...

Rustic...

And
tenacious!

Song of the
abyss!!!

!!!
OOO
RRR
S

Nature Unity
!!!

GROOOAAA!!!

La Scoumoune, do you
think you can target
the scar on the back of
his neck?

His skin is
probably less
thick in this
place...

And one of
your arrows
could rip it...

A piece of
cake
!!!

A large, furry creature with long, curved horns is shown from the back, looking up towards the sky. The creature has a thick, shaggy coat and pointed ears. The background is filled with radiating lines, suggesting a bright light or a powerful effect.

SWASH

Barbarians

!!!

This animal's life is
worth a thousand
times your miserable
existences!!
